Milwaukie High School
Milwaukie, Oregon
Volume 59

February 1975 marked the 50th anniversary of the formation of Union High School District 5 (now known as NCSD 12) and the construction of a building at 23rd and Willard.

The '75 Maroon celebrated the formation of the district and the present school.

Secondary education had been in existence long before the February 1925 date. Mrs. Emilie Shaw taught classes in the upstairs of a building, located where the present city hall stands, in 1907. Three years later, the high school was accredited. No longer did students have to travel to Oregon City or to Lincoln in Portland to earn a high school diploma. The first graduating class held commencement on May 22, 1914.

The first Maroon, 50 pages, was printed in 1916 and has been continued for 59 years.

The staff wanted to capture the last 50 years in this book. At the beginning of the five sections—Creativity, Service, Knowledge, Power and Populace—four pages have been dedicated to each decade beginning with 1925. These pages tell of the changes in administration, building, activities, athletics, and the community.

The last eight pages are known as the "Do you remember ..." section. The staff has listed movie stars, T.V. and radio personalities, events, fads, sports figures, and newsmakers of the last half century. Many people and events were left out due to lack of space, but it is hoped that the wide selections will spur the interests of present students and excite the memory of the alumni.

Enjoy the following pages. They are here to record the happenings of the past school year and the last fifty school years.

1925-1934

In 1925 the residents of Milwaukie voted to approve the Union High School District 5 and the formation of a new school building. The administration in 1925 consisted of six school-board members, one principal-superintendent and nine teachers.

The principal-superintendent, Mr. B. S. Wakefield, had many jobs during the early years. The principal-superintendent was the counselor, the supervisor of the student leadership, in charge of bus scheduling and routing, scheduling of classes and distribution of yearbooks to eighth graders in the hope of luring them to MHS. He also had the responsibility of all administrative jobs. A Dean of Girls, Mr. Durham, was added in 1929 to reduce the principal's duties. In 1934 the load was even further reduced by the addition of a vice-principal, Mr. Horace Pattison.

In 1925 nine teachers had the responsibility of teaching the basics to over 200 students. Courses at the time included the basics such as English, Science, Math and History. By 1934 enrollment had increased to 600 students; there were 23 teachers and 25 different course offerings.

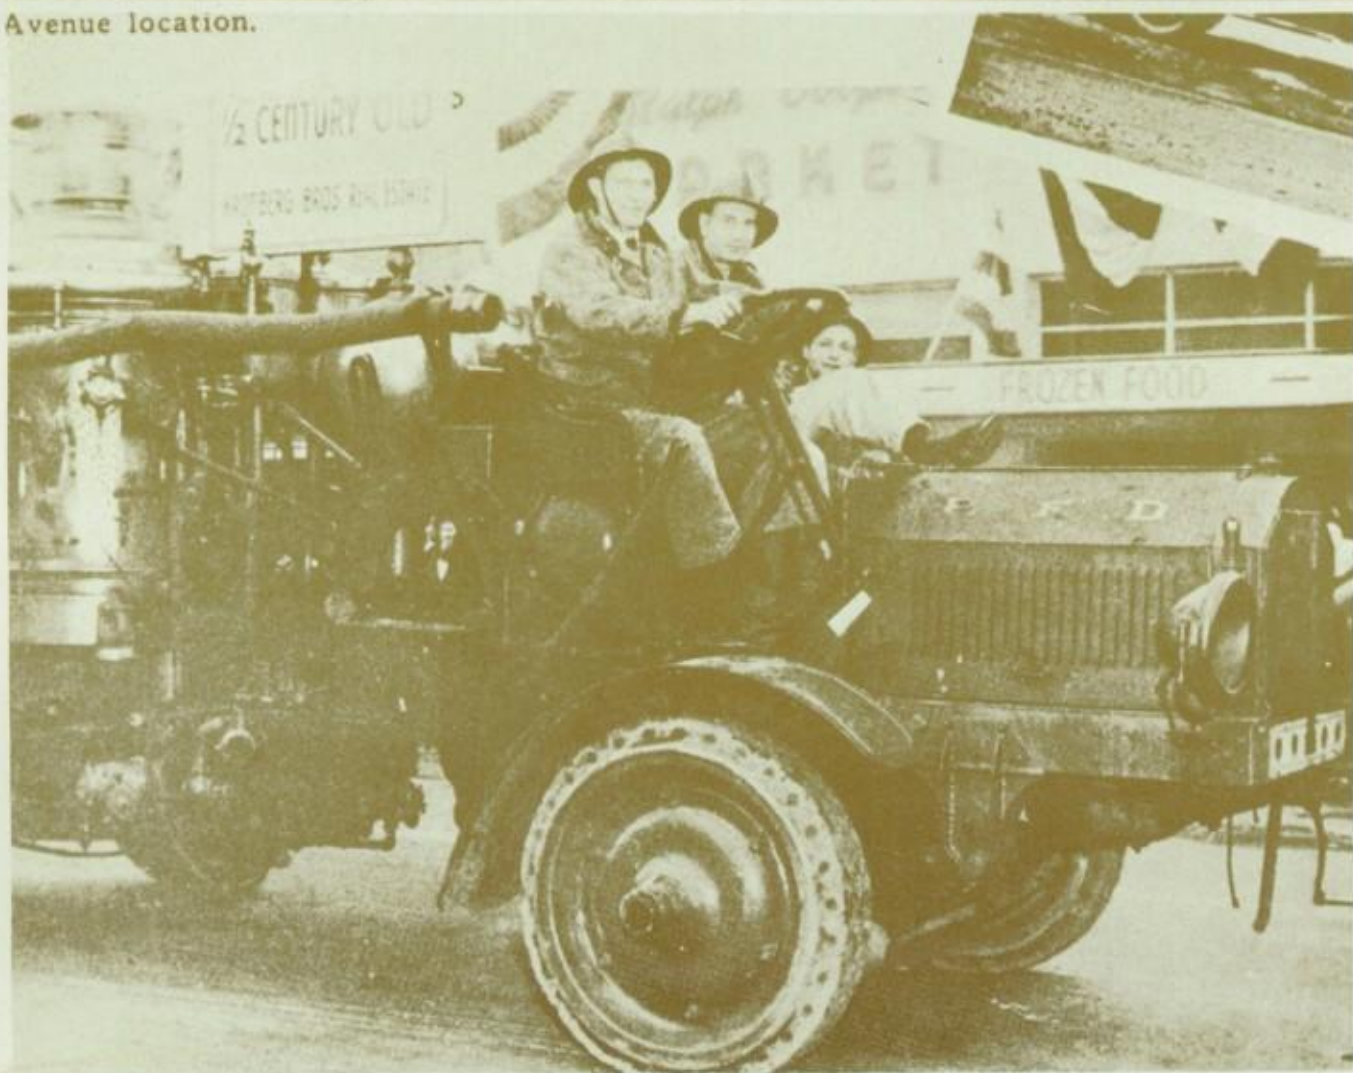

MHS was built on ten acres of ground located at 23rd and Willard. The original school consisted of one main building and a manual training-boiler room. The bond levy, passed in May 1925, was for \$186,000 for construction on a piece of land owned by District 1. The lower level consisted of the cafeteria, locker rooms, dressing rooms, kitchen, and a committee room. The middle level con-

tained an auditorium-gymnasium, stage, eight classrooms, a clinic, public space, the principal's office, the lobby and a vestibule. The upper level contained the library, six classrooms, a dining room for Home Ec, and a clubroom.

In 1927 plans were made for the addition of a gymnasium and track. In 1928 two tennis courts were added.

MHS had its share of clubs and activities during 1925-1934. Clubs in 1925 consisted of Student Body Officers, The Rooters Club, Maroon Staff and The Orchestra. Plays put on by the student body and classes, County Fairs, class parties and Juniors giving Seniors a banquet were the activities that concerned students.

Glee clubs were started in 1926; a Banjo-Uke Club was added in 1928. The music department put on numerous concerts and helped in Operettas, plays and programs.

In 1926 the Dramatic Club or Thespians was formed. Additions to this club included the National Thespians in 1929, Thaliens in 1933 for upper classmen and Footlighters for Freshmen and Sophomores.

A school newspaper known as "The Key" began in 1927; it consisted of 4 to 5 pages depicting daily activities. In 1932 the "Key" was changed from a regular school newspaper to a section of the "Milwaukie Review". A full page of the "Review" was devoted to school news and was edited by the "Key" staff.

Tennis, Pep, Letterman, Debate, Phi Alpha Phi, Mill-Hi Girl Reserves, Tri-Y, Hi-Y, Athletta, Home Ec, and Radio were some of the clubs offered during this time.

1925-1934

The Junior-Senior Prom was begun in 1927 and has continued ever since. A trophy to be presented to the outstanding boy and girl was started in 1927. The cup was to be called the Alumni Cup, and the first ones to receive the cup were Frank Lattanzi and Lois Matthews. The cup is now given for recognition of service.

Football, girls and boys basketball, and boys baseball were the only sports offered in 1925. There seemed to be a shortage of boys during those years, and this was reflected in the football team which consisted of fourteen members.

Schools during this time were few and far in between. MHS played such teams as Molalla, Woodburn, Canby, Silverton, Sandy, Park Rose, First Christian, Grant, Mill Plains, Corbett, Sellwood, Franklin, Peninsula, Willamette University (Freshman team, Hill Military academy and Rainier.

The track team had several unsuccessful starts and was finally established in 1931. The track team was first in the league in 1934.

Cross Country did well since its beginning in 1931. During the first year there were over 100 applicants for the team. In 1933 and 1934 they were state champs. They remained in the top three at state for over ten years.

Wrestling was started in 1934 and had a season record of 4-5-0. Boxing also began in 1934, and they ended up as 1st in the Big "9" league.

Golf was started in 1932 and for two years the team was 1st in their league. They held 3rd and 2nd at state.

Enrollment up, tops 1400 mark

September 3, students ended summer by returning to MHS to find changes in class offerings, scheduling, and teachers. Approximately 1020 students registered on Tuesday and Wednesday, with forty-three percent signing up for seven classes and one hundred percent for English and social studies requirements. Friends helped each other juggle periods and subjects as classes filled early. Night school was a new possibility for some; late arrivals faced 7:30 a.m. activity classes and extra study halls. Thursday enrollment stabilized with 1300 students back into a routine. By October, enrollment reached 1445.

Band holds 'Sight N' Sound'

The Marching Band took first place at the "Sight N' Sound" Marching Band Contest held at the school. The Band marched well to "Meadowlands," "Shaft," and "Chester March." The drum line won the Drumming Award for its solo written by Don Worth II, the drum line captain.

The Band competed at Boise, Idaho where they wore their new uniforms for the first time. There were some scary moments as the seamstresses pinned the uniforms

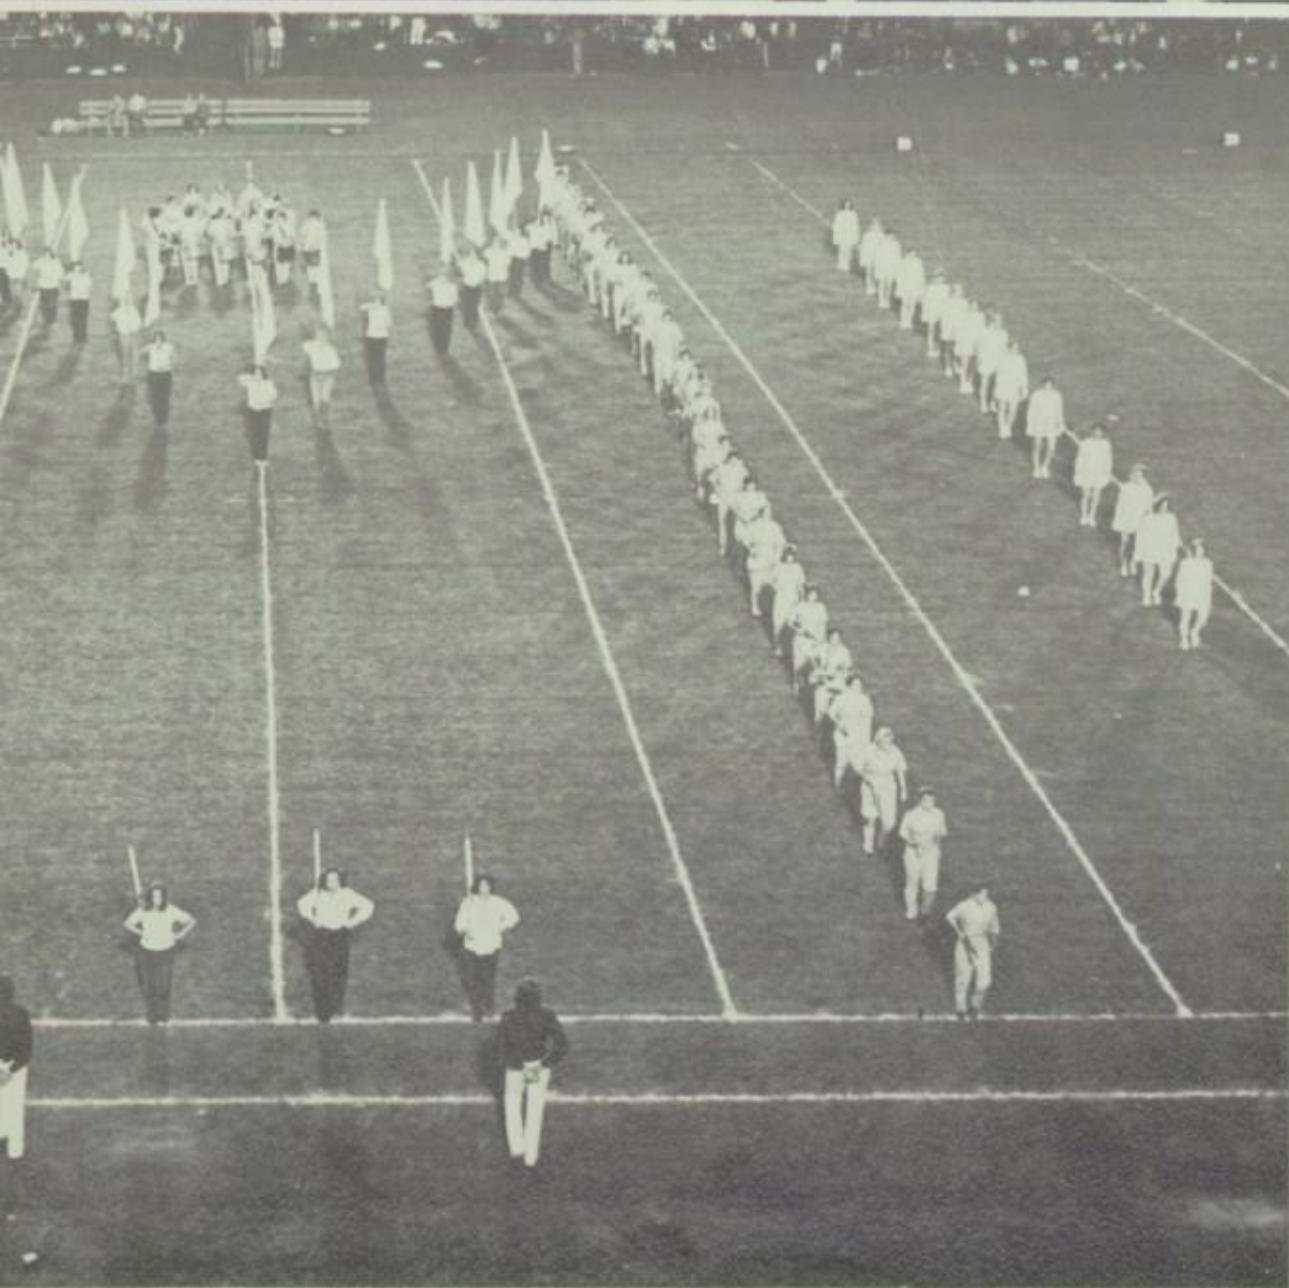

together at the last minute. The Band went on to perform at Expo '74. The Marching Band also played for the Portland State-Montana game besides performing at home football games. The year wasn't all fun and travel though. The Band practiced every Tuesday and Thursday for three hours at the Civic Stadium.

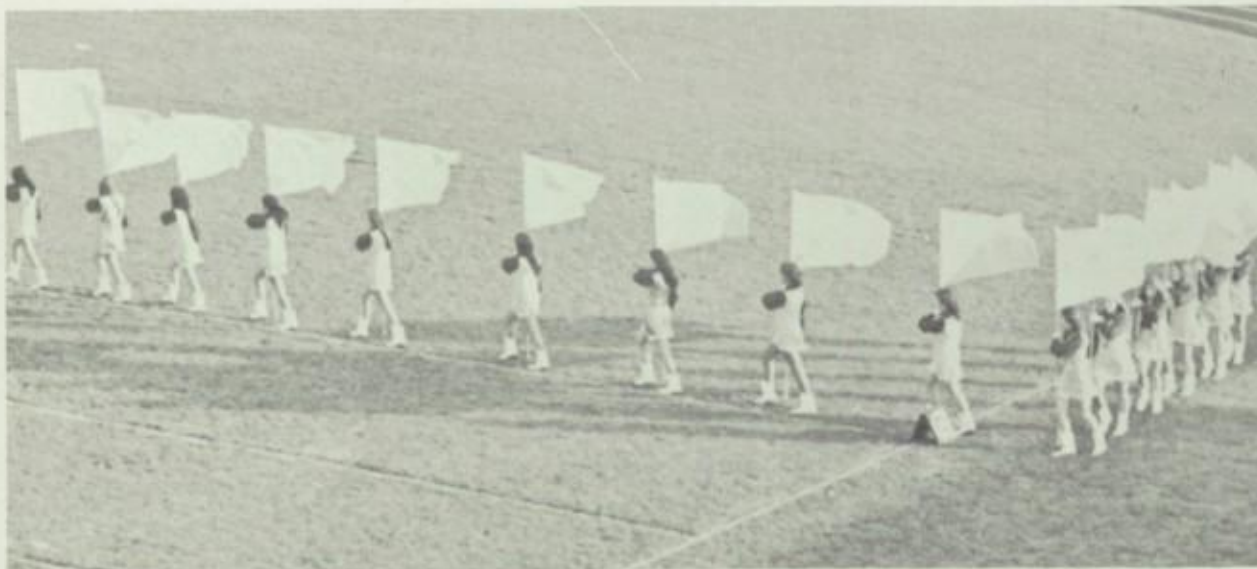

The Band was under the direction of Mr. Chuck Swan; the drum majors were Kirk Troen and Bob Swan.

Silks perform at home, Expo

The Color Guard, a vital part of the Marching Band, went to the Boise Competition and Expo '74. The group received new uniforms along with the Band. They also marched with the Band at the "Sight N' Sound" Marching Band Competition, where their flags added flair to the performance. Color Guard also includes the rifle twirlers. There were 24 girls in the group, and they were captained by Alice Spencer and Jane Peyton.

Dance Team travels to Boise

The Dance Team accompanied the marching band to the competition in Boise, Idaho. The team had left half the pompons at Milwaukee, but they managed to get some in Boise. The group continued to Expo '74 in Spokane, Washington where they paraded through the streets to "Chester March" and "Meadowlands."

The Dance Team participated

in a dance competition at Rex Putnam, combining "Shaft" with "Everything's Coming Up Roses." The group consists of 32 girls led by Debbie Holloway and her co-captain Sue Bennett. The Dance Team was under the direction of Miss Kathy Van Lom. They also performed for the basketball and football games throughout the school year.

Band gains recognition

The Stage Band was split into two bands—the Varsity and J.V. bands. The bands combined had about 33 members.

The Stage Band held a "Monday Night Jazz Festival" the first Monday night of each month. Some of the groups they hosted were Gresham High School, Clackamas Community College, Clark College, and Rex Putnam High School.

Entering various contests, the band placed 4th at the Wilco

League Stage Band Contest and won the A and AA divisions of the 4th Annual Clackamas Community College Stage Band Contest.

Marla Turner, Steve Swanson, Denny Verhagan and Don Worth received Outstanding Musician awards.

The Stage Band traveled to Vancouver, British Columbia to participate in the New Westminster International B.C. Jazz Festival.

Band has talent toward music

The Cadet and Advanced Bands practiced the fundamentals of music. They met everyday in regular classes during fourth and fifth period while Mr. Chuck Swan directed them. They memorized music for Marching Band, their Christmas

program and their Spring Concert. The Cadet Band performed at the Wilco Cadet Band Festival in May. The Advanced Band competed at the Wilco Concert Band Contest held in April at Mount Hood Community College.

'Head' heads 'humble reporters'

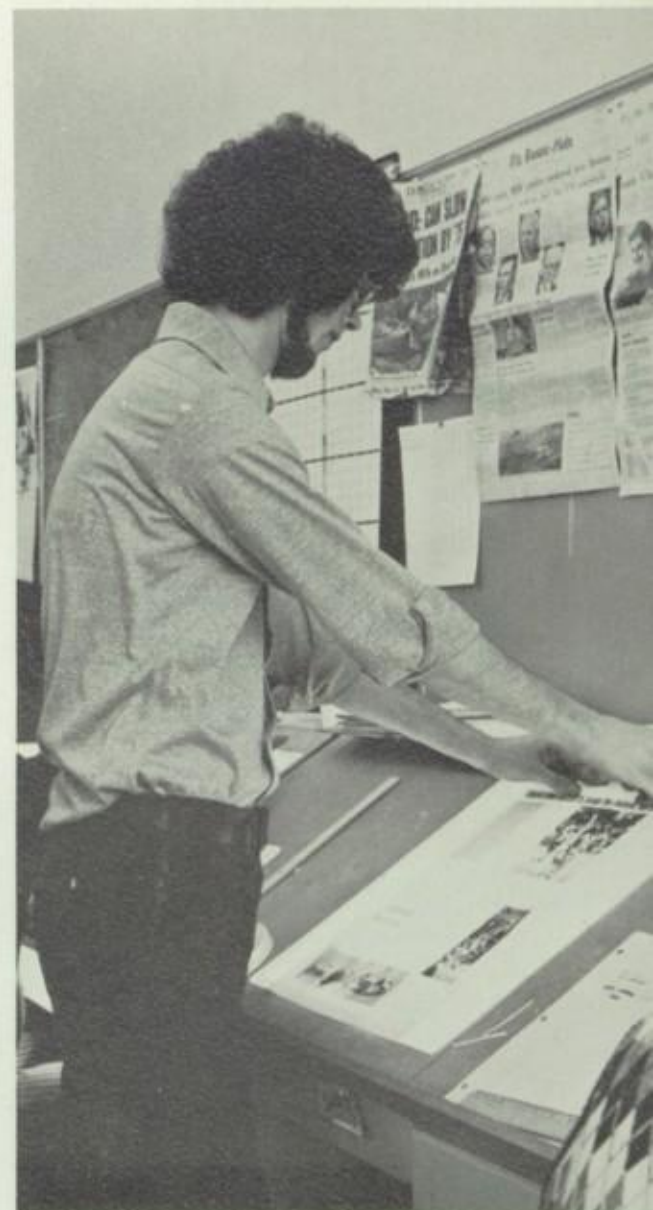

Six "fool-hearted journalists" managed (most of the time) to publish a bi-weekly newspaper. To the shock of many MHS students, bi-weekly meant every-other week.

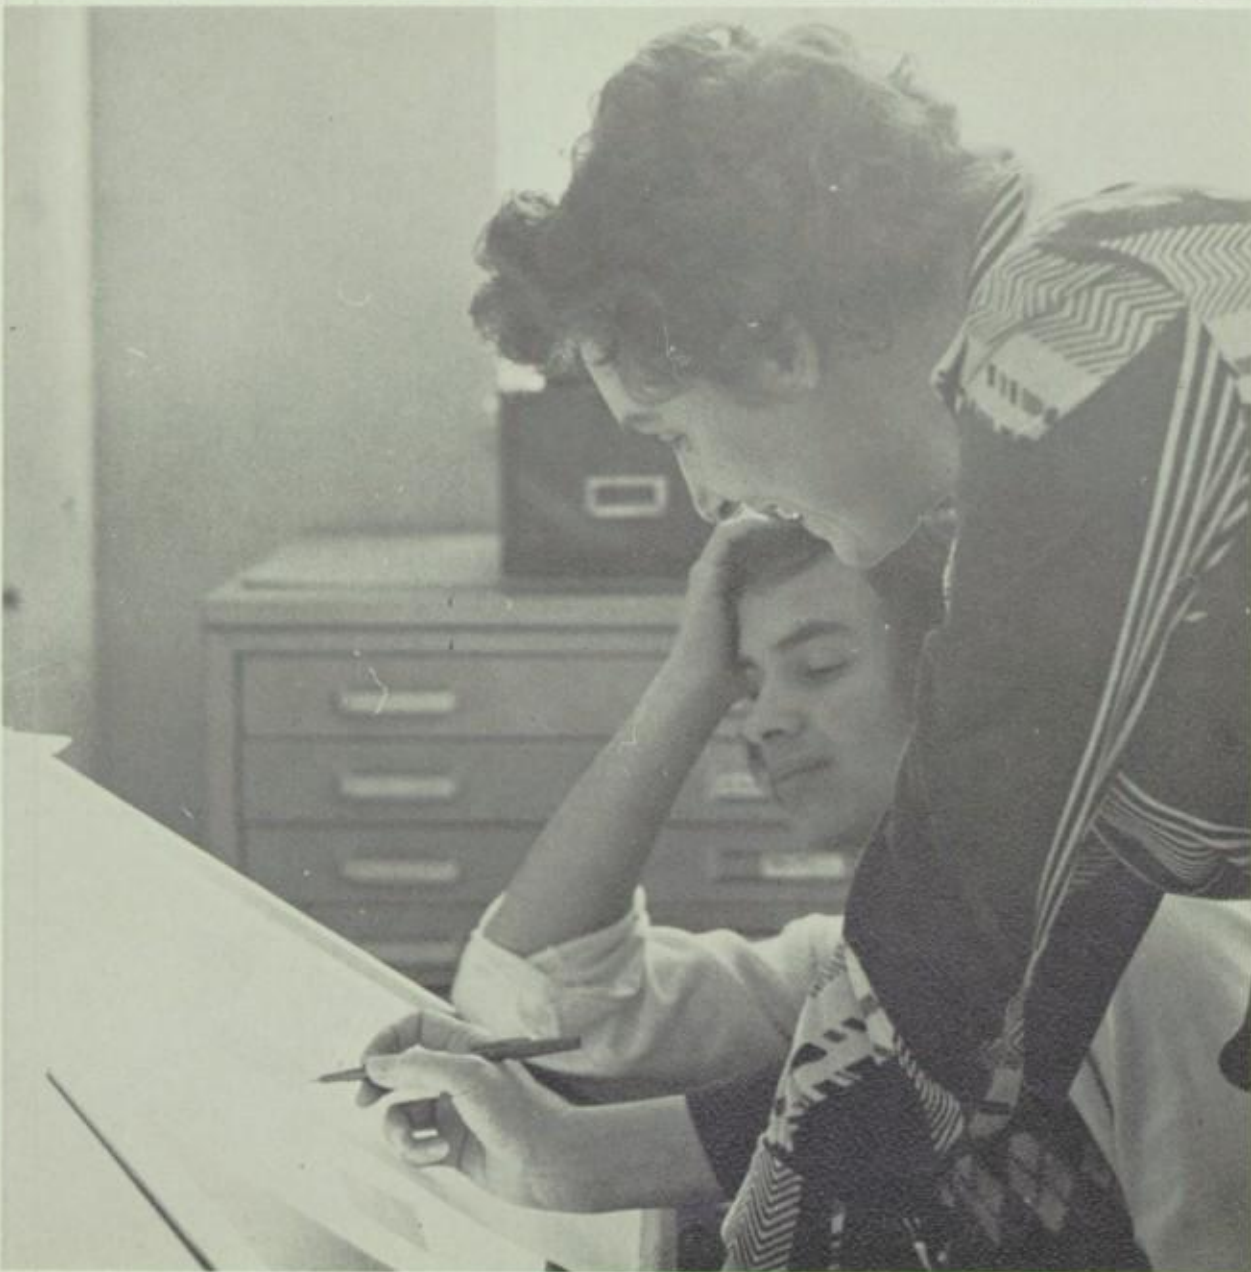

Under the watchful but forever twitching eye of Mrs. June "Mother Mac" McKinstry, the "Milwaukian" staff hustled out to the print shop ahead of Putnam and Clackamas.

Calm and collective, Don Heady, managing editor, exclaimed "Wow! That fries me, hole on page one." Jumping up and down on a whacked-out developer, Heady came up with another original quote: "*!\$*+&t!/\$\$\$%/+t&\$**!!!!," and that

little number wasn't anything compared to what he said when he caught his beard in the waxer.

While "The Head" was busy dunking his facial fuzz into the wax remover, Don Daigle and his shadow waited outside the door to 211 for anyone to happen; Bob Swan took 30 minutes to find a camera via the third floor; Melanie Jarmer sat at the typewriter saying "Hey, brother"; Rich Anderson figured how many yards per-play the football team averaged; Paul Henderson shook his head a lot and asked "Why me?"; George Knowsnob dropped by room 211 now and then to write a two period Redpath theme.

Mixed Choirs master music

Mustang Chorale, Mixed Ensemble, and Freshmen Ensemble combined their efforts to form the Mixed Choirs. They sang in the annual choir concerts and met weekly to practice. The Choirs were directed by Mr. Gil Timothy and assisted by Mrs. Mary Haley.

Inflation meant fewer purchases of music. "A nine dollar score of music purchased last year, now costs fifteen dollars—almost triple that of ten years ago," said Mr. Gil Timothy, director.

A cappella blends voices

Lloyd Center, Latter Day Saints Church and Rosevilla hosted the A cappella Choir who also presented Fall, Christmas, Winter, and Spring school concerts. They entertained audiences with new renditions of spiritual, patriotic, and holiday music.

Jim Bostwick, Jud Owens, and Mike Solly were selected for the All Northwest choir. They met in Spokane, February 14-17. They were among 450 high school students chosen from six thousand applicants from the states of Oregon, Washington, Alaska, Idaho, Montana, and Wyoming.

Pipers hit night spots

The internationally known Pony Pipers hit many different Portland night spots during the year; they performed at the Top of the Cosmo, the Multnomah Club, the Sheraton Hotel, and the United Nation's Celebration at the Hilton Hotel.

The twenty-eight member group was composed of juniors and seniors, who practiced five days a week, four days at 6:30 a.m. and Tuesday nights. The group averaged two performances a week. Piano accompanists for the group were Judson Owens, Jim Baer, and Kim Fairbanks.

Dogpatch Daze breaks out

One hundred-eighty couples attended "Sadie Hay Daze" which was presented by Girls League. Haystack-shaped bids sold for \$2.00 a couple. Overalls and flannel shirts along with the traditional blue jeans were the evening fashion. Vegetable corsages added to the boys evening attire. Vic Schnell was given a prize for the corsage that Amy Law made for him. Couples paid more than one visit to Marryin' Sam, who was really Mr. Sackely. Amy Law and Vic

Schnell became Mr. and Mrs. Dogpatch for the best Hill-billy costumes.

The Kangaroo Court was presided over by Judge Bennett. The M.C. for the evening was Beth Poff. Twirp officers were Seniors Dan Swan and Paula Sowards, junior Patti Henkel, sophomores Teena Hall and Stuart Roholt, freshmen Karen Ulman and Don Harryman. Couples danced to the music of Jewel and after the dance girls took their dates out for dinner.

Seniors capture Homecoming

"Put the Tigers in our tank" was the theme for Homecoming '74. The seniors took first place in the Jingle Contest and the juniors came in second. The freshmen took first place in the Sign Contest, and the seniors and juniors tied for second place.

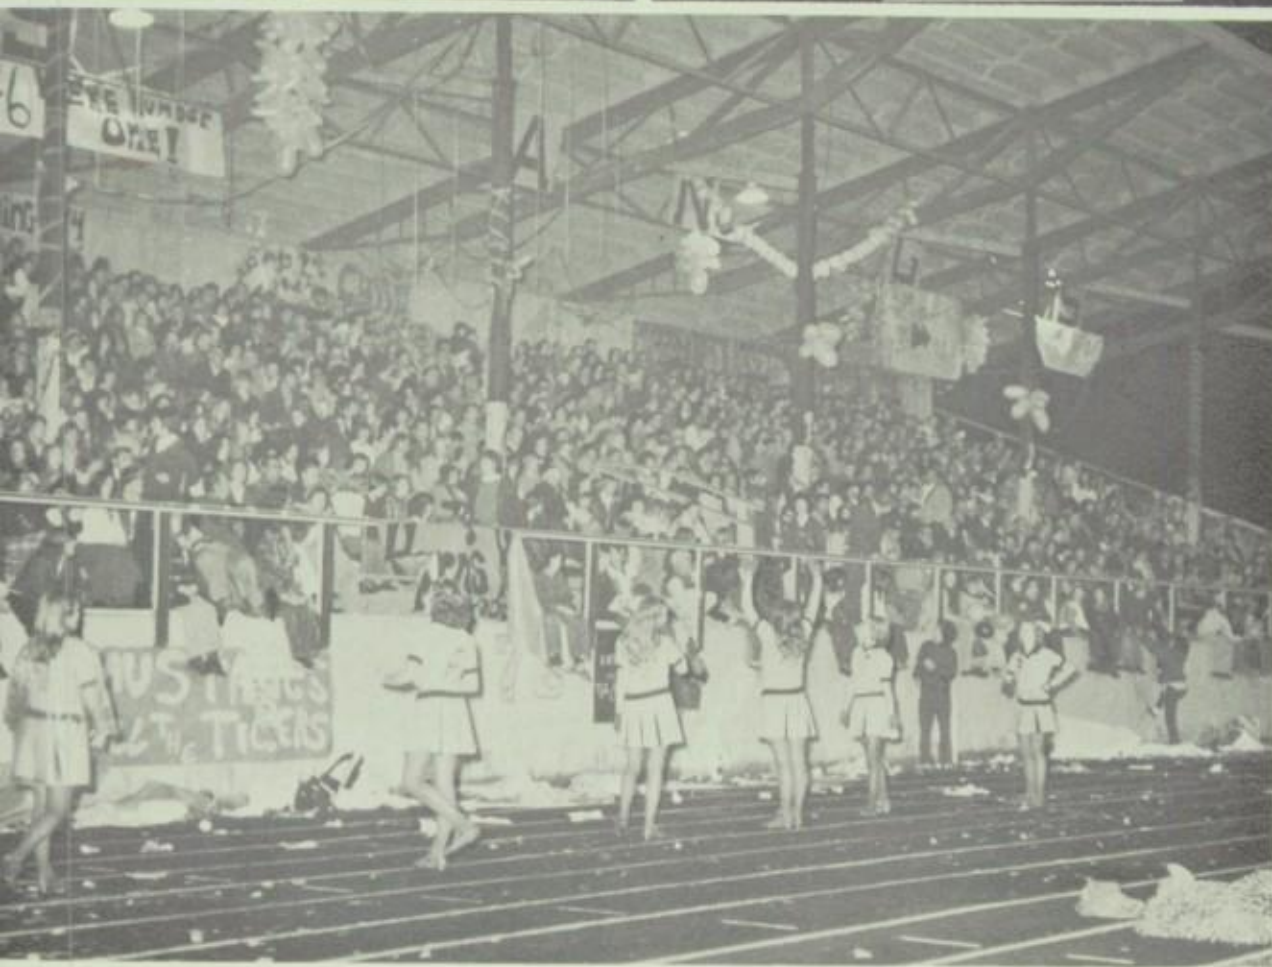

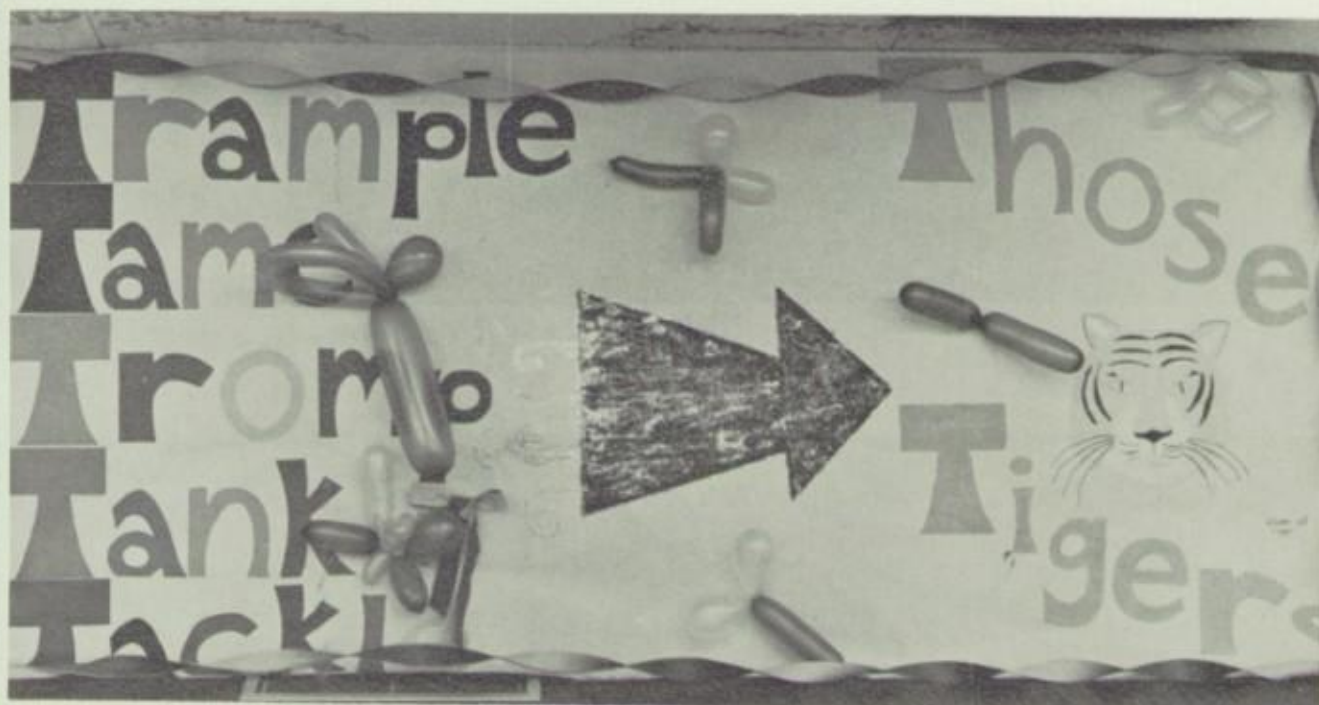

Door Day was on Thursday. Mr. Redpath's second period class had the winning door. On Friday, school was shortened because of a pep assembly. After school all the classes put up their decorations in the grandstands. Festivities

for Friday evening started at 7 p.m. with a snake dance starting at the International Harvester and winding its way through Milwaukie.

During half-time, Mark Lewis and Pat Brunelle were crowned Homecoming King and Queen. Wayne Bergstrom and Deanne Lisbonbee were first Prince and Princess. Ray McCorkle and Debbie Holloway were second Prince and Princess.

Sophomores had the winning float. The evening ended with a 39-0 win over Tigard.

Queen Zora reigns over '75 Homecoming festivities

The crowning of Zora Hughson as Basketball Homecoming Queen was the highlight of the evening as the Mustangs rolled to an easy victory over the Lakeridge Pacers. Homecoming activities ranged from a Treasure Hunt held at the beginning of the week, to an exciting girls basketball game as a finale. Clues were read each period containing hints such as "east side, west side, the treasure's on the north side." After a two-day effort the hidden treasure was discovered by Rich Cook, and as a reward, he received a scrumptious dinner for two at Victoria Station. Rib-

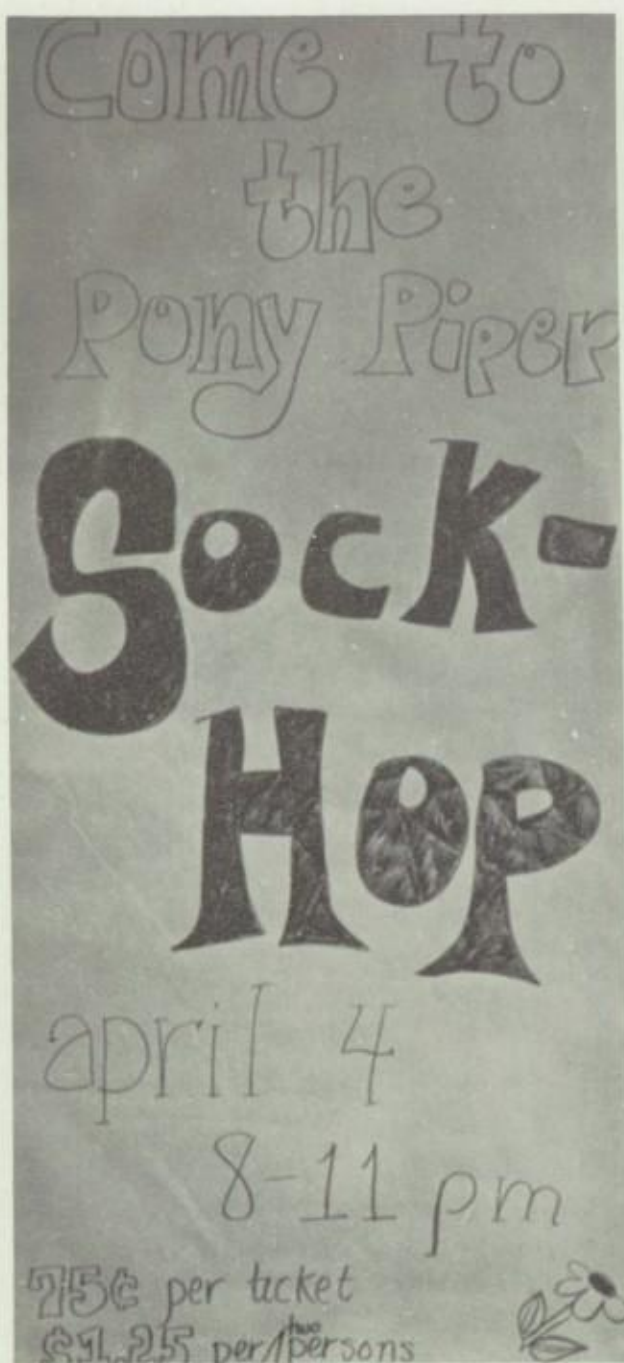

bons were given for Hat Day as Janese Maple, Lisa Worsley, Joe Calhoun, and Jim Harder were claimed as the honorable winners. The biggest event of the week arrived when the girls basketball teams clashed in tournament play for horserace points. With the Sophomores and Juniors being illiminated in the first round, the Seniors and Freshmen continued on for the champoinship title. The ludicrous refereeing by Mr. Wilkins and Mr. Law terminated with the Seniors winning the game. Cheers were led by boy cheerleaders with spirit and enthusisam while dressed in proper rally outfits.

Dance sponsors Piper travel

Couples danced to tunes of the fifties at the second annual Sock Hop sponsored by the Pony Pipers. Two professional disc jockies — "Grease" and "Charlie Brown" — played records and provided entertainment for the students. A dance

contest was held, and the finalists were Steve Swanson and Mary Jo Cartasegna, Chuck Fogoros and Julie Neimeyer. The result was a tie between the two couples. The proceeds of the dance went to the Pony Piper travel fund for their summer trip to Washington D. C.

"This year's prom was the biggest success in five years," said Mr. Wilkins. 107 couples danced to the music of Vegas. "Colour My World" started with dinner at 7:30 and dancing until midnight. Moonlit walks on the terrace over

looking the beautiful Columbia River created a calm and peaceful mood for the couples. Steak and chocolate mousse added to the delicious dinner. The semiformal atmosphere was enjoyed by all.

Art show develops scholarship

The Tenth Annual Art Show opened with a week full of assemblies, demonstrations, and finally the Art Show.

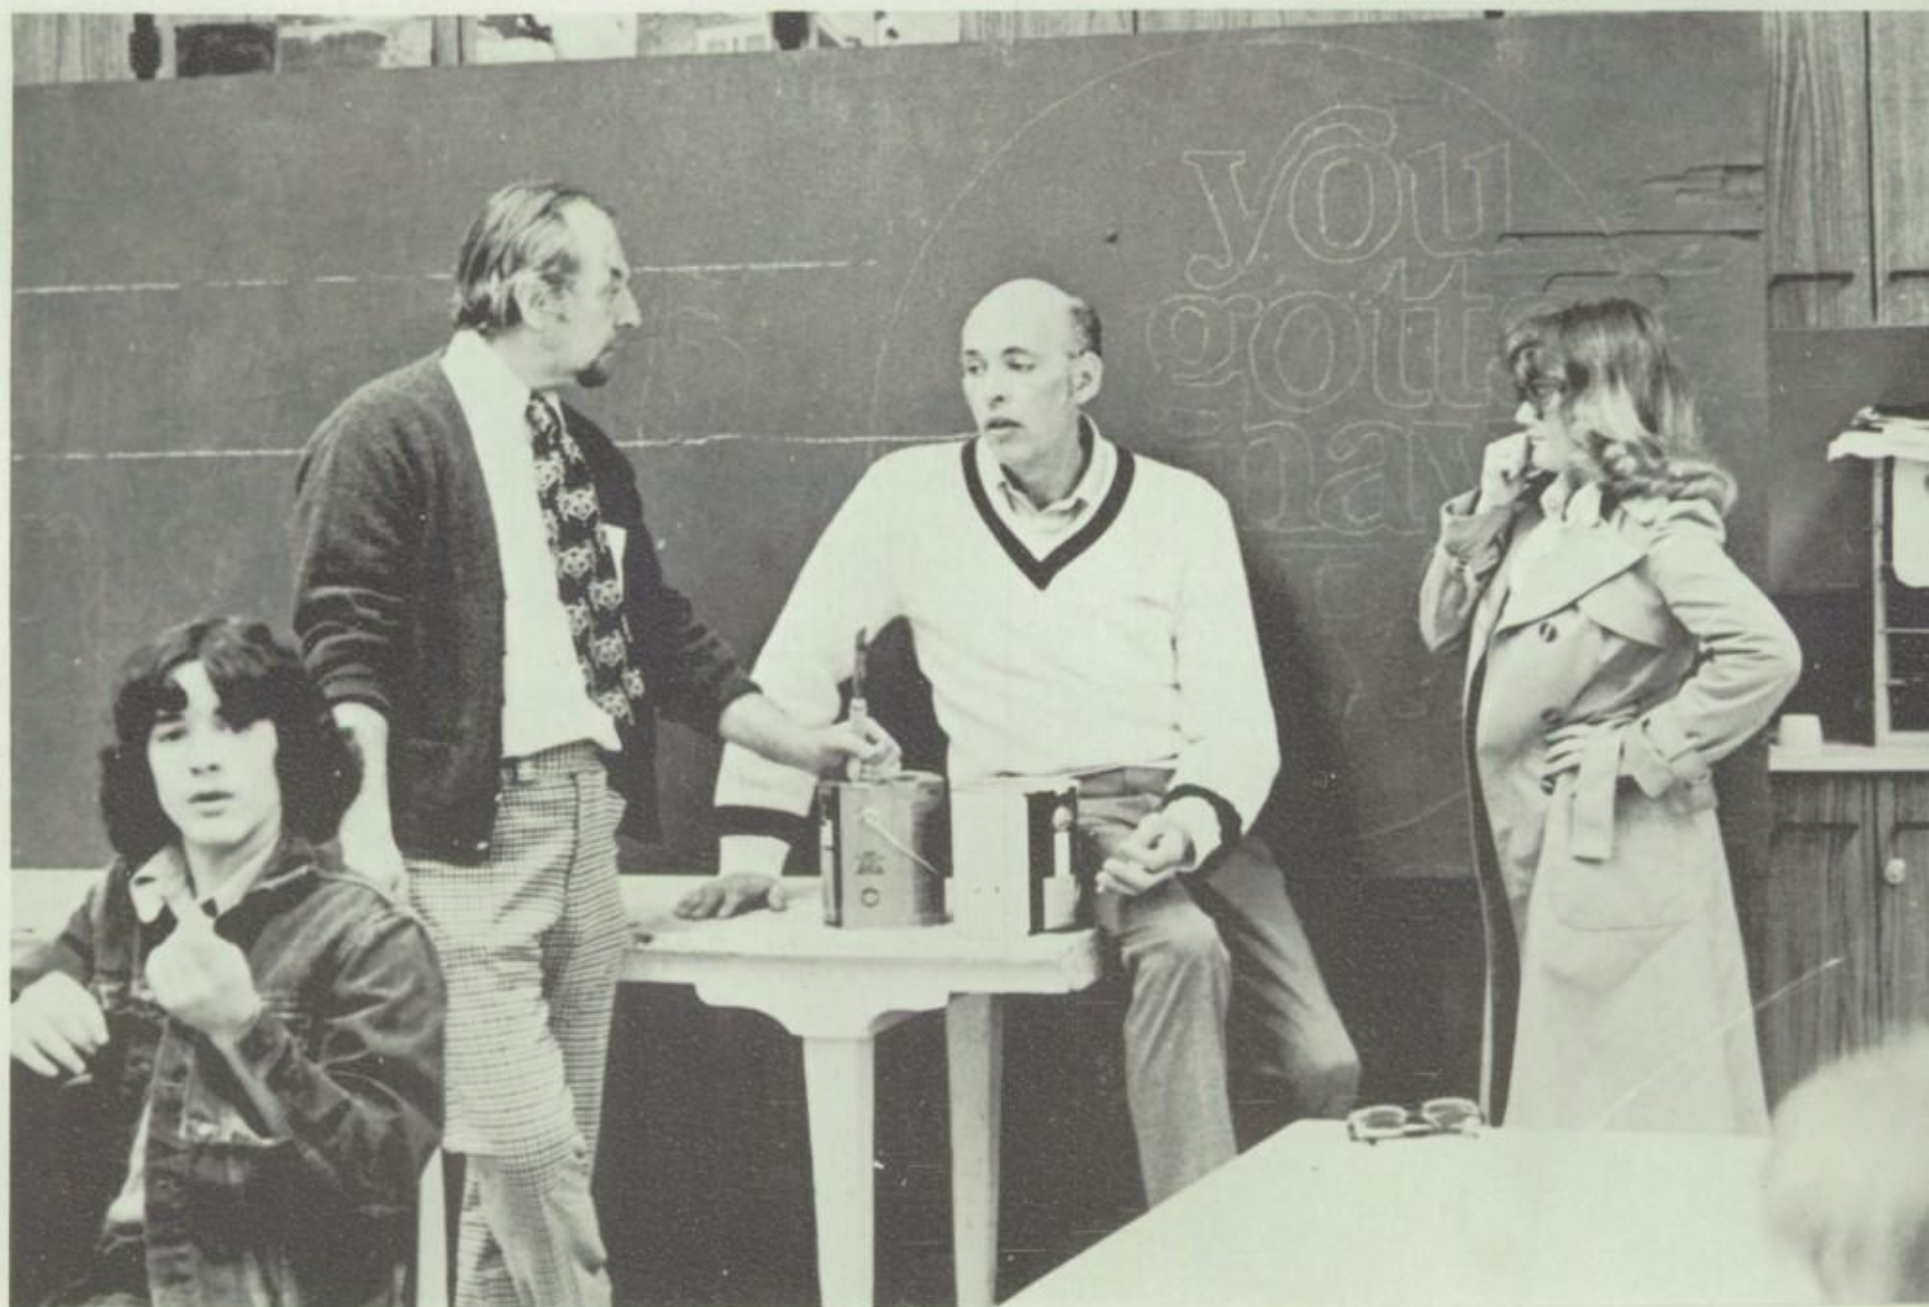

Throughout the week demonstrations were held in such areas as ceramics, watercolor, weaving, and printing. Guest artists and community members were welcomed to show students and teachers different and new techniques that could possibly benefit them in the future.

PSU dance department, who have recently adopted one of the few dance certificate programs in the country, performed one of the two assemblies. Dances varied from folk, jazz, modern, to the grace of ballet. An assembly was also

given by the University of Portland. A group of fourteen performers put on a show entitled "The History of Musical Comedy". The presentation included excerpts from many of the all time great musicals.

The week was highlighted by the Art Show. The proceeds went towards an art scholarship for a student or students who have contributed both school and community affairs.

During the show demonstrators came and worked in mediums from watercolor to spinning. Entertaining went on throughout the show. The Portland Opera Association gave a thirty minute presentation, sophomore Sue Kenny sang, the Pony Pipers performed, and the stage band played.

Art club ventures to Victoria

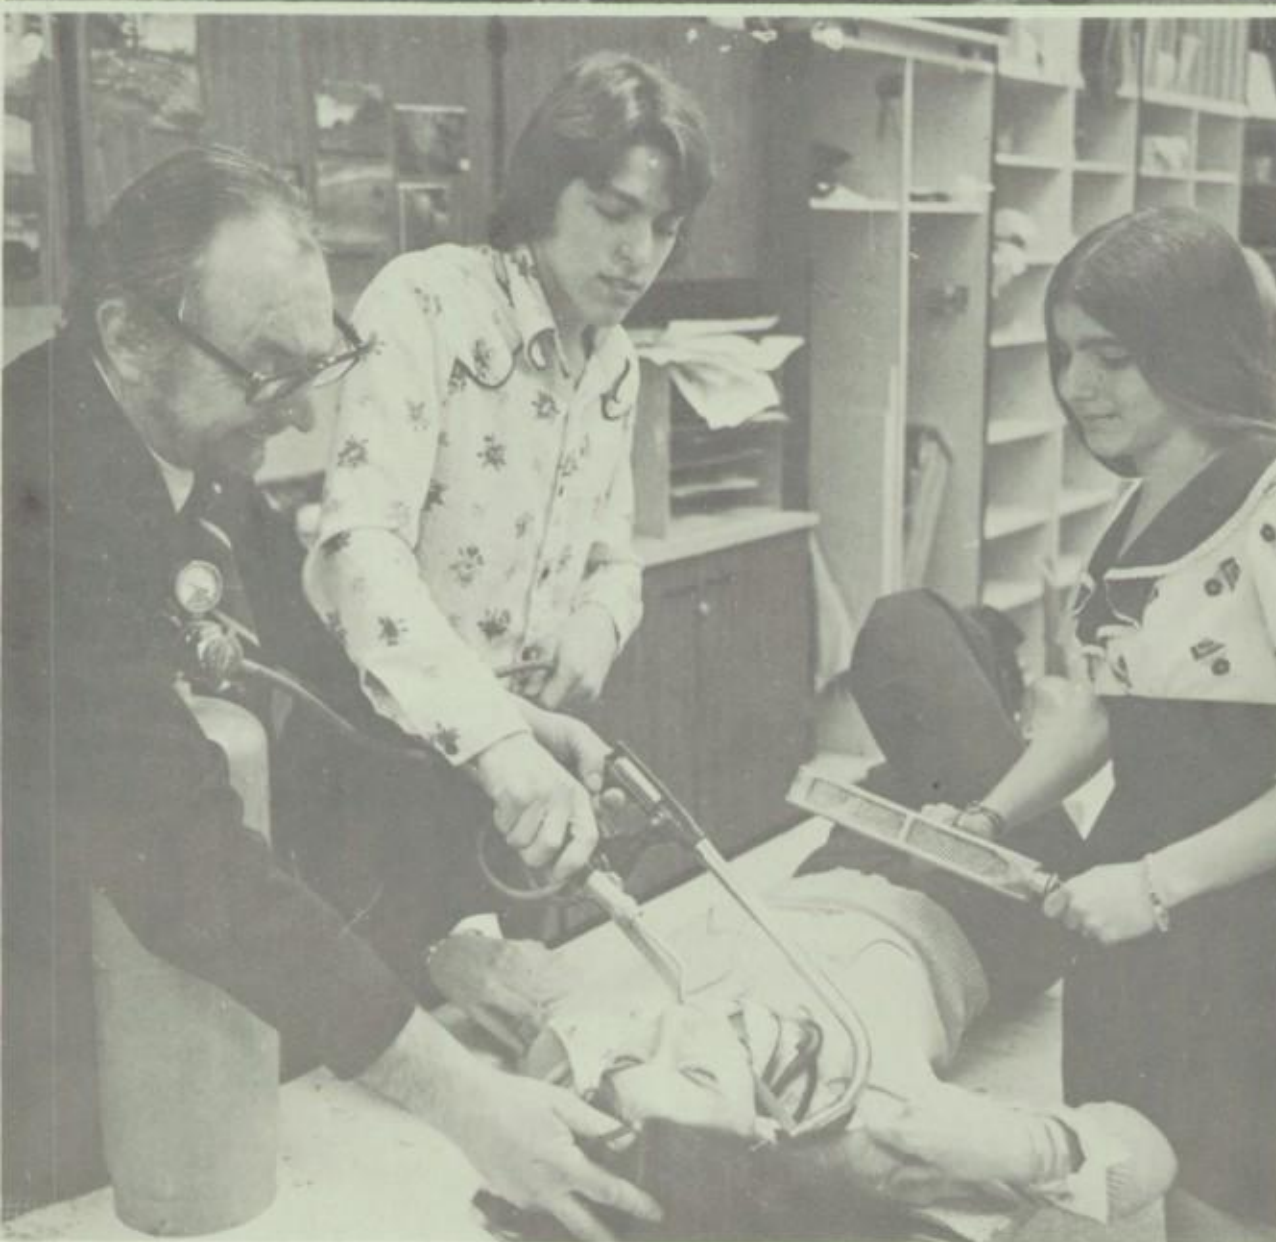

Organizing unusual events, the Art Club worked to bring in the needed funds for a trip to Victoria. The Turkey Shoot and peanut sales were "a great success" commented advisor Mr. John Checkis.

The Art Club provided refreshments for the Miss Milwaukie Pageant, such as homemade punch and cookies. Car washes were established to pay for the round trip

to Victoria. Art Club members assisted with the Annual Art Show as guides, helping with entertainment and the selling of crafts and paintings.

Resurrection Plants were introduced to the club for a money making project. With all these projects and the profits of concession stands the Art Club reached their Victoria destination.

Assemblies increase interest

The atmosphere changed as students gathered in the auditorium during the year observing a solemn Veterans Day, or an orientation for clubs, or an entertaining talent program.

Students silently shared thoughts as 47 names of MHS Veterans were remembered on November 8. No names were needed to be added to the Gold Star Flag as the United States did not have an active involvement in world conflicts.

We Have Heard On High," "Mary Had a Baby Boy," "Carol of the Drums" and traditional carols were features of the Christmas mass choir groups before the extended two week holiday vacation.

Wayne Bergstrom, Huey Traver, Jeff Nordling, Bob Buck, Jim Garber, and Mike Solly became human instruments when their group, "Cobblestone Effect" danced to the music as a strobe accentuated their movements.

Pep assemblies increase spirit

Pep assemblies brought forth some enthusiasm within the student body. The Thespians performed four skits one 'The Tigard High Sunnyside Farm' was one of the hits according to Mr. Geer. Speech also performed during a

pep assembly. They examined all the concepts of entering and being in a talent contest. Varsity Cheerleaders organized and planned the many activities hoping to get the crowd involved in MHS sports.

Seven speak at state tourney

"Hello and welcome to 'Folly Airlines' ! We hope you have a nice trip!" ... Warden! Let me out Warden!" ... "If my panty hose entered a beauty contest, they'd be First runner-up!" These are just a few lines from various speeches that go through the minds of "Berggren's Big Mouths" as they make their way to their speech tournaments.

"MHS hasn't had a debate team for about three years, but this year we started up again. They did

quite well for their first time." stated coach Margaret Berggren. Dave Fuller and Bob Applegate combined their talents to form the Debate team.

"Coming out with 14 first places, 8 second places, 15 third places, 45 finals, and winning the Tigard Sweepstakes Trophy for the second year in a row, 'The speech team really did a fine job, and worked hard for it,' coach Berggren said proudly.

Thespians promote dramatics

Talent and entertainment were two important factors brought to the stage by the Thespians. Both were proven in assemblies in front of the student body and in plays and tournaments in front of judges.

A tournament at Lakeridge opened the dramatic season for eleven members. "Where's Charley" gave all dramatic and musical students the chance to participate in an annual event. The seniors brought murder and suspense through their

portrayal of "Ten Little Indians." The Thespian play, "The Crawltons" took fourth at a tournament at Rex Putnam and was also presented in the Tournament of Plays. Fourteen people took part in the film "Silent Scream," written by advisor Mr. Richard Geer and student director Dan Swan. Initiation was the last event of the year. Eighteen people were sworn in and took their position in the troupe.

Thespians create 'Silent Scream'

Two people with similar frustrations feel trapped and confused. The film followed their escape and conveyed the pain and difficulty of man's modern society. The story shows a man trying to prevent his young companion from falling in with evil forces. Failing in this attempt, the man is destroyed and dies. So the young man is left to find the true meaning of life on his own. The man leaves only a "silent scream."

Silverton, Oregon and Wood-

land, Washington were only two areas where filming took place. The scenic wooded areas and the busy city gave the film contrast and variety. "The Thespians who participated in the film gave a lot of effort to make the film a success," stated Director Richard Geer. "The film demonstrated the acting abilities of both students and faculty, plus the artistic quality of cinematographer Scott Griffith," quoted student Director Dan Swan.

Acting dazzles stage plays

Plays ranged from a hilarious farce of the seniors, "Seven Wives of Dracula," to the depth and imagination of a child's mind in the sophomores presentation of "Childhood." The juniors brought to the audience a true to life production of a meddling novelist who insists that her sister's husband is seeing another woman, but finally realized she made an awful mistake thsi all was conceived in "Happy Ending." The freshman's presentation of "Curse You Jack Dalton" was a dramatic melodrama

of a rich heiress who finally found a proper wife for her son, Jack, but goes to find that her son was in love with a mere common maid and tries unsuccessfully to break it off.

Both evenings were topped off by two non-competitive plays. The Alumni Play, a new edition ot the tournament, was about a determined boy who tried his best to rid his family of a curse that has been passed wond for generations. This was the theme of "Time Wounds all Heals" directed by

'Charley' draws applause

"'Where's Charley?' easily became the best musical ever. The cast was extremely professional in their work," commented drama director Richard Geer.

Set in the 1890's, the comedy had romance, action and a group sing along, "Once In Love With Amy." Two young men faced with the problem of not having a chaperon solve their dilemma when one of them impersonates Donna

Lucia, Charley's aunt. The imposter was wooed for her money by Mr. Spettique and Sir Francis Chesney.

Nearly 1200 people viewed the production during its four day run in November. Miss Sally Iverson arranged the choreography; Mr. Gil Timothy was in charge of the music; Mr. Jack Rudflet designed the stage sets; Mrs. Joan Hiromura supervised costume designs and their construction.

Mystery strikes senior play

As Narracott slowly rowed the unsuspecting eight to the island of grave mystery, panic and terror went through the body of every person. This scene was the dramatic beginning of the Senior Class Play.

Eight people were invited for the weekend by unknown hosts. They found themselves in an empty house with just the butler and his wife to greet them. Life went on comfortably until a voice out of

nowhere was heard. The voice called himself Mr. U. N. Owen, as, it slowly accused each and every person in the room of an act of complete crime from murder to desertion. One by one, starting with the maid, each person was killed according to the rhyme "Ten Little Indians."

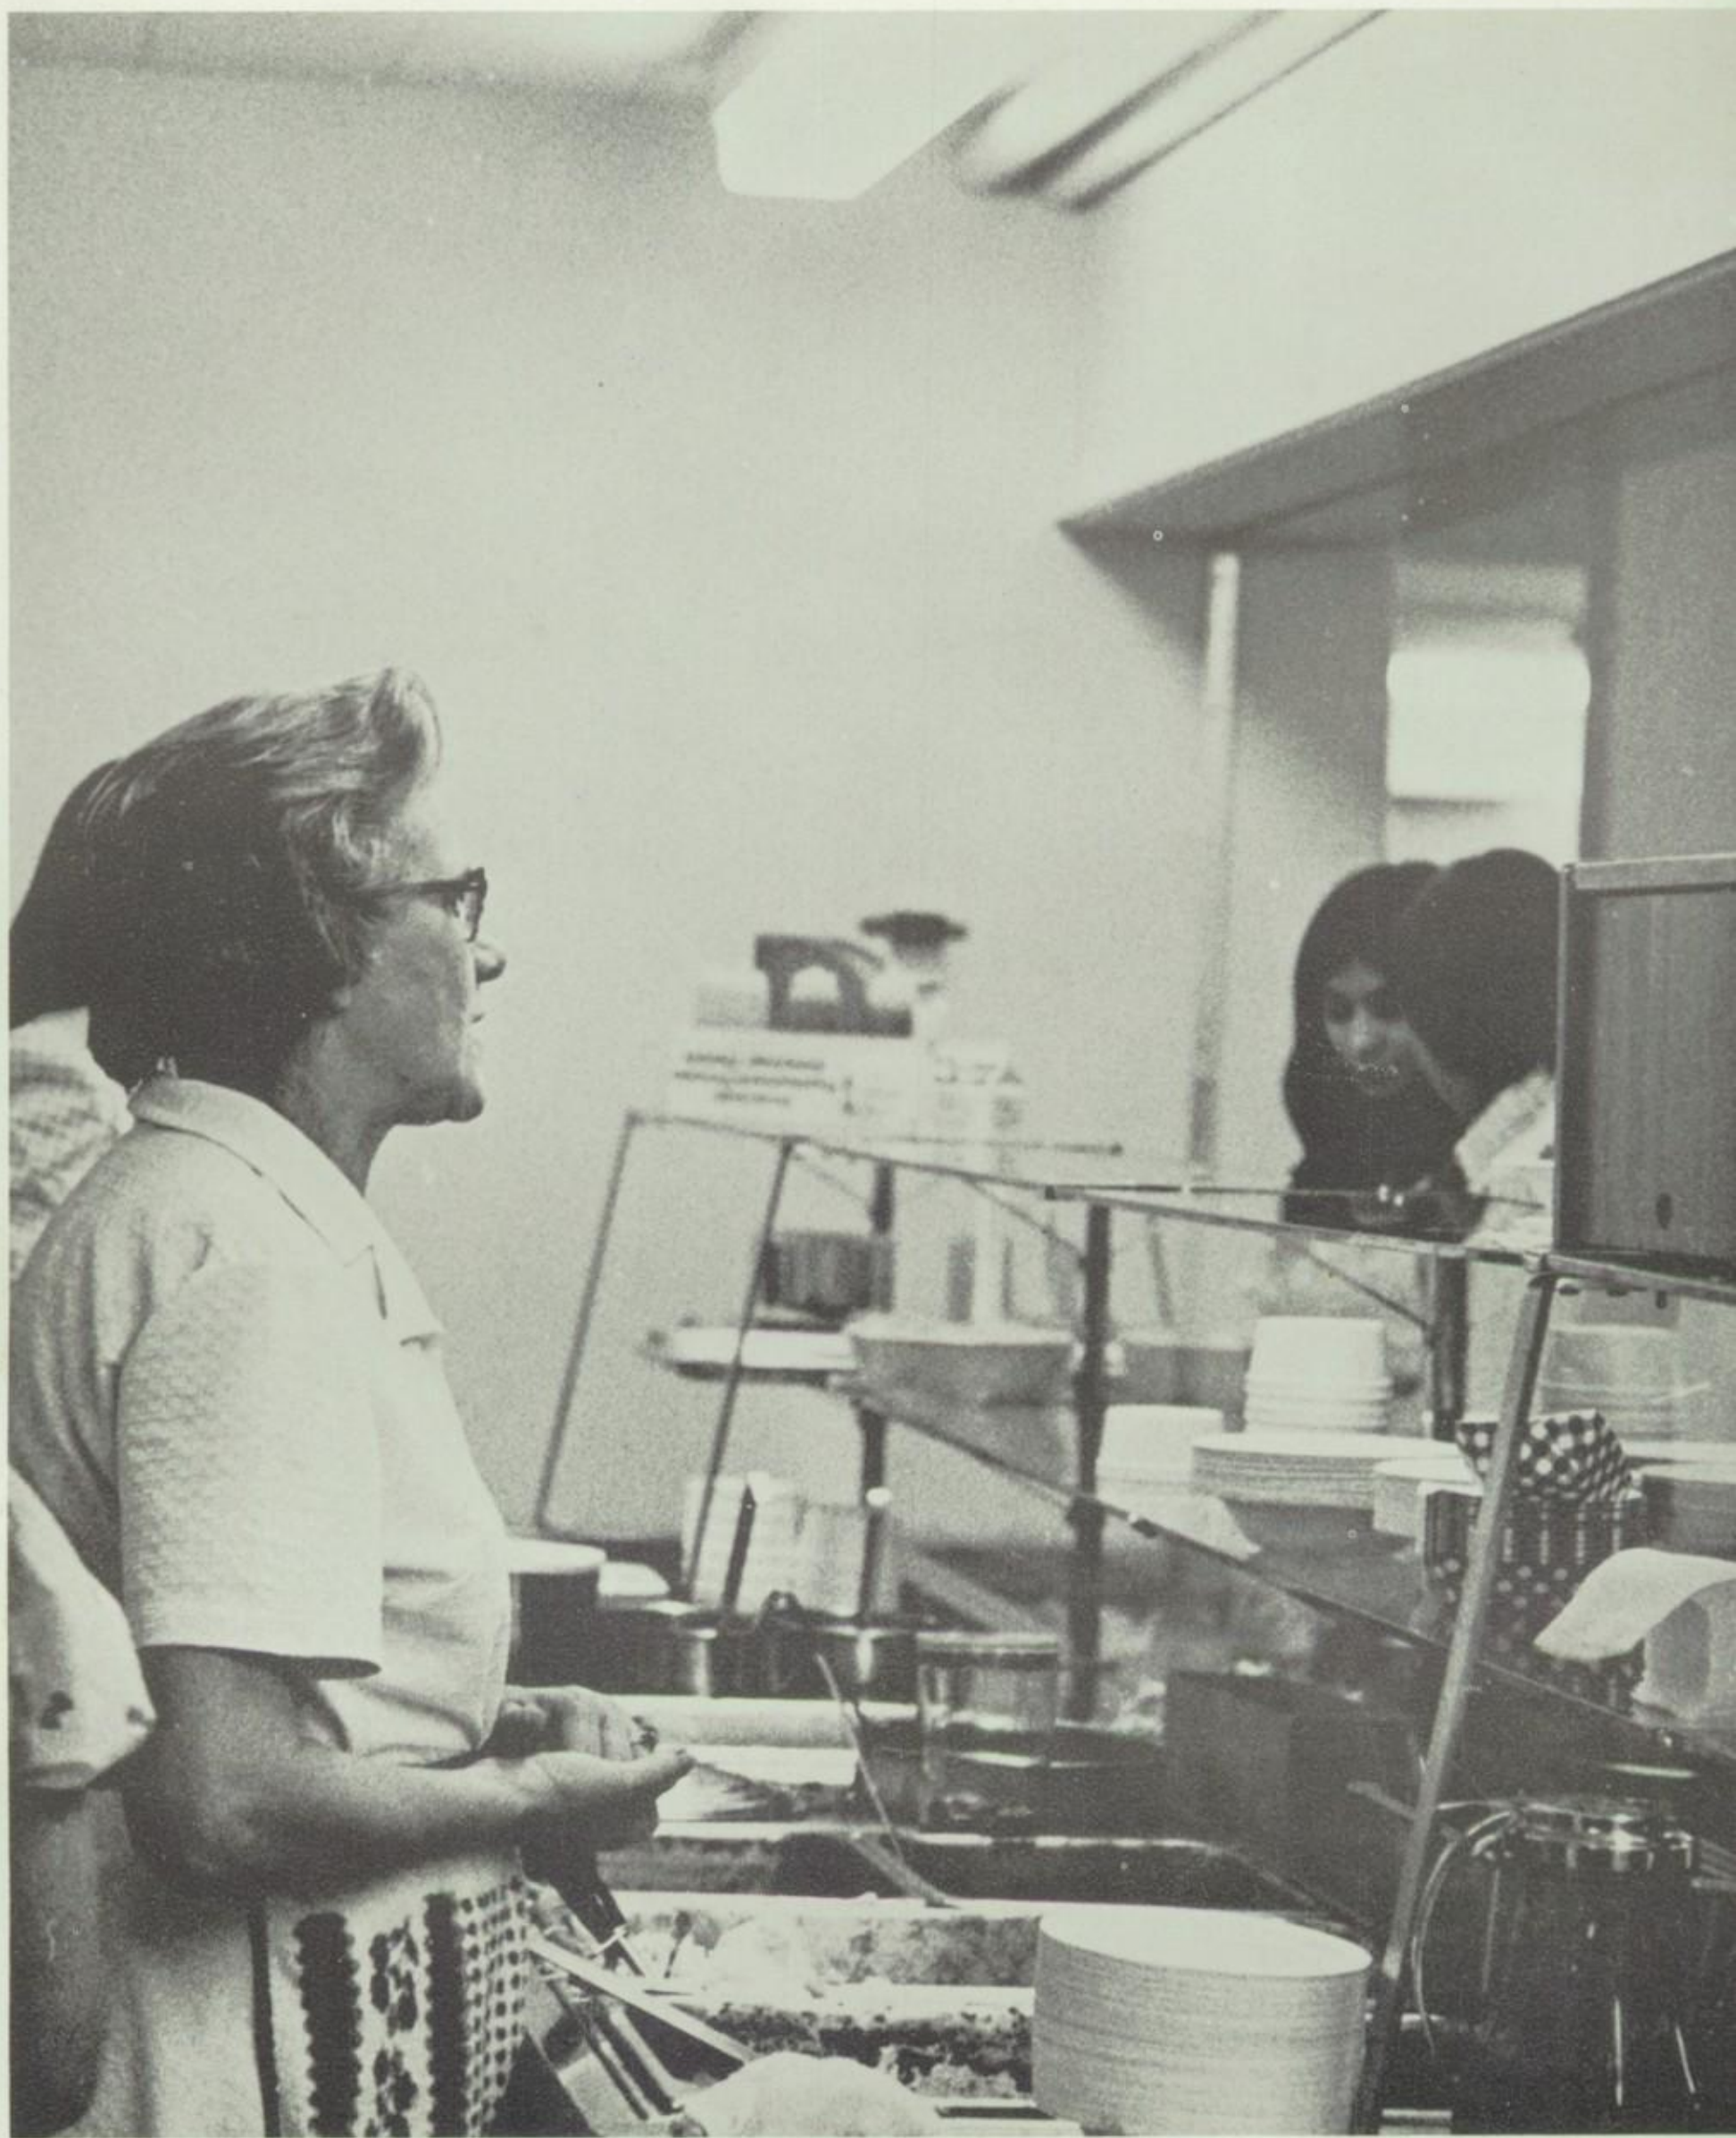

Mr. Richard Geer stated that both the play and the acting were superb. "I am very pleased with the out come."

1935 - 1944

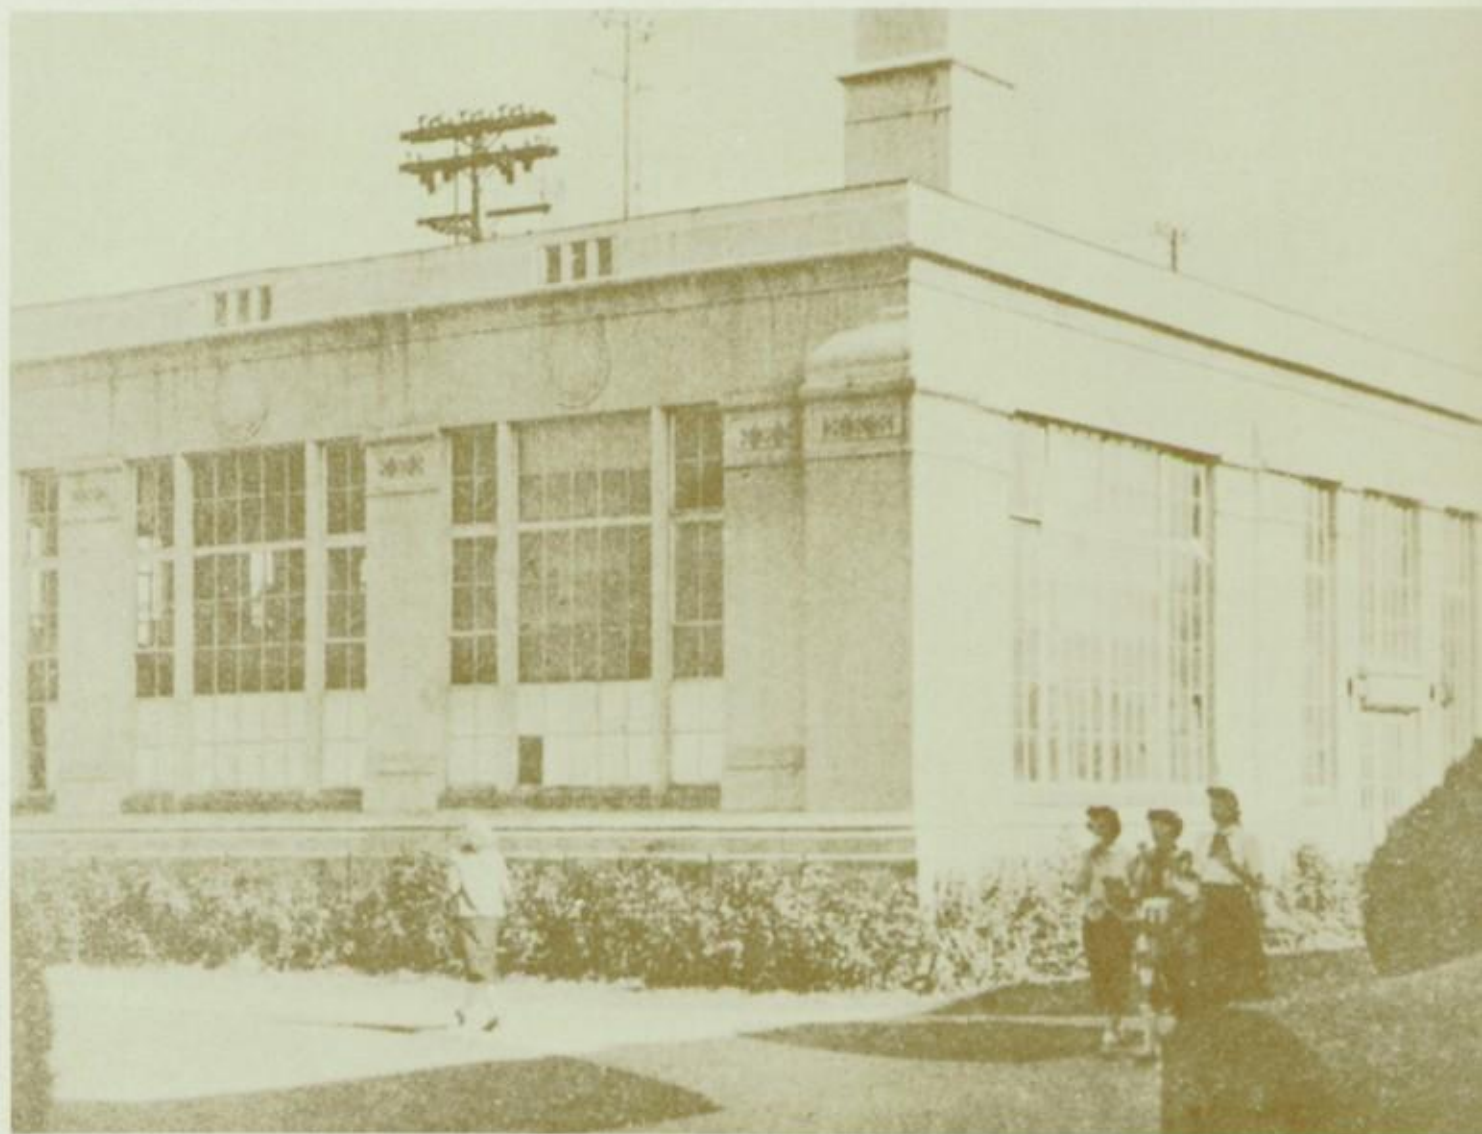

The decade years from 1935 to 1944 were the recovery years for the nation due to the depression in 1932. Programs such as the WPA, TVA, and CCC were established by Franklin Roosevelt in order to help rebuild the nation. Famous people of the time included James Cagney, Humphrey Bogart and the Marx Brothers. In 1936 Jessie Owens was the first American ever to win three gold medals at the Olympics. The late 30's and early 40's will be remembered by many as the recovery years.

At the end of the 1936-37 school year, Mr. Wakefield retired as principal-superintendent of Milwaukie. His position was filled by Mr. Byers, previously, the principal of Rainier High School. Mr. Pattison, the vice-principal, left the school at the end of the 1941-42 school year. For several years, Milwaukie was left without a vice-principal until 1945, when Mr. Thorne filled the position.

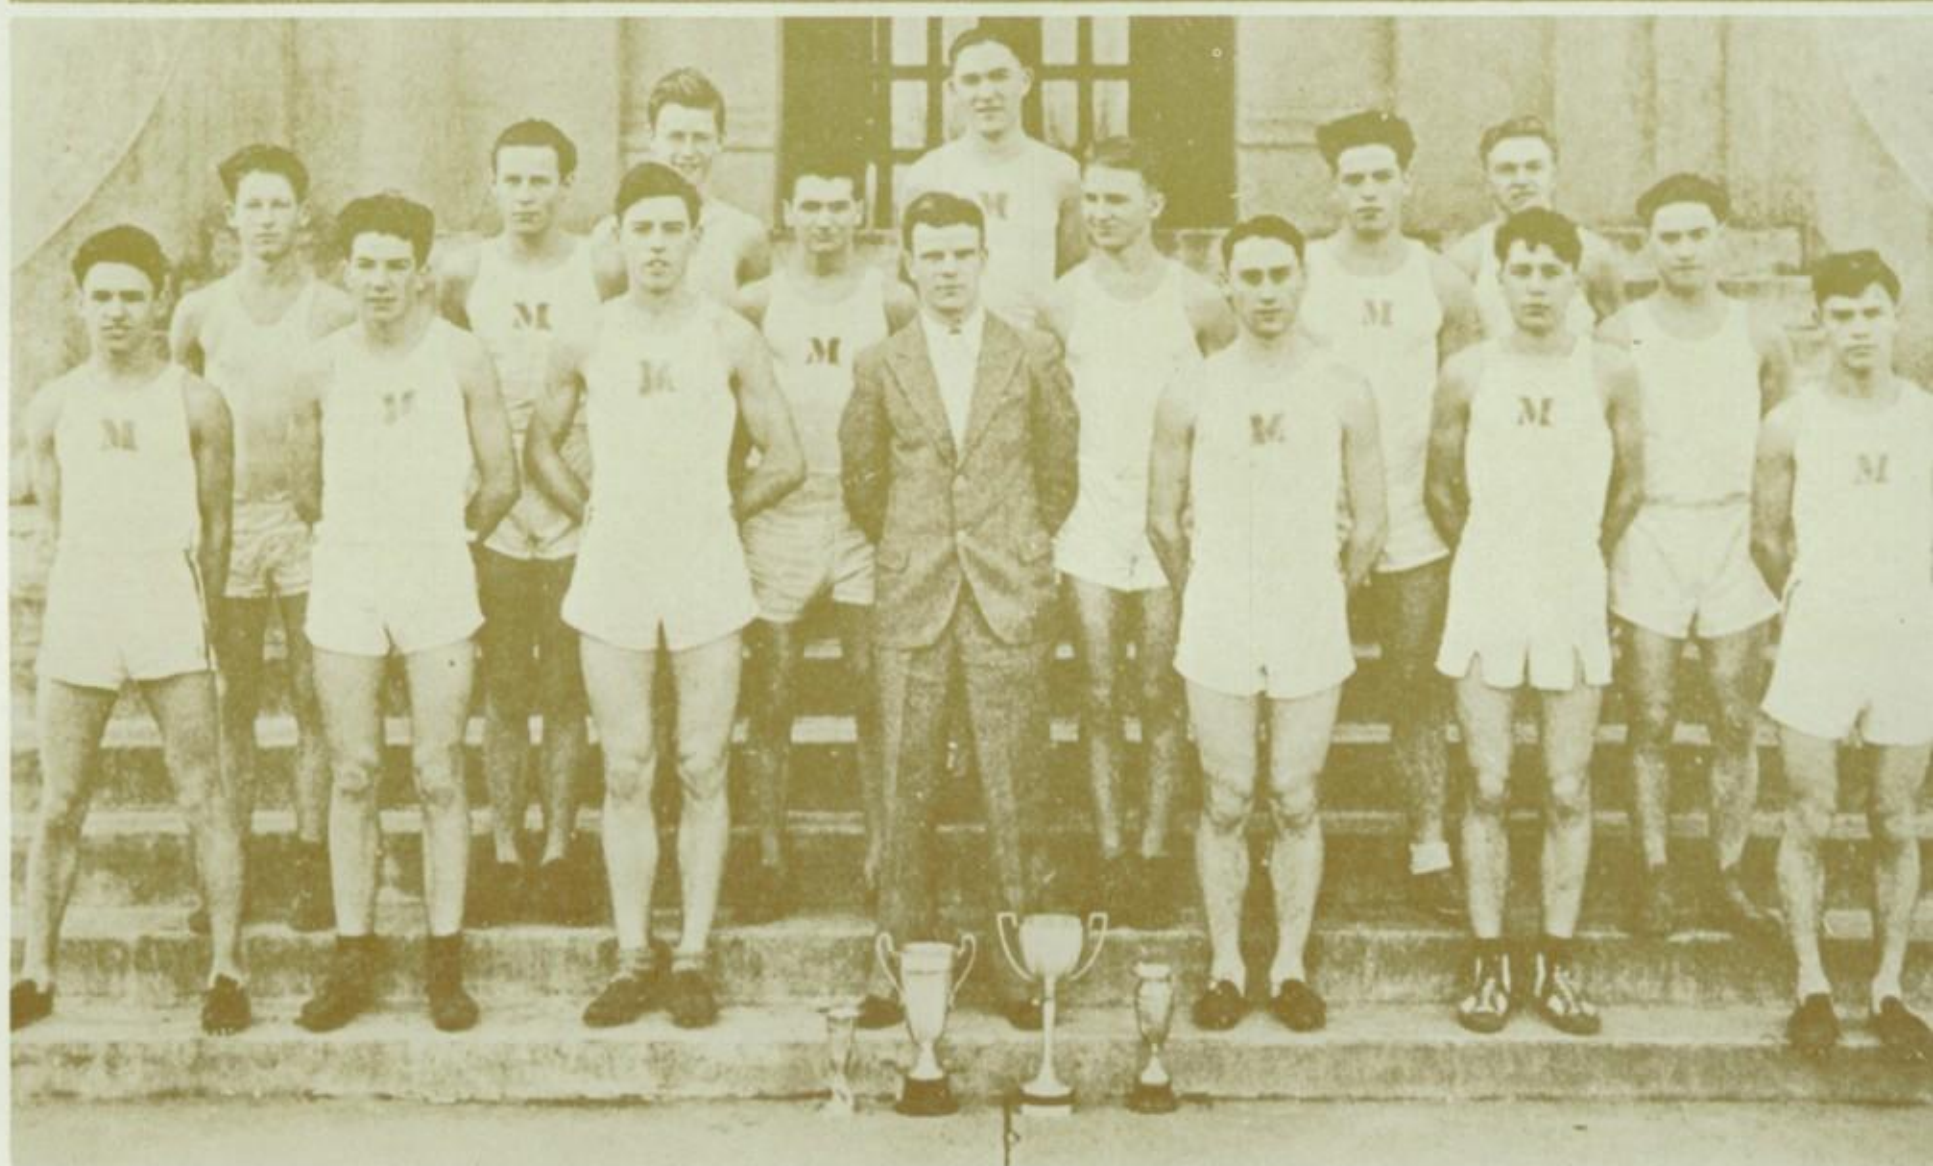

In 1938, when the student body numbered 777, a grandstand and athletic field were built as the school began to expand its athletic facilities. In the same year six classrooms were added to meet the slowly increasing requirements of the student body. An initial PWA grant of \$54,000 was received for the construction of a gymnasium; later an additional \$22,000 was received in the form of federal aid. Featuring facilities for instruction in skills necessary for agriculture, the agricultural education building, in 1941 was completed.

at MHS began with the pre-war, war, and post-war years which marked differences in the Girls' League, Boys' League, dances, clubs and general school moods. Tri-Y and Hi-Y were clubs that sponsored dances.

In the area of athletics, MHS experienced many successful years in such sports as cross country, boxing, and football. The Maroons, a member of the newly-formed No-Name League, earned their first team championship in football in 1938 under the coaching of Thomas Swanson. Other members of the No-Name League included schools such as Salem, Oregon City, Eugene, Corvallis, Tillamook and Jefferson.

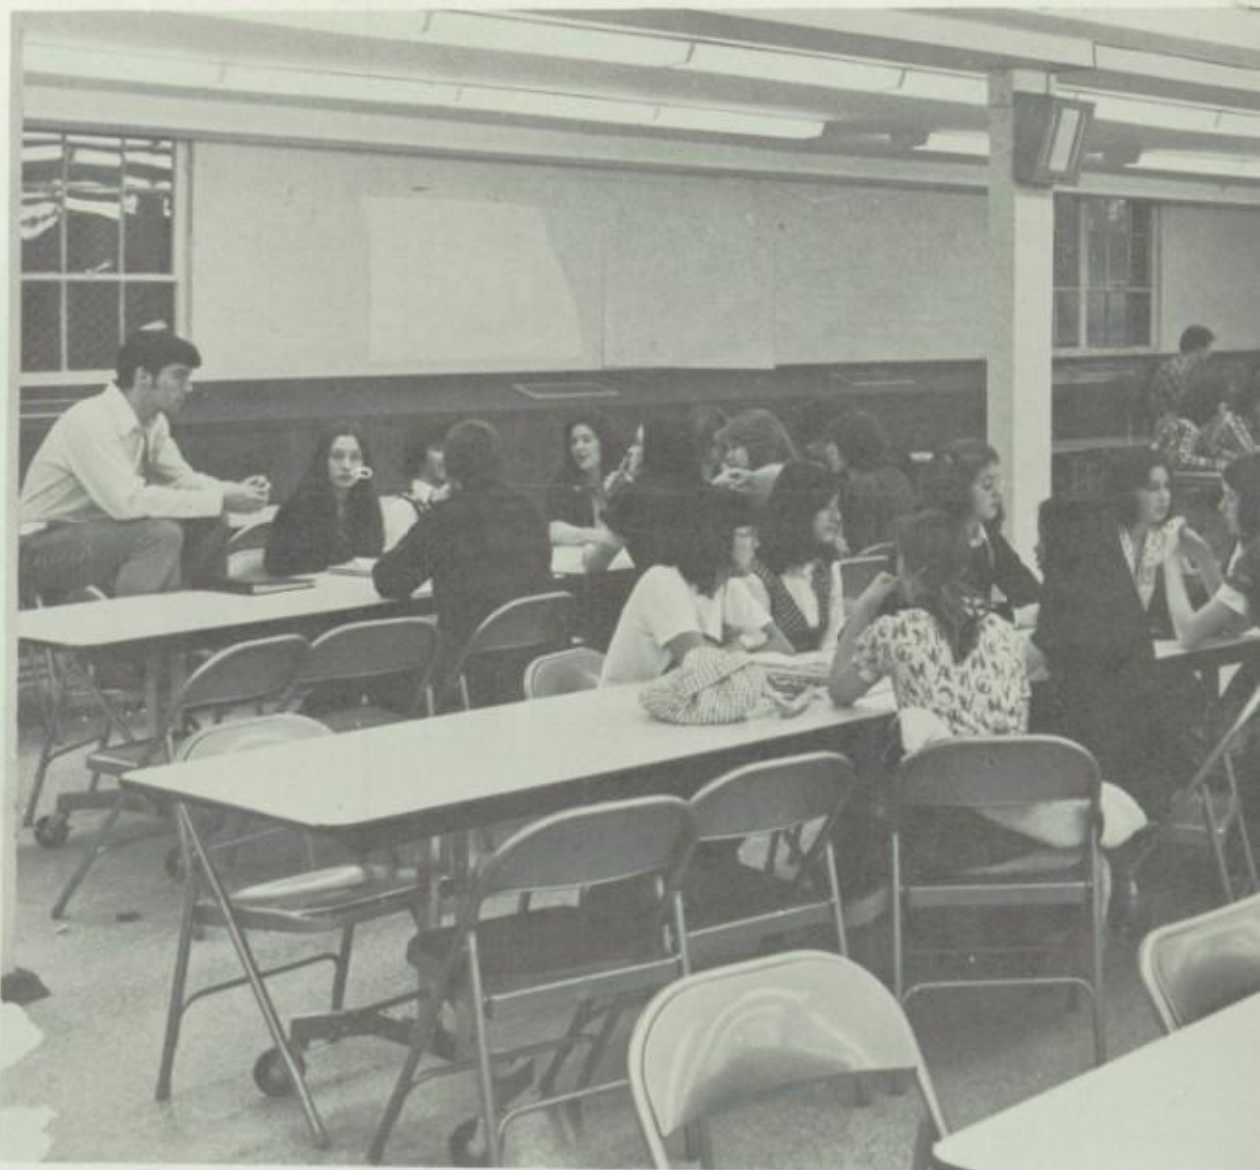

The cross country team, from the early 30's to middle 40's, was rated as one of the strongest teams in the state. In 1935 the Maroons captured the State title. Outstanding runners were Elbert O'Banion, Norbert Meagher and John Howell who all placed several times in the state meet.

The three major winter sports at MHS were wrestling, which started in 1934-35, boxing, and basketball. Tommy Moyer, in 1935, took the Northwest Golden Glove and Diamond Belt Championship in the 126 lbs. division of boxing competition. In 1938-39 Coach Charles Howe produced two state amateur boxing champions, Dick Jamison and Norman Jensen. MHS championship track teams started in 1924, under Coach "Pete" Miller. The Maroons won the Big "9" League Championship for five years in a row, from 1934-38.

Room Reps activate programs

The room reps along with the student council activated many class and individual projects. Bringing the ideas and plans of the student council back to their second period room, the room reps kept their fellow students informed on horse race contest as well as projects to help the needy.

The room reps were involved

with Thanksgiving Boxes, Christmas stockings, Red Cross Boxes and other chairitable projects. The group was also instrumental in the beautification of the school. They joined together with the student council in organizing a clean up campaign along with organizing their classes in door decorations.

Council favors 'friendly' rivalry

"Speaking for the members of Student Council, I can say that we are all really excited about the spirit and enthusiasm of Milhi this year. I would just like to say that with the combined efforts of the Student Council and student body, Milwaukie High School will continue its standard of being one of the greatest schools in state of Oregon," commented student body president, Guy McCaslin.

The efforts of seven Student Coun-

cil members and advisor Mr. Ted Bennett promoted unity and spirit within the student body. The Council met everyday sixth period to plan events that encouraged friendly rivalry between the classes.

The group attended the Menucha Leadership Retreat for two days. Here they met other Wilco League student councils and exchanged ideas and knowledge on the best methods to run a school.

Parents return to classrooms

While students slept in until noon, parents suffered the trudgeries of school work on Trade-A-Day. This day gave parents a chance to remember their youthful high school days. In return the students stayed home and assumed the household chores. The exchange included parents taking tests and handing in homework for their children. Some of the 100 parents who attended went as far as to ride the bus to and from school. The PTA, who sponsored Trade-A-Day, hopes to make it a semi-annual affair.

Students gain knowledge from foreign exchange programs

AFS and Rotary exchange programs enabled students to experience the customs and life styles of other countries. "I feel that anybody if ever given the chance to visit or study abroad, should grab it with both hands. It does not only expand one's outlook on life but broadens one's knowledge as to the interests and ways of living of other people in the world," commented Teresa Dutoit. She was an exchange student from Kroonstad, South Africa and stayed with the Beth Poff family.

Magnus Johannesson was a foreign student from Nassio, Sweden, a town of about 20,000 who stayed with the Chuck Swan family.

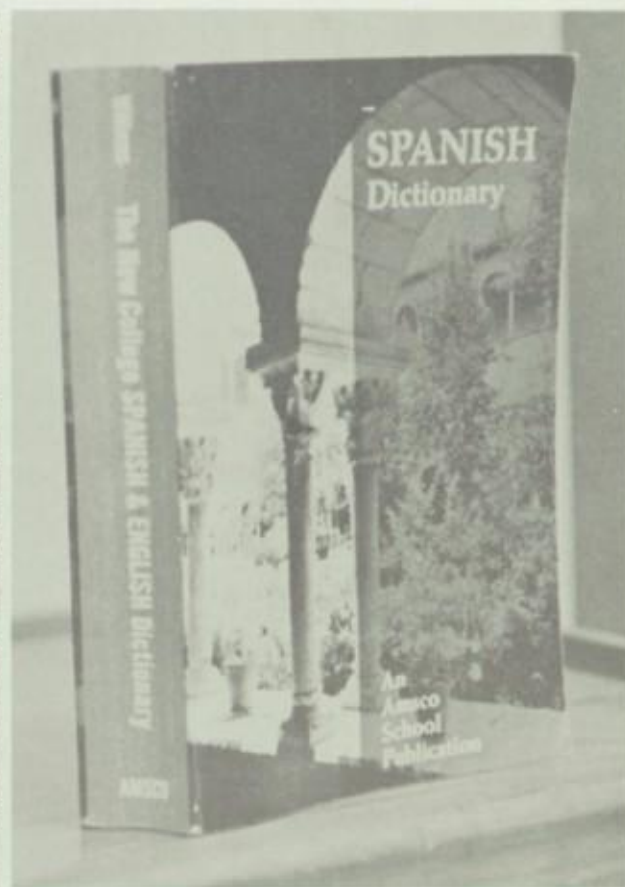

Zoyla Gomez was from Cartago,

Costa Rica and was staying with the Cellio household until August. Kirk Troen went to Costa Rica for nine weeks last summer as a member of Oregon Partners of the Americas.

Ardel Frick was MHS's Rotary exchange student. She spent the '73-'74 school year living in Brussels, Belgium.

Ginger Payne was another Rotary exchange student from MHS. She went to Rolandia, Brazil last summer for two months.

Magnus Johannesson stated "I think the American school is a good experience, as it's quite a bit different from the Swedish school. I think I am lucky that I got to go to Milhi."

Sophs win canned food drive

The purpose of the canned food drive was to collect food for distribution to needy families in the Milwaukie area.

Each class decorated a container to collect the cans. Horse race points were awarded for the best job. The junior class' "can hut" got first place. The senior class' "cannibal" grabbed second. The

sophomore and freshman classes took third and fourth place respectively.

Horse race points were also awarded for the number of cans collected. When all the cans were tallied up, the sophomore class came out on top with some 2000 cans. The juniors placed strongly ... last. They collected 200 cans.

Counselors assume duties

"Screaming Mud", "Sundance", "Bambi", "Long Foot", "Moonshine", "Faline" were some of the code names for counselors at outdoor schools for sixth graders from Seth Lewelling, Wichita, Milwaukee Elementary, Ardenwald, and Hector Campbell.

Over seventy students worked as aides and teachers at Camp Westwind, Magruder, and Trestle

Glen. Camp duties were glamorized with titles as firestick-gathering firewood for evening campfire, Muckamuck-getting food for assigned tables during mealtimes, and Tumwater-cleaning out the restrooms.

Recreational activities included; archery, swimming, hiking, volleyball, crafts and resting.

A.V., Stagecrew spot action

Helping teachers with A. V. equipment, Mr. Rodger Clevenger and his assistants delivered and set up films, records, slides, tapes and the video tape recorder. Intricacies of splicing film and adjusting sound equipment kept students

busy.

The stage crew, which is led by Mr. Ed Penner, managed the lighting and curtains for all drama productions. They also performed all the duties for assemblies.

Behind the scenes secretaries and aides worked to keep MHS operating. Duties included typing 25 to 50 transcripts a day, answering hundreds of phone calls, cutting 575 stencils a month for 60,000 tests, hand outs and memos and managing funds for student fees,

student and district funds and cafeteria expenses. Some filed music, books, schedules and testing data; others maintained inventories of textbooks and library materials. An average week in AV involved scheduling 18 films and 20 plus hours of close circuit television.

Tacos, locks, bees take time

Tacos, pizza, and spaghetti are MHS favorites. Students also favor bargequed meat balls, stew, and chocolate milk shakes. Mrs. Carico stated that the inflation prices of sugar and flour is causing extra concern this year. The cooks who begin the day about 4 a.m. use 20 gallon kettles and jumbo size cookie sheets to prepare for the noonrush. "I made 12 pizzas 2' by 4' size today, and I'm hoping we don't run

out," Mrs. Carico smiled.

Custodians rescued about 25 jammed lockers weekly because of broken combination locks. "We hope to update locker combination locks during the summer of '75." Mr. Elliot said the challenge of garbage in the cafeteria goes on and on he added. A new problem demanded when room 303 and 304B were invaded by bees nesting in the attic.

Knowledge

1945-1954

During 1945 to 1954 only one major administrative change took place. Mr. E.D. Byers retired in 1952 after serving 15 years as both superintendent and principal. Mr. Owen Sabin then became superintendent in 1952; taking over the duties as principal was Mr. Jerry Lillie.

Because of the post-war building boom and the population move to the suburbs, the district decided to add a south wing onto the building in 1948. The wing added 13 new classrooms, a lounge, a clinic and new offices.

Four years later the next major structural change took place. The wooden facade was removed from above the entrance steps. In the chemistry room the large oak desks were replaced by formica top lab tables.

Scheduling was changed in 1952 to include four classes in the morning, one lunch period and two classes after lunch. The district started to run buses Monday through Thursday. Student body cards with the student's pictures on them were introduced for better identification.

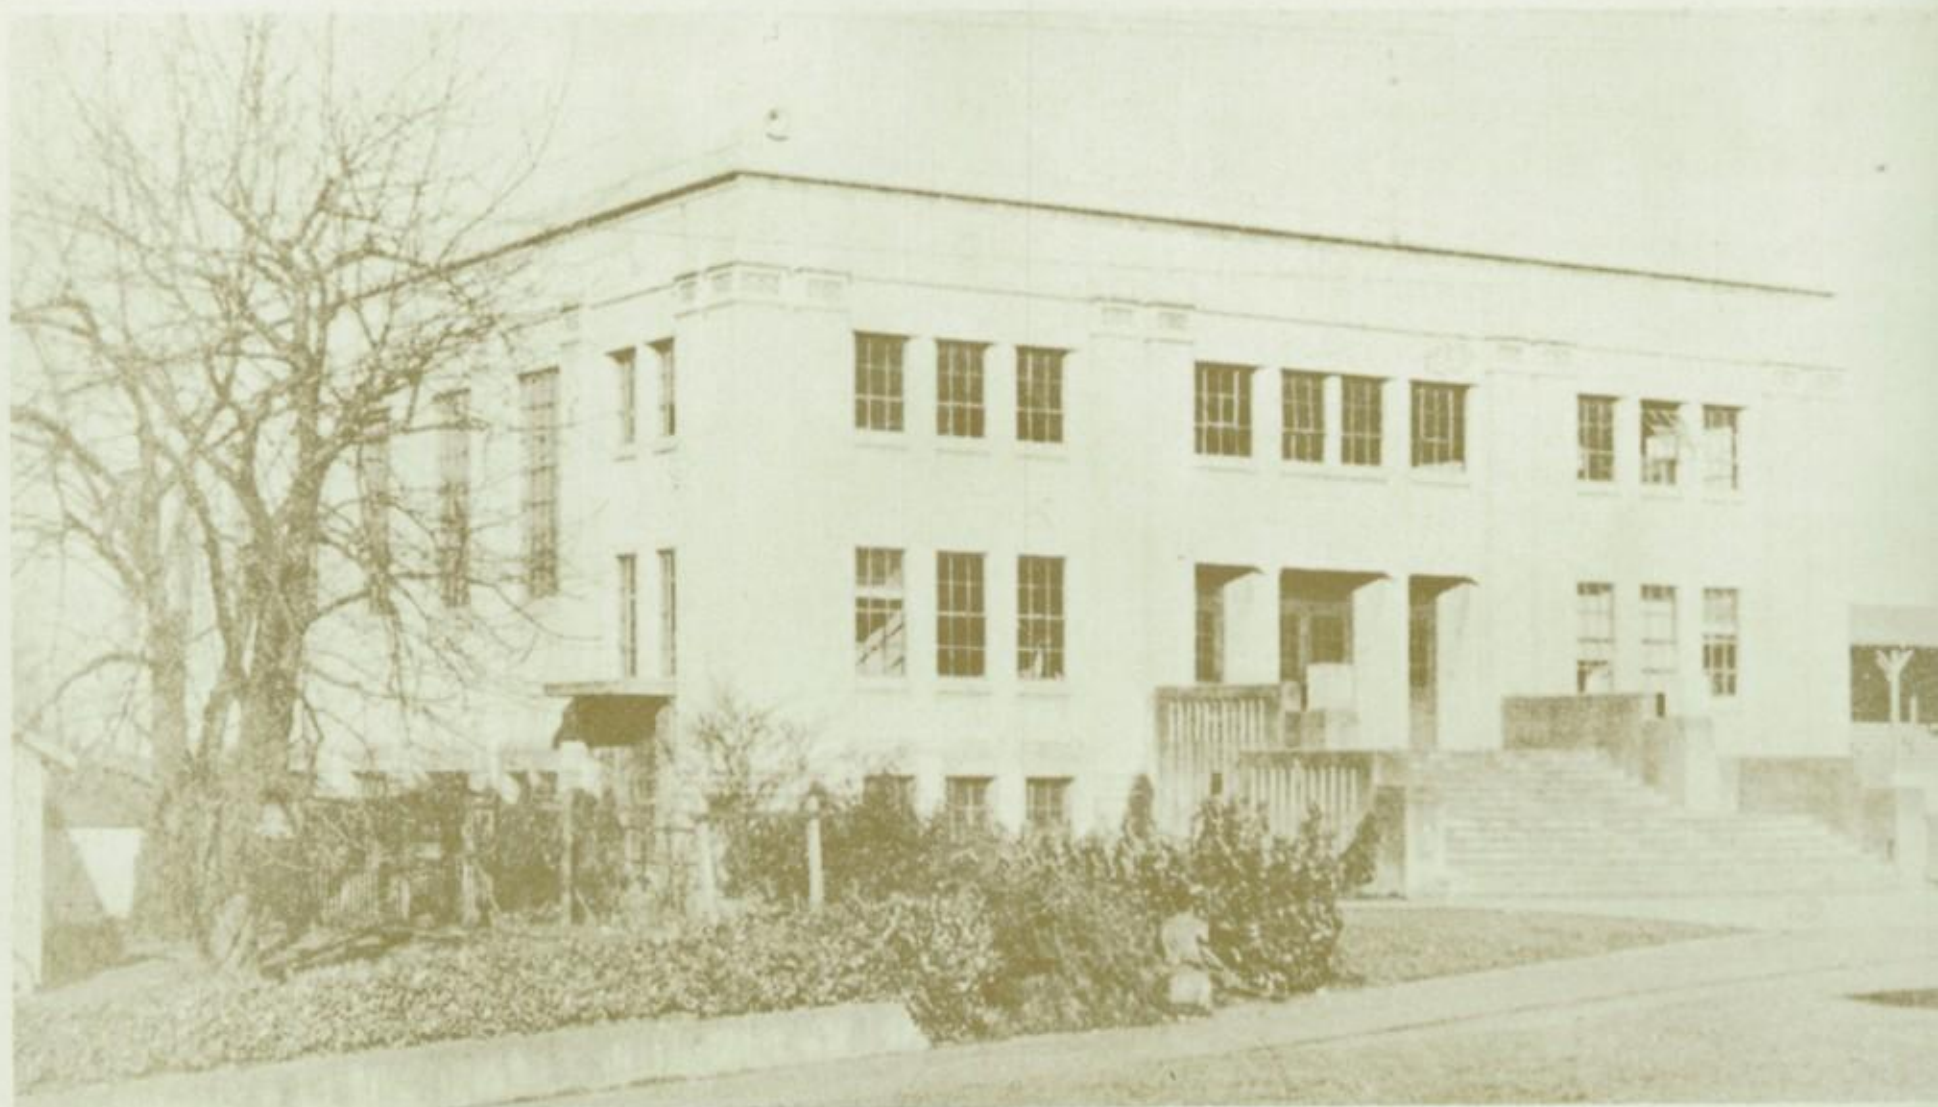

That same year administrative policy towards clubs changed. Clubs could no longer charge admission to assemblies, but they were expected to sponsor at least one assembly a year. Clubs also couldn't have separate bank accounts; all money was to be handled through the bookkeeper.

The Sadie Hawkins dance originated in the late 40's. The dance topped-off "Hello Week". The Sweetheart Ball started in 1945. Fall Homecoming began in 1953. The queen was voted on by the cross country and football teams.

The Girls League became a

major organization in 1950 after Mrs. Thelma Ferriss became advisor. The annual scrapbook came into existence and was judged on a state wide basis. Mrs. Ferriss also introduced Big and Little Sisters.

The top sport story of the decade was the 1954 State basketball championship. Under the direction of Mr. Wayne Sturdivant, MHS basketball captured the District 12 championship from 1948 to 1952. The team dropped to second in 1953 but came back to take State the next year with a 21-1 record.

The football team won three straight District 5 championships beginning in 1947. Coach Merritt McKeel directed the team to a perfect 8-0 season but lost to Hillsboro in the quarter finals. During this same time another fall sport, cross country, enjoyed success. The harriers in 1948 went undefeated and placed fifth at State.

The successful track team never failed to place third or better at District during the ten year period. In 1948 and 1949, Chuck Missfeldt took the State javelin title. His best mark was 211' $\frac{3}{4}$ ". Bill Fredricks was another double State winner. He captured the 180 yard low hurdles title in 1953 and 1954. The baseball teams were continuous winners during the decade. The climax of the decade for the baseball team was a third at State in 1954.

The most notable Mustang to come from this period was Jerry Zimmerman, who was selected to the All-State basketball and baseball teams in 1952. He later went on to make a career out of baseball in the major leagues.

Administration adopts ideas

"The administration of Milwaukee High School placed a high priority on open communication between the students, staff, parents and patrons," said Mr. Gene Owens. Communication and participation were the goals for the administration during the school year. Mr. Owens encouraged community involvement in school affairs by holding informal coffee hours every Thursday morning. The meetings were designed to open the doors of communication between citizens

of the community and the administration. Teachers were encouraged to meet in small groups to discuss ideas and problems. The "Administration Team" consisting of Mr. Owens, Mr. Tone, Dr. Muno, Miss Whitehill and Mr. Rhode, met regularly before and/or after school to discuss ideas. "Active and positive participation by all in each phase of the schools academic and activity program was vigorously encouraged," said Mr. Owens.

Counselors aid 1000 students

Handling over 11,000 interviews in person or over the phone, the counseling department solved problems in scheduling and personal counseling department solved problems in scheduling and personal opportunities, college placement, grades, scheduling changes and personal problems. Besides their work with MHS students, the counselors also tested and helped schedule approximately 1,100 eighth graders in the Milwaukie area.

Top 10, Savants excel

Meeting after school on Fridays, the Savants Club prepared to choose the High-Q team for competition in the Wilco League, but J.K. Gill's withdrew sponsorship from the KGW-TV show. The other Wilco League schools lost interest and expressed no desire to compete. The Savants stayed together and

continued to meet.

Because of ties in grade point averages, eleven made the top ten of the class of '75. Virginia Barrett, Liz Englund, Greg Getschman, Debbie Holloway, John McMillan, Judson Owens, Ginger Payne, Beth Poff, Mark Recker, Janet Schulz, and Chris Wanner maintained a G.P.A. above 3.9 for four years.

Clubs program activities

Computer/Radio Club consisted of students whose interests were in the general field of computers—both programming and electronics. Most of the students were involved in writing programs for games, simulations, etc... Members worked many hours during and after school. Computer/Radio Club advisor was Mr. Gerald Larer.

Future Farmers of America had a small but willing group. Their

activities included livestock judging and leading, elementary school tours at the Pacific International Livestock Exposition and judging at the Angus Association Field Day. They also participated in the state FFA convention in Roseburg in March. Chapter leaders were Freshmen, Melani Barnes and Don Porter. The FFA advisor was Miss Jaque Deeds.

Mu Alpha Theta multiplies

Mu Alpha Theta, with advisors Mr. Larer and Mr. Havlicek had a busy year. Monthly meetings were held during the first-half of the year. Elections and the planning of activities took up the major amount of time.

Mu Alpha Theta traveled to the University of Oregon Medical School Speech and Hearing Center to hear Dr. Cathryn Smith, an electron-microscope specialist who explained many aspects of

her job. On the ride home the bus stopped at the Tastee Freeze for refreshments.

During the Christmas season members were busily making presents for first graders at Wichita Grade School. The climax was giving the first graders a Christmas Party.

The annual banquet was held on April 24 to initiate 20 new members bringing total membership to over 50.

Ninty-three members made up the national scholastic organization. Fifteen percent of the seniors and ten percent of the juniors were chosen for their ability to obtain 3.5 to 4.00 GPA'S. The officers were John McMillan; President,

Greg Davis, Vice-President; and old members brought pot luck dishes for the April 24 banquet where new members were initiated. Achievement pins were given to recognize students who had been on the honor roll for four years.

Power

1955-1964

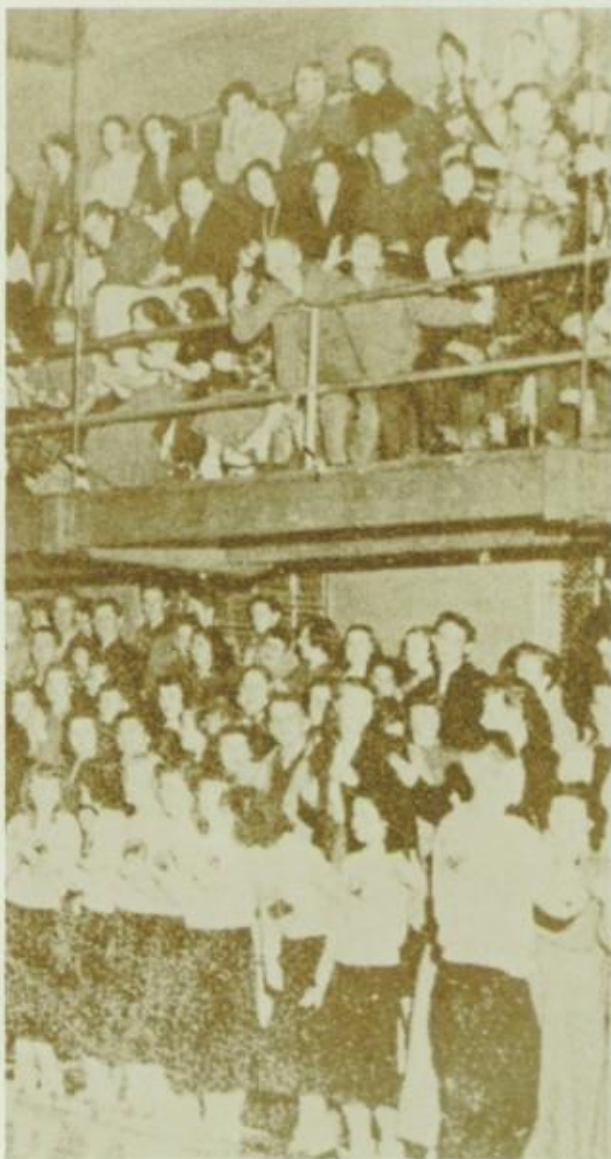

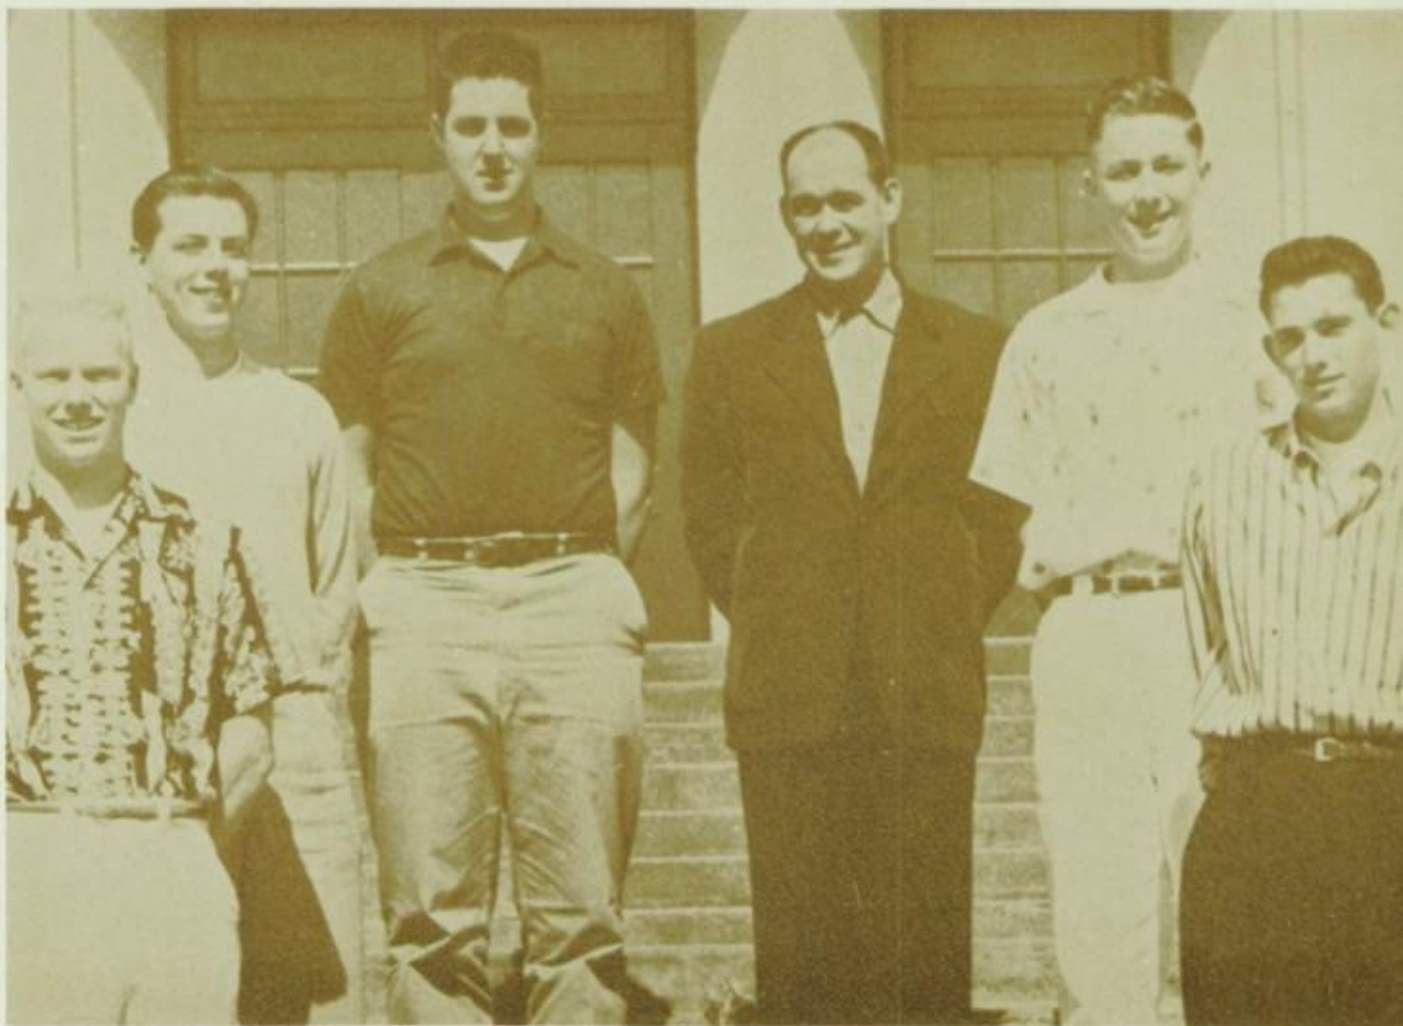

During the years of 1955-64, Mr. Owen Sabin served as superintendent, and Mr. Jerry Lillie continued to serve as principal. From 1953-55 MHS had no vice-principal. Mr. James Adamson, in 1957, left his post to become principal of the newly constructed Clackamas High. Again there was no vice-principal until 1960 when Mr. Clif Millen took the position as second in command.

Structural changes occurred to modernize MHS. No additions were made as enrollment dropped in 1958 when the second high school in the district Clackamas opened.

In 1958 a large remodeling job was undertaken to change the entrance to the basement level. This remodeling required removing the steps which had led to the first floor. The basement, renamed the first floor, became the location of the main offices. There was also space allotted for classrooms on the lower level. The previous entrance then became the typing room. The elevator shaft was installed to move heavy items with greater ease. This project was not completed until several years later because of lack of funds.

A Boom-rah-rah yell during a football game in 1961 caused alarm. The grandstand swayed, and students were evacuated. Inspection showed that the footings and bracings were rotten. Money was spent to repair the grandstand in the summer of 1962. This expenditure was unfortunate because the high winds of the Columbus Day storm of October 1962 destroyed the bleachers. A larger and stronger grandstand was built in 1963. The location was changed to the rear of the gym. During this time home

football games were held at Clackamas High's field.

With the grandstands relocated it was decided that the track, football field and the baseball diamond should be relocated. All of these sport facilities were reconstructed to correspond with the location of the new grandstand. The track was enlarged to a quarter-mile track and was the first high school track in the state to have a rubberized asphalt surface. The football field was entirely returfed.

At this time the enrollment of MHS again increased. There were no more wings added because in 1962 a bond was passed for the building of a third high school in the district, Rex Putnam. This school reduced the high enrollment of both Clackamas and MHS.

On July 8, 1963 the gym burned in one of the worst fires in Milwaukie history. Since the main walls remained, the new gym was built within the same framework. The new gym had a smaller seating capacity, but it had more classroom and locker space. It also contained a large upper gym and a smaller gym in the lower level. While the gym was being rebuilt, home basketball games and Wrestling matches were held at Putnam High. The new gym was open for use in the 1964-65 school year.

In 1956 a small group of choir members formed the Ensemble. In 1963 the group was renamed Pony Pipers.

The tradition of a Winter Homecoming Court was begun in basketball in 1955.

The Miss Merry Christmas contest was originated in 1956. A friendly class competition inspired

1955-1964

students who went into the community to collect canned food for charity.

Mu Alpha Theta, the youngest of the honor clubs, was formed in 1962 to recognize student achievement in mathematics.

MHS has had several accomplished wrestling men since the sport was first organized. The Mustangs, with a season record of 14-0 won the valley Coast League and District No. 5 Championships in 1955 to 1956. The nine men who went to State captured a 5th place. The coach was Mr. Denny Miller.

The varsity basketball team, under Coach George Crandall, after a state championship in 1954, returned to State in 1955 to finish in 5th place. In 1961 and 1962 the team won the Metro League Championship with the 1961 team placing 2nd in State also under Coach Crandall.

The track team placed either 1st or 2nd in the Metro League from 1956-1964. Only one year did the Mustangs fail to place 2nd or above in the league.

Under the coaching of Herb Booth, the Mustang golf team won the State Golfing Championship in the A-1 League in 1956 and 1957. Tom Shaw, who is now a pro golfer and who won the Bing Crosby National Pro-Am and the Hawaiian Open in 1971, was named an All-State Player in 1957.

The over-flowing Willamette River, Kellogg Lake, and Johnson Creek caused damage which exceeded \$10 million in the Milwaukie area in 1964. Almost 200 homes were inundated and many businesses were severely damaged.

Harriers trample 8 opponents

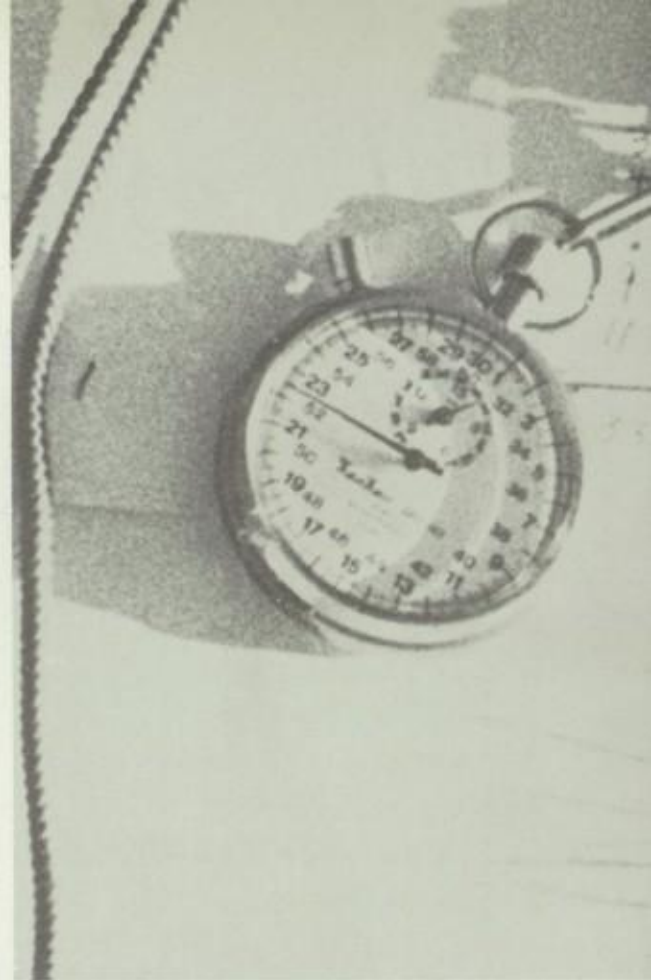

Fifth place at District climaxed the first winning season for the varsity cross country team in four years. Kori Hasselblad, competing for the totally new girls team, qualified for state with a fourth at District against 50 other girls and placed 29th at state in a meet with over 100 girls.

Mark Recker, voted most valuable for the second year by his teammates, was the top harrier capturing the tenth spot at District. The most improved runner Dave Schwartz finished five places behind

Recker.

The freshmen season was highlighted by Dorsey Hasselblad running away with the freshmen District crown. Dorsey suffered only two defeats in the entire season.

Mr. Hal Jackson sees nothing but roses in the future with five returning lettermen and the freshmen champion. At the banquet held at North's Chuck Wagon, Mr. Jackson said that this was one of the best groups of kids to coach and especially landed the efforts of Korri Hasselblad.

Gridders claw arch rivals

Finishing the finest season in school history, the Varsity lost a heartbreaking championship game to Lake Oswego 21-20. The team was led by new Head Coach Jerry Harn and assistant coaches Rusty Law and Larry Wilkins. Highlighting the season were wins over rivals Lakeridge 35-20 and Clackamas 9-8. Lakeridge at that time was rated the number two team in the

state but after the sound beating, they were dropped from the list. After falling behind 8-6 against arch-rival Clackamas, Kicker Mike Solly booted a fourth quarter field-goal to make the score 9-8. In the final regular season game the gridgers ran through the Tigers defense for a 39-0 score for a Homecoming victory.

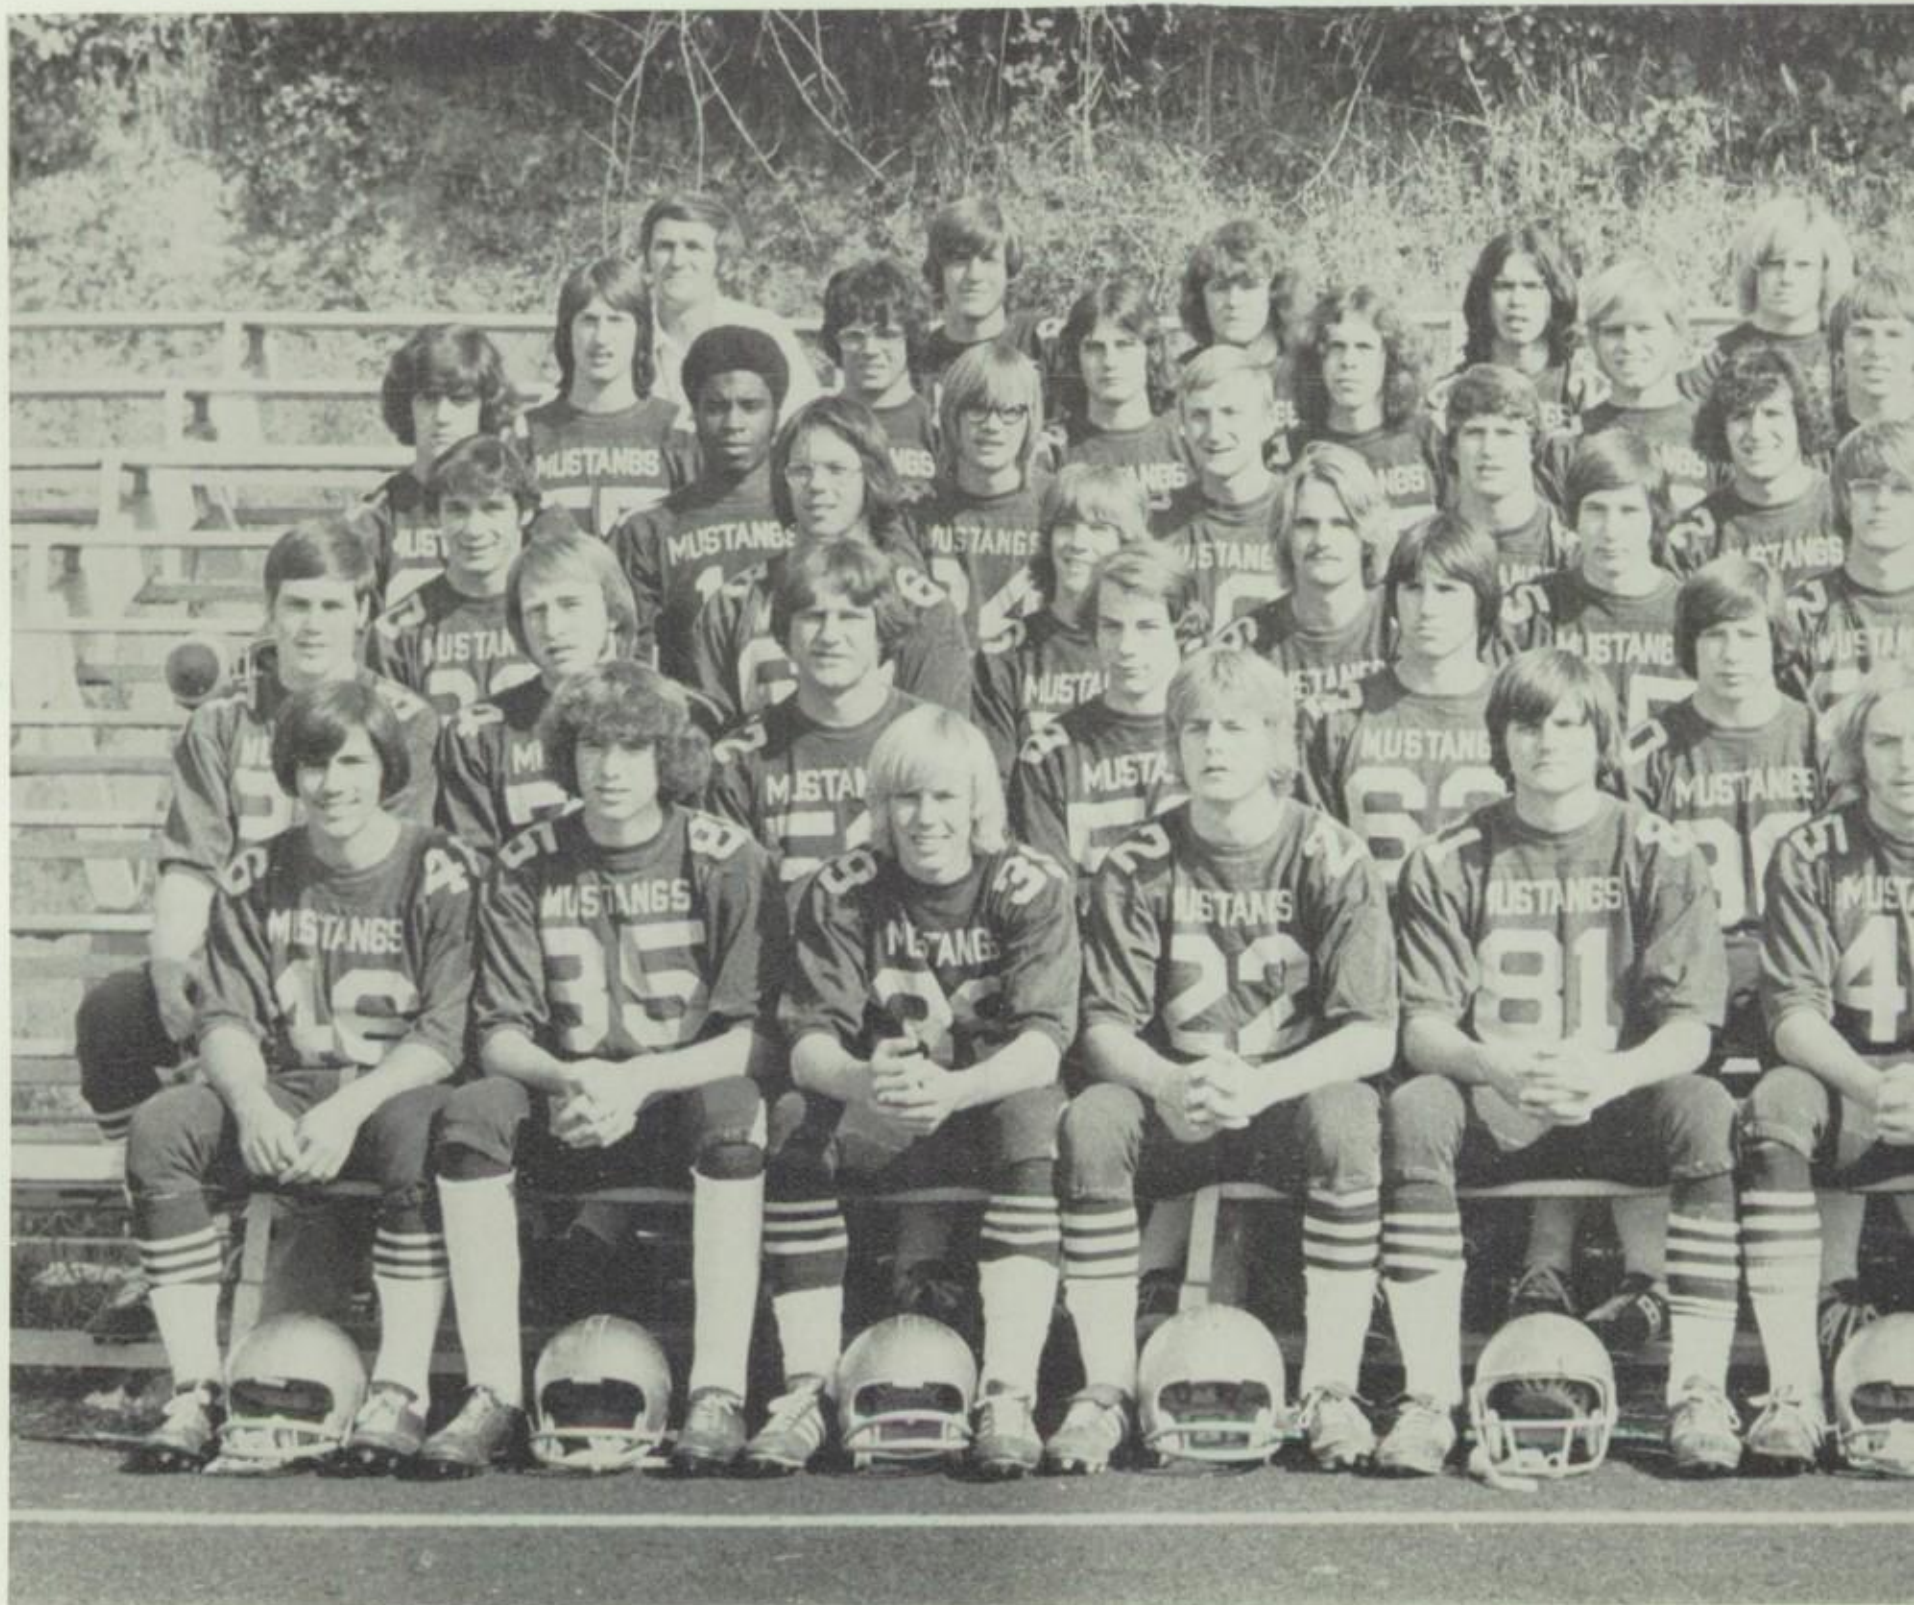

Ten receive Wilco honors

Twenty-one seniors participated in their last official varsity football banquet. Voted Most Improved player was Robbie Bryan, and Most Inspirational was Guy McCaslin. Four players shared the Most Valuable player award — Mark Lewis, Jim Garber, Jim Owens, and Steve Gratton.

Ten players were named to the all Willamette division squad. Offensive linemen Jim Garber, Wayne Bergstrom, Matt Osborne along with end Mark Lewis and fullback

Rick Hastings were named to the offensive team. Defensive backs Jim Owens and Robbie Bryan were voted first team defense as was defensive end Rick Cartasegna received All League Kicker was Mike Solly.

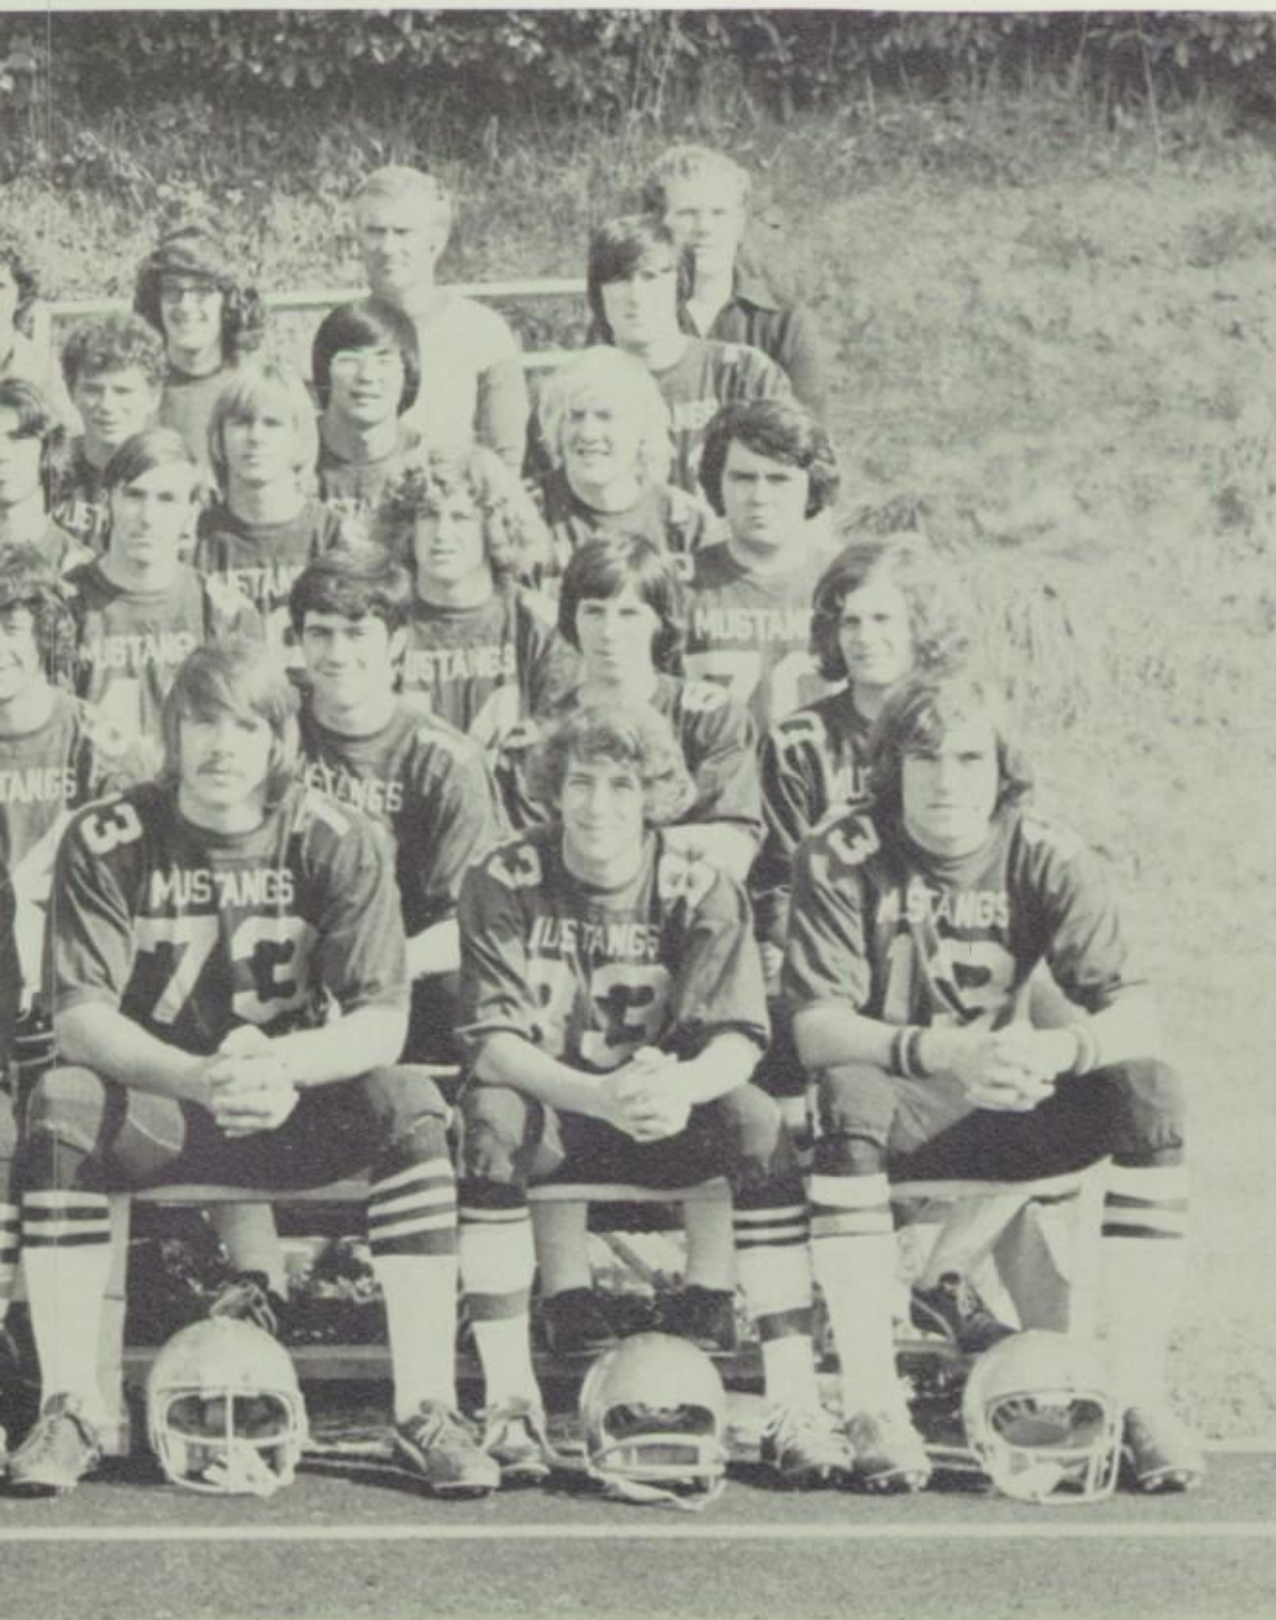

The All-Metro team selected by the Oregonian, picked Wayne Bergstrom first team offense, and Jim Owens was also named by the Oregon Journal to their All State team. Named to the second team All-Metro were Mark Lewis and Matt Osborne on offense.

JV duplicate varsity record

The JV had one of their best years as they won the Willamette Division with the overall record of six wins and three losses. They seemed to be repeating the Varsity squads position as they too lost to Lake Oswego for the Wilco League Crown by a slight margin. Their hopes for the title slightly dimmed

as Mike Martin, the sophomore quarterback, was drafted to the varsity to play for injured down quarterback, Steve Gratton, who ended the season early with a collarbone injury.

Doug Duvall was named most valuable player and Rick Delance was named most valuable lineman.

Freshmen teams gain wisdom

Both freshmen teams suffered disappointing seasons because of injuries. At the beginning of the year a large number of freshmen came out, but as the season dragged on a majority quit football. Mr. Hank Cedros, head coach of the frosh "A", highly praised the few who stayed with the program. "Those who stayed out worked hard and kept on trying even though odds were against them," continued Coach Cedros.

Running backs Mike Klobertonz, Pat Martin, Jeff Harder and quarterback ran by Reid, until he was injured, lead the team in scoring.

Brad Landing replaced the knee-torn Reid and received praise from his coaches along with center Scott Jameson.

The "B" team finished strong at the end of the season after a poor offensive start. The team lost the first five but proved to be competitive at the end of the season. Coach Jim Chaney believes that if the team had played from the beginning of the season like the end they would have had a much better record. He praised Bill Mascott, Brad Stevens and Craig Eyestone, "They should contribute alot to the JV team."

Roundballers place in the Willamette Division

"The season was a relatively good one," commented varsity basketball coach Mr. Ted Bennett. The roundballers captured third in the Willamette Division.

The team finished a 12-10 season with a homecoming victory over Lakeridge, 60-53. The season included an overtime victory and a triple overtime loss by one.

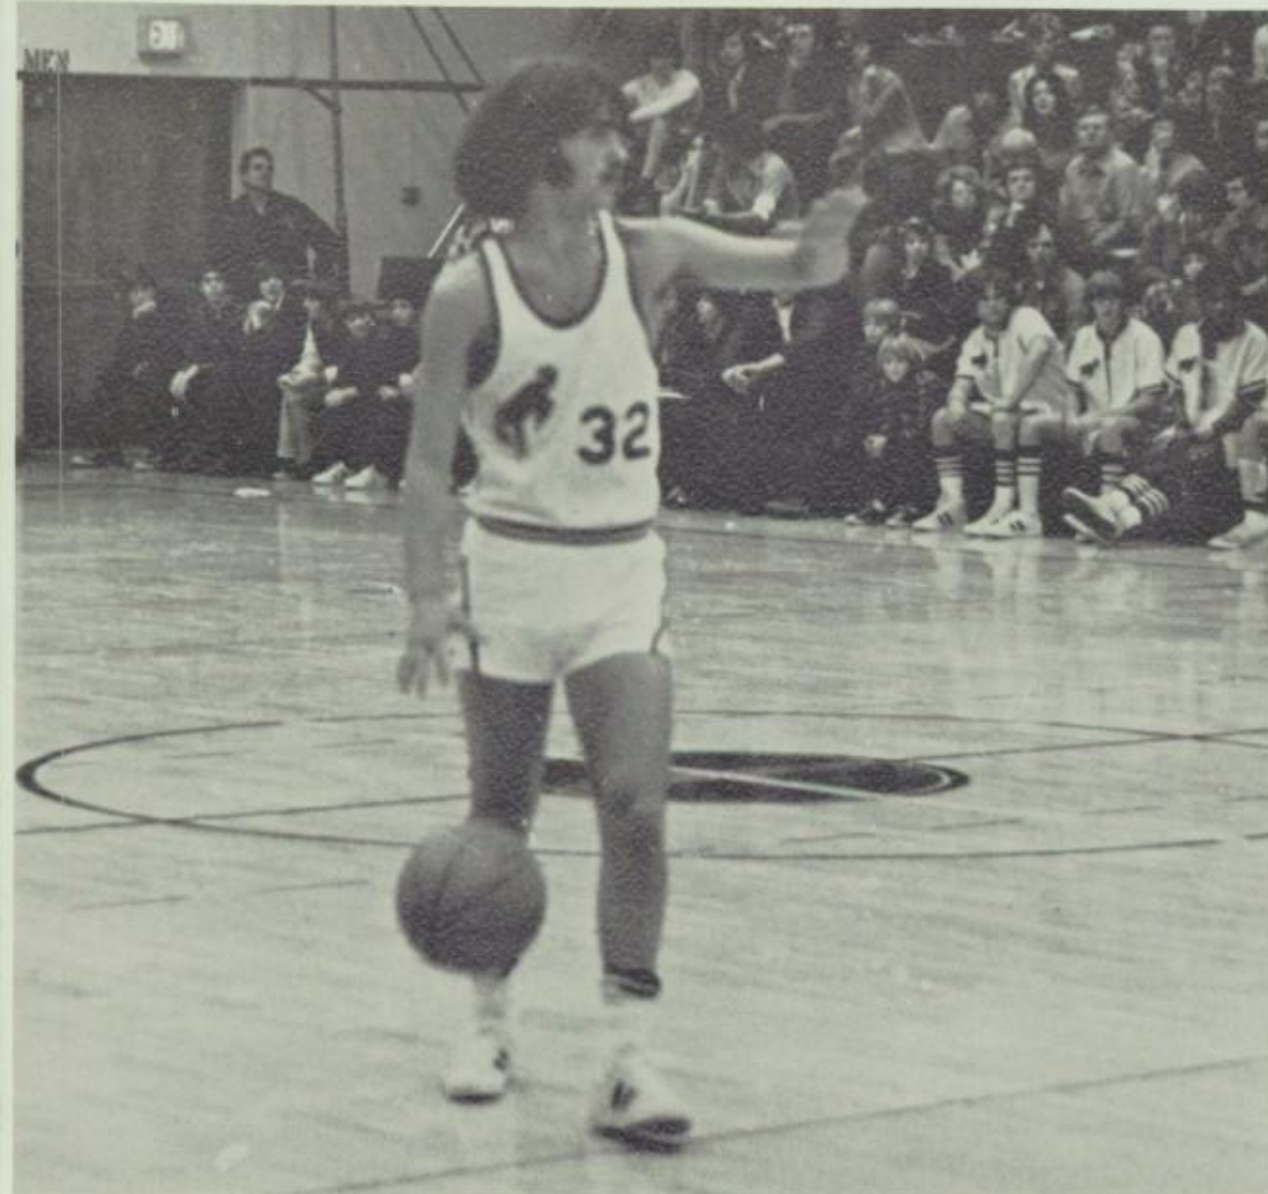

Led by hot-handed Wayne Bergstrom and Jim Garber. The basketball team shot .443 percent to lead the Wilco League. Garber pumped in a .650 percentage, and Bergstrom hit for .505. Steve Gratton top the team in scoring while Jim Owens handed-out a league high 82 assists. Gratton was voted first team Willamette Division and Wayne Bergstrom captured second team honors. Jim Owens received honorable mention.

Highlighting the year for the roundballers was a six day trip to

Hawaii. The team accompanied by a hand full of parents and other students arrived at Honolulu December 18. During the six days, the team toured Pearl Harbor, Sunset Beach, Polynesian Cultural Center, Waikiki, and Honolulu. Sunday evening, the group went to a luau at the Ala Moana Shopping Center. The show was hosted by Al Harrington, star of "Hawaii Five-O". Along with body surfing and sun bathing, the team played two games. They lost the first game to J. B. Castle 37-49 and won the second against Kahuku, 43-39.

During the banquet, Bergstrom was awarded the Most Valuable Player trophy. Jim Garber was named Most Inspirational. Juniors Jack Schmitz and Jeff Gibson were voted Most Improved and Best Hustle respectively. All awards are voted by the varsity

Athletes show potential

"Varsity III had the most successful season ever," said Coach Schulz.

Harold Kleinfelt led the teams in scoring and rebounding. Mike Nemeth and Terry Wagoner were the floor leaders as guards. The team combined pressure defense and good shooting throughout the season giving them a record of 14 wins and 4 losses.

"Excellent team work and a desire to win, made this the most satisfying coaching year I've had here. I was very proud to have

associated and coached this fine group of youngmen," stated Coach Schulz.

"Despite a disappointing 4 wins and 17 losses, the JV basketball team developed some fine individual talent for next year's Varsity," commented Coach Randy Hurt. Ron Seawell led the team in points and rebounds.

Co-captains selected by their teammates were Rick Delance, Jeff Fouts and Ron Seawell. Steve Swanson received the "Most Improved" award and Ron Seawell was the "Most Valuable" player.

Freshmen gain experience

"The Freshmen basketball team established the best won-lost record in MHS history. The players were talented and learned quickly," praised Coach Bob Christenson. The freshman team compiled an 11 win and six loss record.

"Personally I have never coached a team that I enjoyed more. They had great respect for each other and were unselfish in their attitudes on the court," continued Coach Christenson.

Varsity take second in league

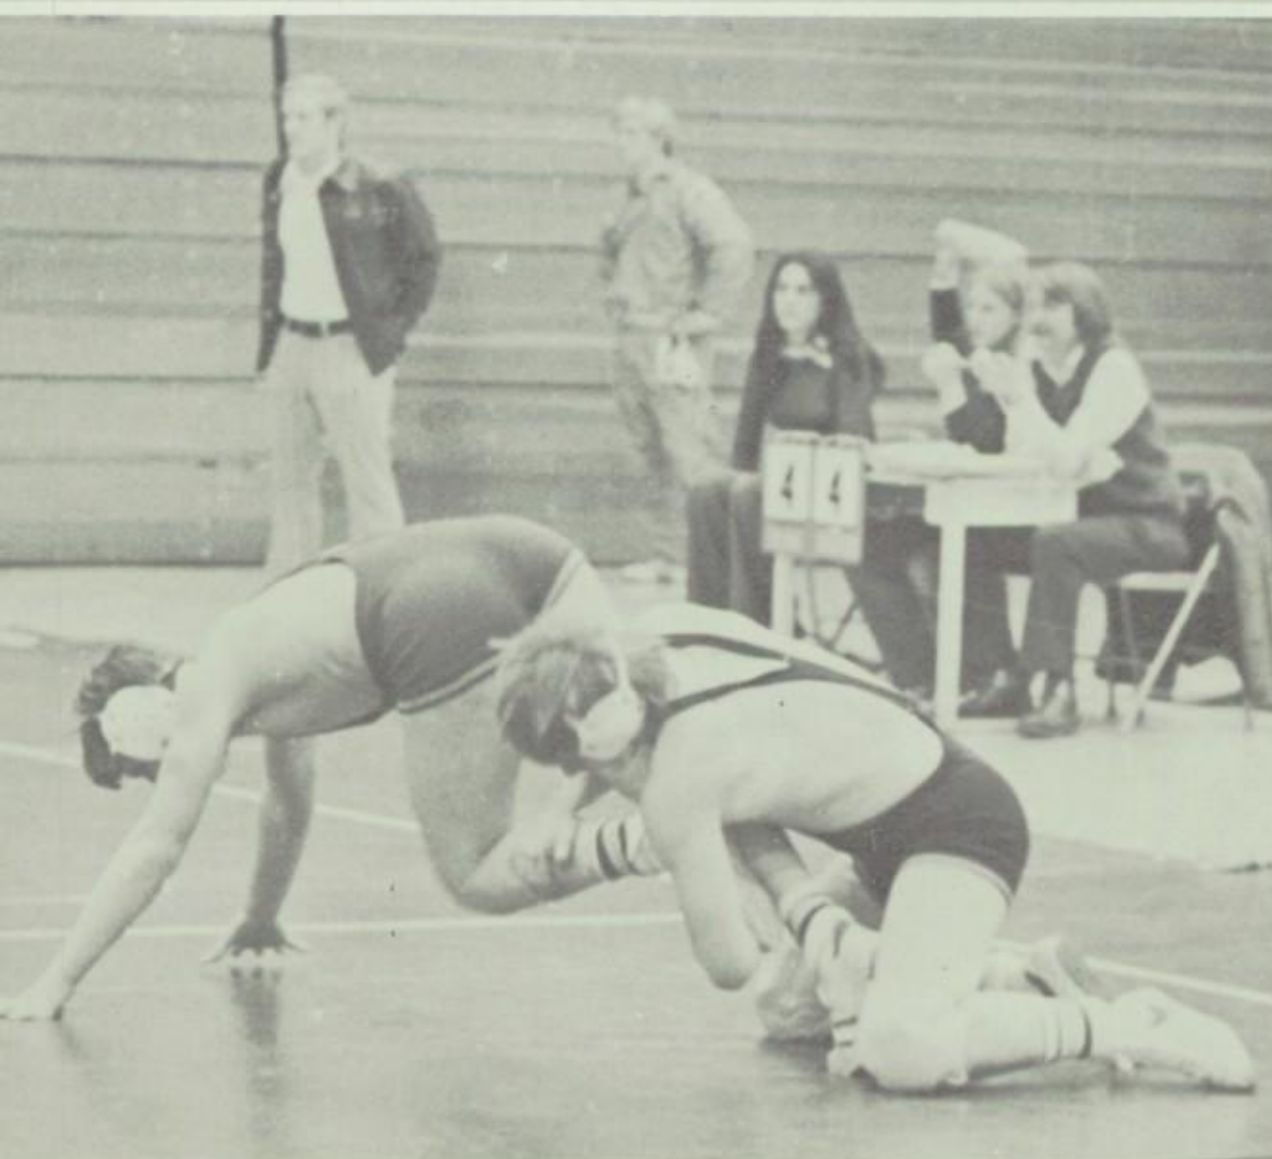

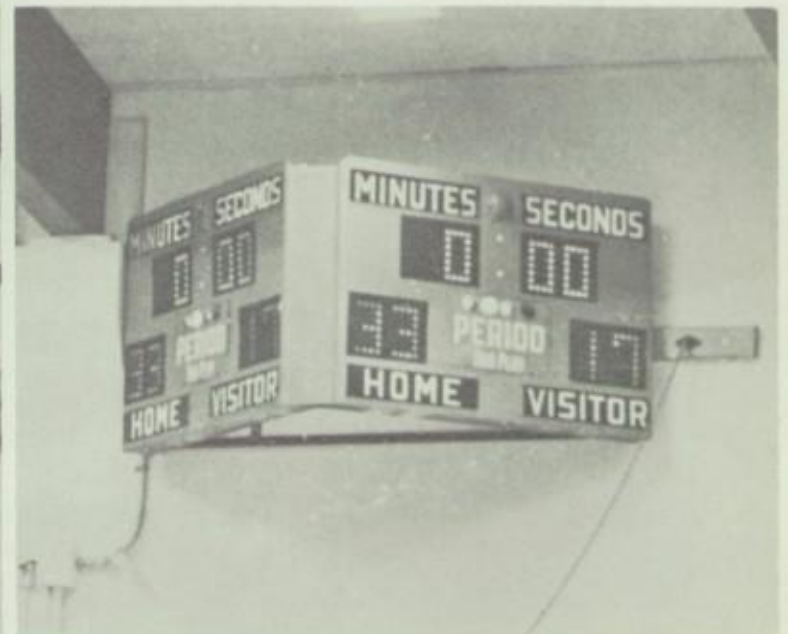

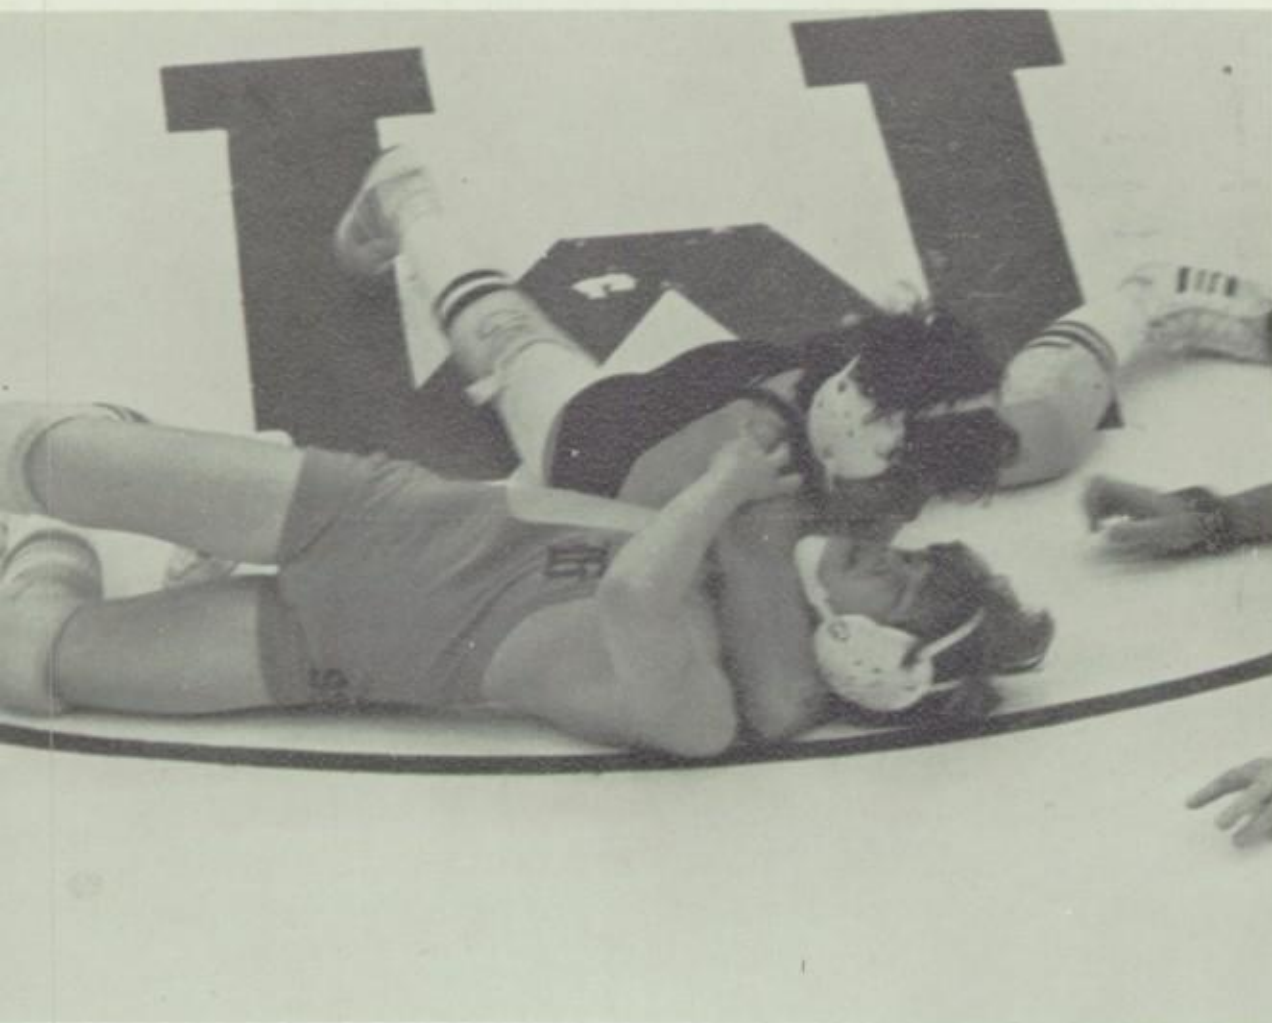

The Mustang wrestling team started the year with only three members with experience at District. However, with some strong help from the seniors and unexpectedly good support from the underclassmen, the team did get second in the league. Although tied with Rex Putnam in league championship points, the Mustangs won the trophy on an earlier season victory over Putnam. The winning streak of Coach Les Pierce was ended on a heartbreaker of a loss to Oregon City. His wrestling teams had been undefeated for 45 straight dual meets. The new

Individual standouts during the season were Ray McCorkle, Pat Sullivan, Cory Bird, Dave Schwartz, Gino Mello, Matt Osborne, Steve Schwartz, who earned themselves a place in the District Tournament.

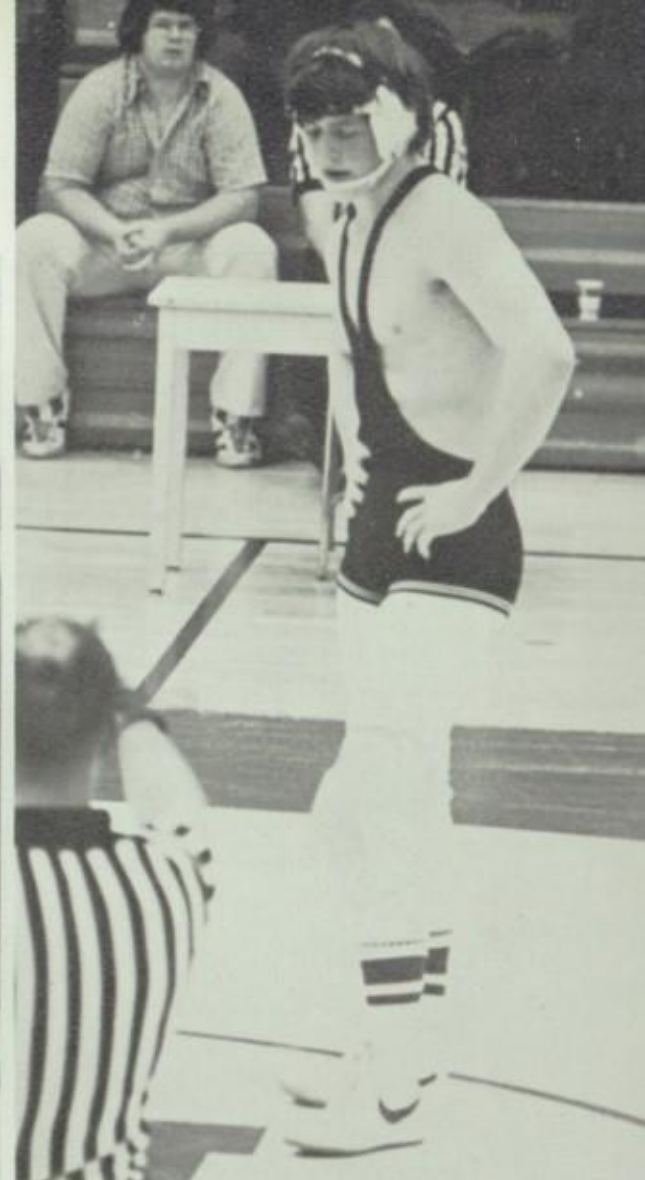

Winning the chance to compete at State were Ray McCorkle who got third, Matt Osborne placing fourth, Gino Mello a fifth place and showing promise for the future, and Steve Schwartz.

"The season could be termed as disappointment by some, but to those involved it was very promising and rewarding," said Mr. Harn.

Banquet pays seniors tribute

The junior varsity, headed by Coach Al Rose, had a short season; the team competed in only four meets during the entire season.

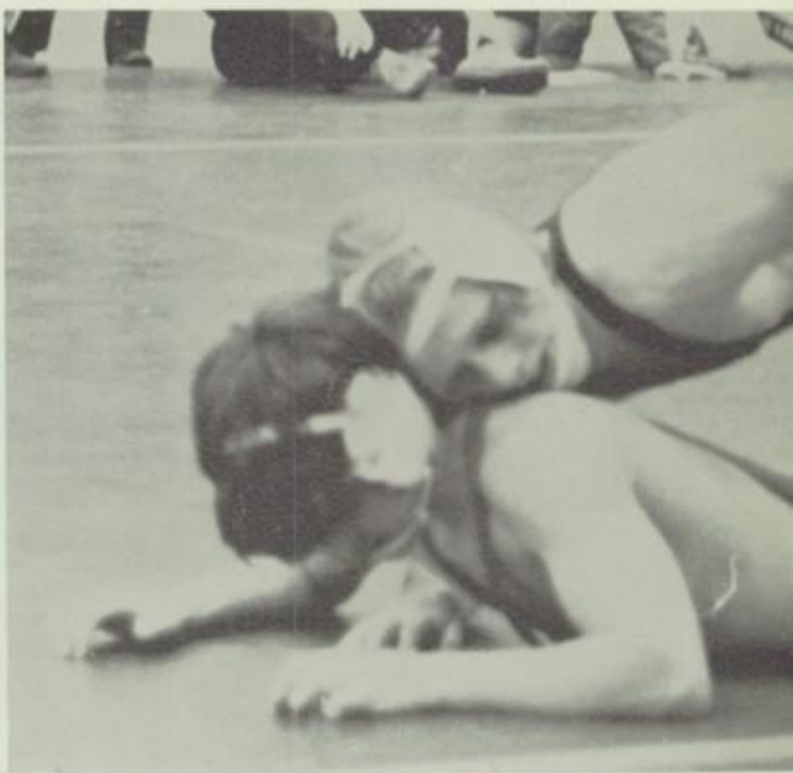

"The team was small due to the tough competition between wrestlers for varsity positions," commented Coach Rose. Many grapplers rotated to varsity positions. "These people are the ones that will fill the gaps left by graduation," stated varsity coach Les Pierce.

The banquet was a first for the matmen - the menu consisted of banana splits with the works. Receiving the most valuable wrestler trophy was Ray McCorkle. Most improved wrestler honor went to junior Cory Bird. Gino Mello won the most inspirational award. Mello also introduced the events of the evening with an imitation of Howard Cosell.

Frosh grapple to 7-3 record

In his first year as a wrestling coach, Mr. Jim Gadberry had what he termed "a successful and growing season." Winning seven matches and losing three, the team constantly improved throughout the year.

Being the first year of wrestling for many of the team members, the season was more successful than expected according to Coach Gad-

berry. Gadberry commented, "The kids really surprised me. Although they weren't the greatest wrestlers, they were the toughest. They show a lot of promise for the future."

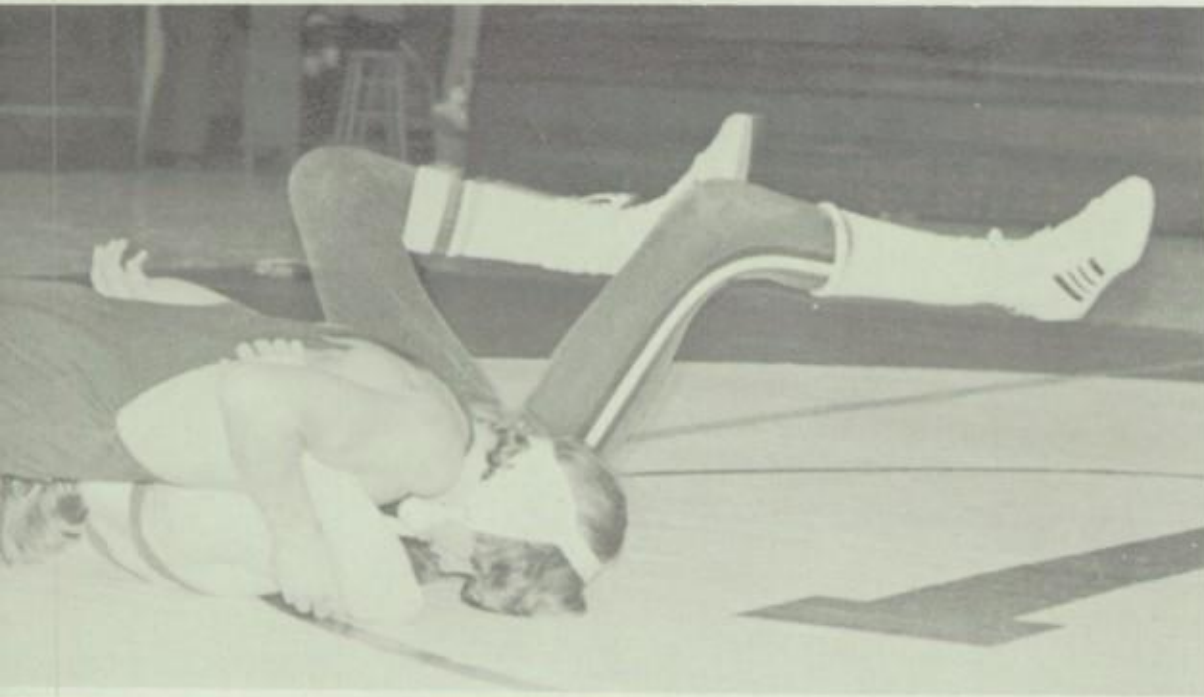

Freshmen with the best records were Jeff Harder, Mike Klobertanz, Steve Roa. Jeff Harder was the only freshman to wrestle varsity.

Cheerleaders charm crowds

Cheerleaders had the responsibility of channeling the immense energy of the crowds into one force called spirit. Part of their summer was spent working on new ideas and cheers like "Let's Get Rowdy" and "Our Spirit Is Sky High!" During school time the group met during rhythms third period. Candy Kisses were sold to cover the costs of new outfits and gifts for visiting cheerleaders. Miss Sally Iverson advisor, initiated the idea of pep pals to get more girls involved.

Spirit tags with slogans as Wing the Eagles, Rack the Pioneers and Crown the Kingsman proved to serve as an added incentive for both JV and Frosh Rallies. The Cheerleaders combined their enthusiasm and pep along with the varsity to lead cheers during pep

assemblies. Practices were held periodically during the week after school in the recreation room. As a result from practices, new cheers along with new outfits helped the cheerleaders to maintain a most active and vigorous schedule throughout the year.

'Bombers' upset district champs

For the first time members of the volleyball team were inspired by the two penetrating voices of sophomores Rod Huschka and Jeff Johnson who served as cheerleaders. The "Bombers" managed four important victories over arch-rivals Putnam, Clackamas, and Tigard during the season. The varsity line-up included some outstanding freshmen players according to Coach Bloom. With only three graduating seniors, the team hopes to improve next year. Tebo's restaurant was the location of the volleyball banquet at which Joan Oakley was voted the most valuable player on the Varsity team and Connie Calcagno for the JV team.

Gymnasts demonstrate talents

The Gymnastic team ended a perfect season with a 7-0 record. The team showed much improvement over last year which was demonstrated by the higher scores that continued throughout the season. Gymnasts were given the opportunity to reflect and express their personal talents by combining body control, jumps, leaps, turns, flexibility and level changes to various routines accompanied by music. The hard workouts, practice, patience, time and efforts put forth by the girls really paid off as the squad of 12 girls, coached by Ms. Kathy "Mom" Van Lom, placed second at the District meet. The Dalles won the meet with a score of 82.15, only three points ahead of Milwaukie. Competing in the all-

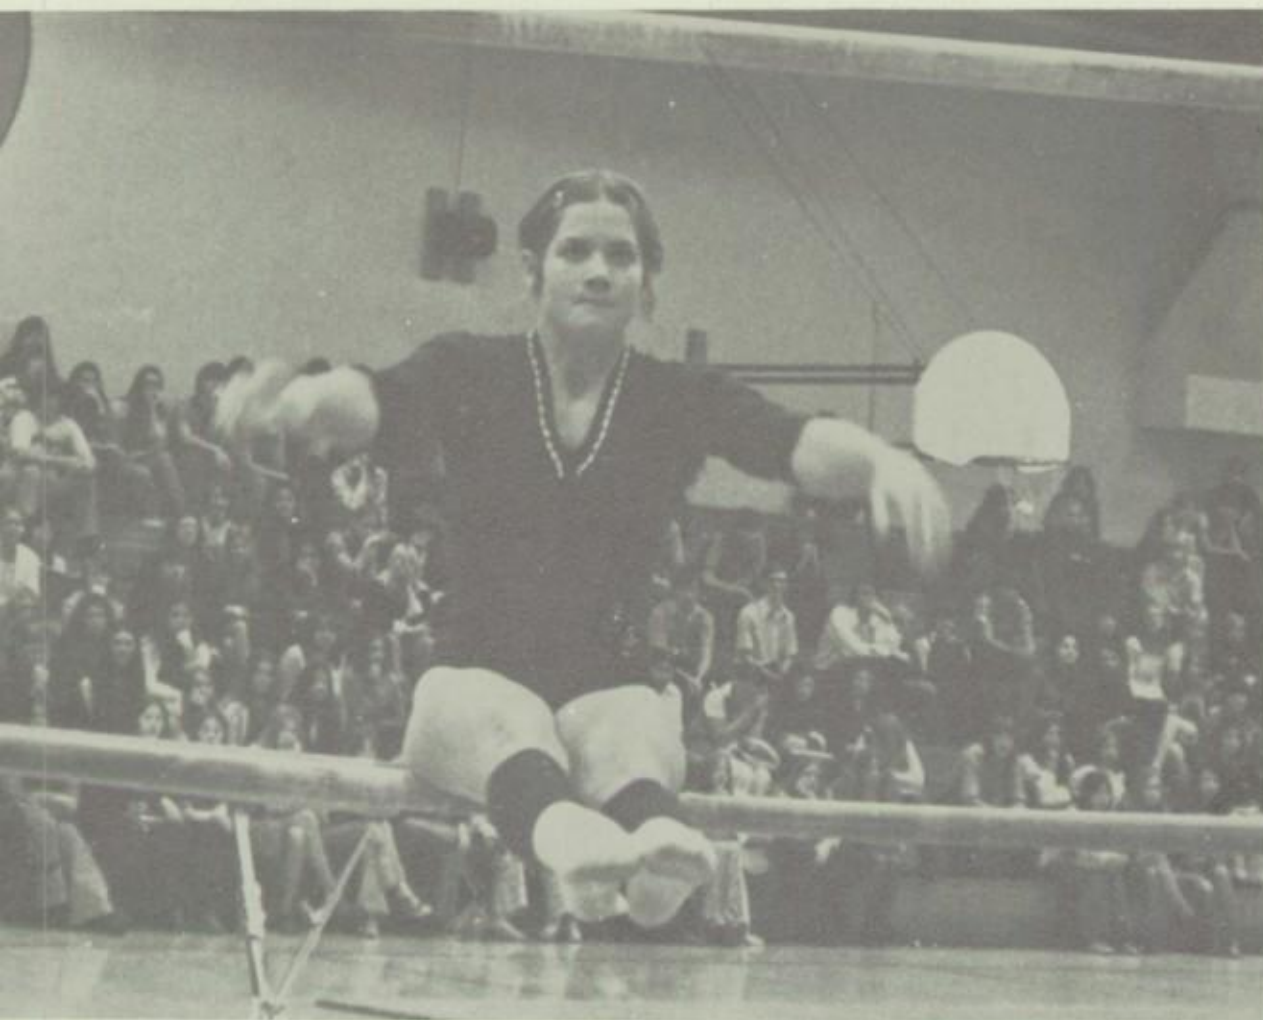

around category were Toni Davidson and Jane Ruecker, who both advanced to finals. Others participating on the unevens were Vicki Sall and Cindi Mascott. On the balance beam, Jan Simon, Linda Totzen, Linda Whitmore. The Vaulting horse competition included vaulters Sue Fox, Jan Simon and Lorraine Adkins. Involved in the floor exercise were Paula Hutchins, Kelly McFee and others who performed their routines. The last meet against Lake Oswego terminated with a victory celebration held at Ms. Van Lom's house in which home-made parfaits were served as dessert and a traditional TP job was artistically done to finish off the gymnastic season.

Freshmen take sixth at State

The Gymnasts not only performed as a team, but as individuals. They went on to prove themselves at the David Douglas Specialist Meet. Placing with high scores were Jan Simon, Sue Fox, Jane Ruecker and Toni Davidson. Both Freshmen, Toni and Jane, placed sixth at state in the vaulting and floor exercise respectively and received all around competition honors throughout the season.

Skiers survive slush, sleet

In the second year of competition, the ski team closed the time difference from the top teams in the state. In what the coaches term the toughest league, the team placed tenth in the Wilco League.

Coach Chuck Swan commented that the team always competed with and improved tremendously over the year. The best team finish was a seventh, but if a rerun had counted, the team would have placed fourth. At the Mt. Hood Championships, where the schools from

the metropolitan area compete at the end of each season, the team finish tenth of twenty-four schools.

Racing consistently as the top boys were Mike and Bob Swan. The top boy finish was twentieth by Mike in a slalom. Diane Bennett dominated the girl scene. Whenever Diane finished, she was the top girl by 15 or more places. Diane consistently placed in the top 10, and her best place was fifth.

Skimeisters hit the slopes

"Get out of the way!" "Look out!" "Aauugggh!" Beginners with courageous and daring souls, joined Skimeisters in the hope of conquering the slopes of Mt. Hood. Many students already knew how to ski and wanted to improve their

skills. The south steps at 6:45 was the meeting place for Skimeisters every Sunday morning. After eight weeks on the slope, the majority said the lessons were well worth the price.

Meshmacons capture trophy

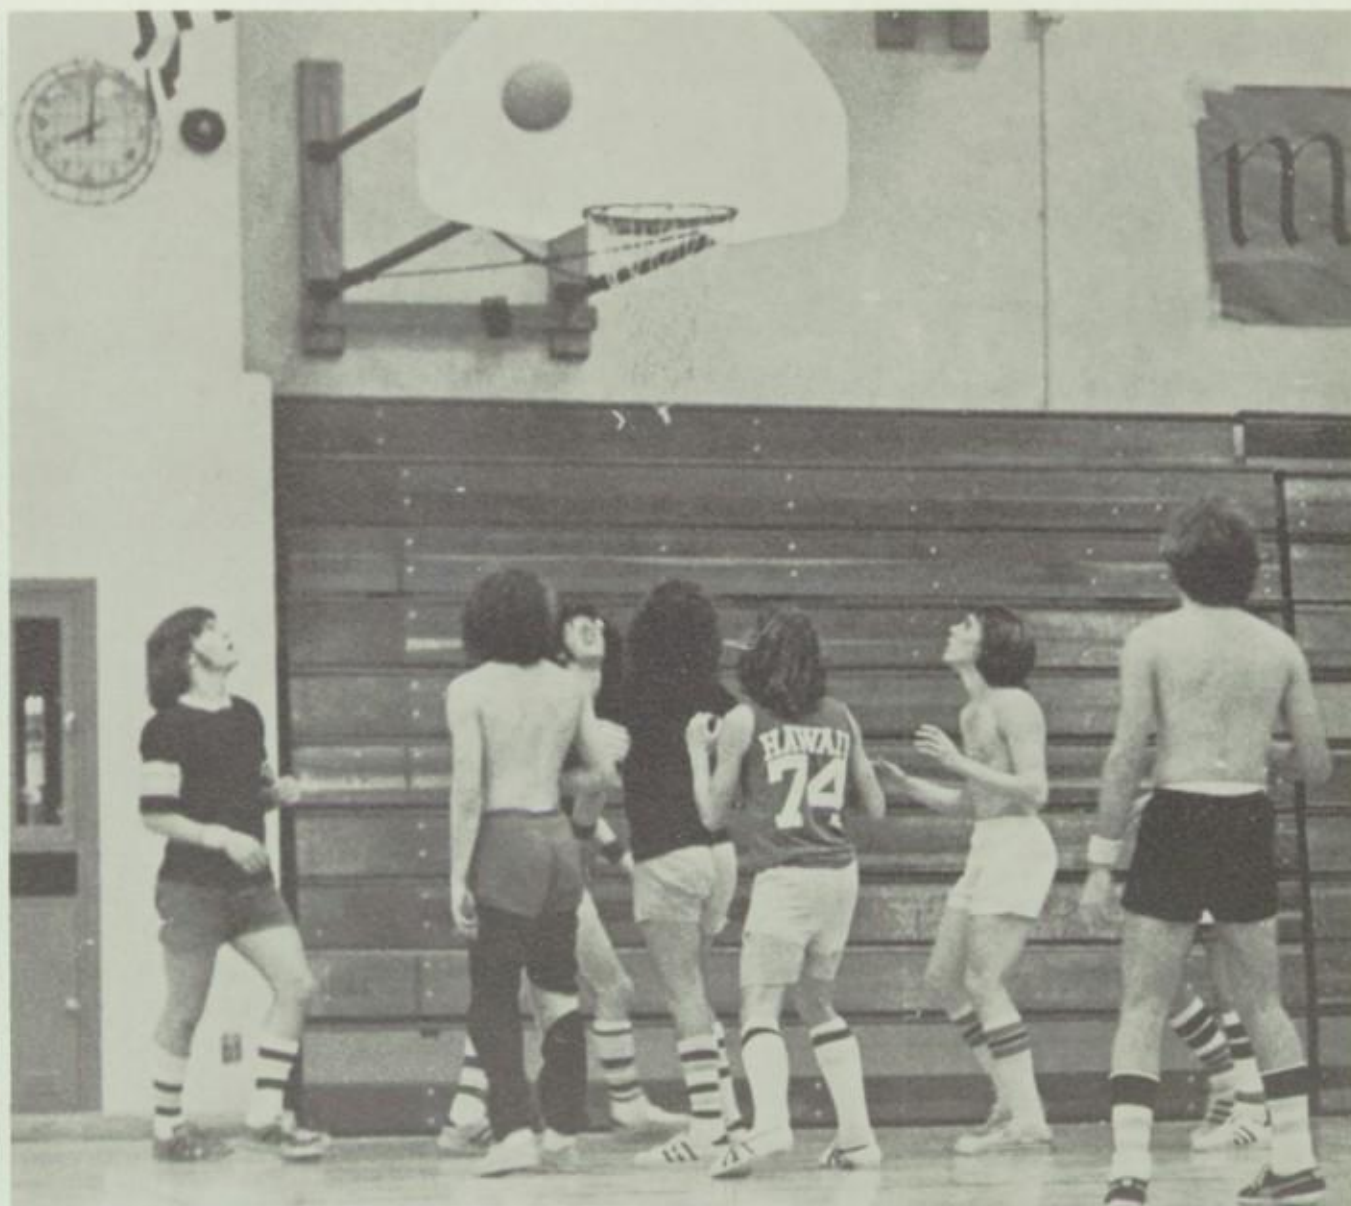

The Chess Team under the direction of Mr. Harvey Hazen compiled a 6 win 4 loss season. The squad led by seniors Mark King, Steve Williams and Phil Reich at first, second, and fifth boards competed against other schools in the Wilco League. Hope for the future lies in the minds of Junior Arne Jamtgaard and a handful of freshmen.

Forty part time athletes participated in intramural basketball under the direction of Commissioner Dave Bohlman. Playing whenever the gym was open, the league consisted of seven teams. This

year colorful names such as Meshmacons, Columbians, Budweiser Express were used. The Meshmacons with a 7 win 0 loss record won the championship with only one close game. The Columbians played the Meshmacons to a standstill until they lost in an overtime period by four points.

Girls basketball and volleyball intramurals were also held. They played Monday, Thursday and Sunday when the gym was available. About 40 girls joined in the intramurals activities. Miss Bloom and Miss Hatlelid were the advisors.

Golfers shoot 'fore' victories

The boys golf team, led by senior Greg Davis, rallied several victory matches over Wilco League opponents. The young team, under coach Hank Cedros, proved to be highly competitive as individuals and as a team throughout the season. Home matches were played at Eastmoreland Golf Course. The top five varsity members included Greg Davis, John Stuart, Dave Andreason, Jeff Klausman, and Larry Jossi.

Girls golf 'Bloom' during first year of competition

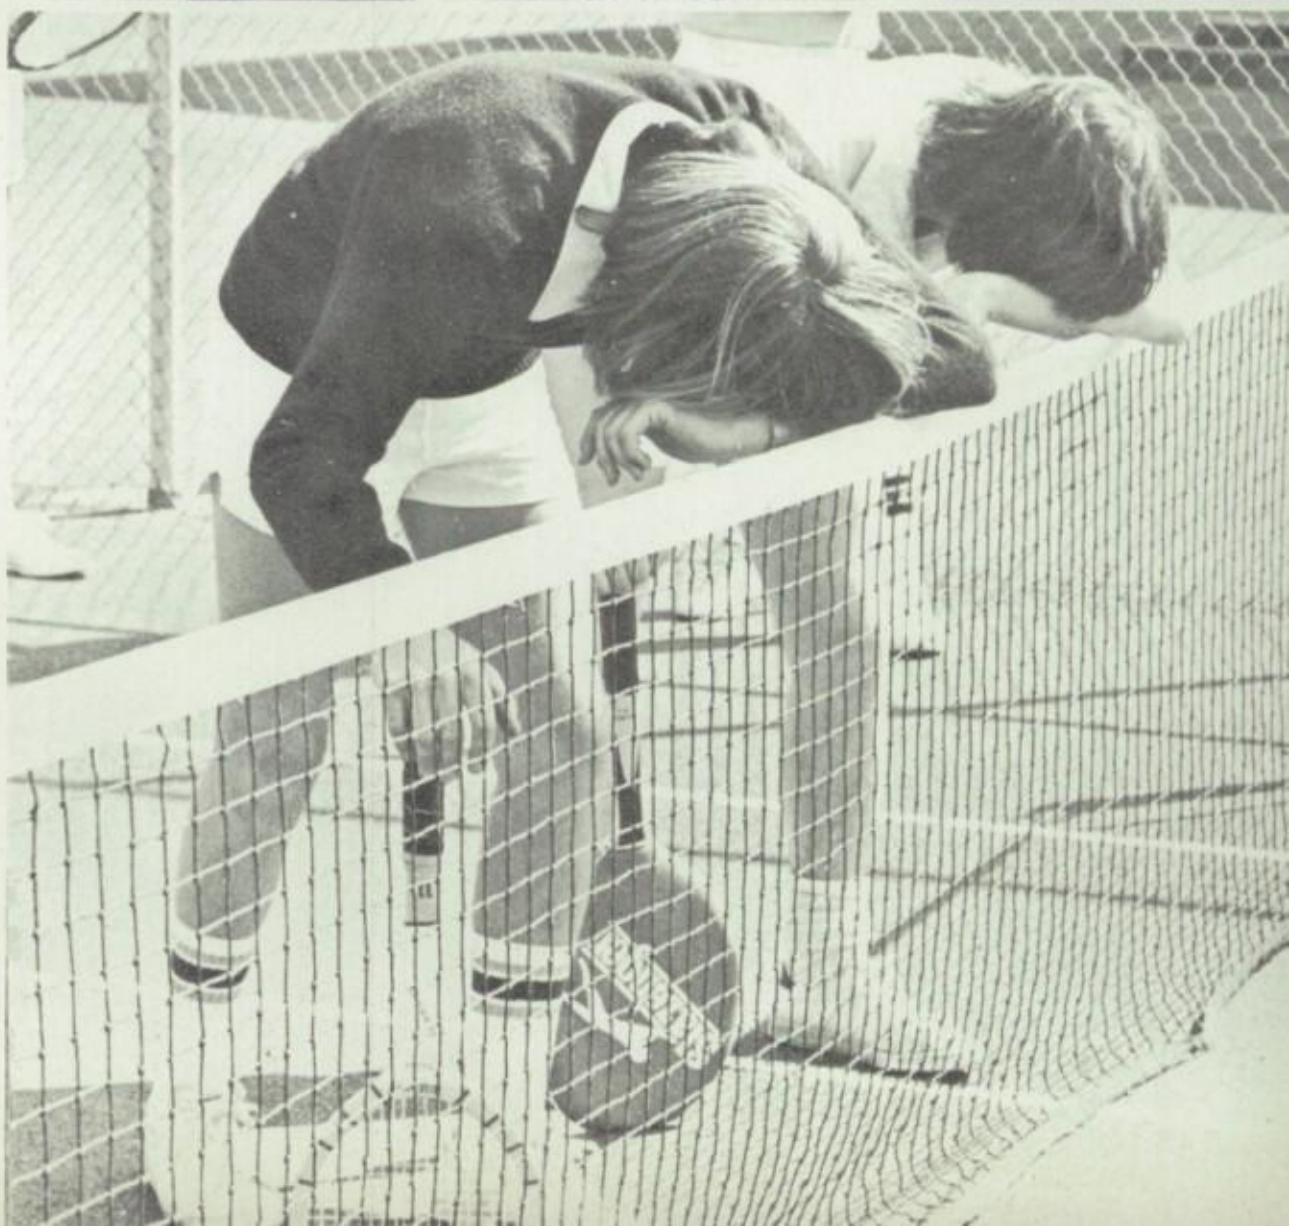

For the first time in MHS history, girls golf was added on as a varsity sport. Competing against other Wilco League schools, the team didn't fair exceptionally well but learned from their mistakes in hopes of improving for next

year. Golf lessons were also given at Eastmoreland which gave the girls an opportunity to learn and practice new skills. The young team of golfers was coached by Miss Bloom.

Boys tennis 'ace' competitors

Rain or shine, the boys tennis team worked out either on the court or exercised to improve their game. With three returning lettermen, the team set their sights on breaking last seasons Leaguerecord of 7-4. The young team, consisting mainly of sophomores and juniors, was a strong contender in the League. They easily won their first four matches. Both first singles,

Rod Cartasegna, and second singles, Mike Jarvis, demonstrated great improvement and aggressiveness at the net. First doubles, Gary Buckles and Paul Young, also dominated their opponents. Two seniors, Alan Waterman and Jeff Nordling, consistently won at second doubles. The only other senior on the squad, Kirk Troen, established a winning record at their singles.

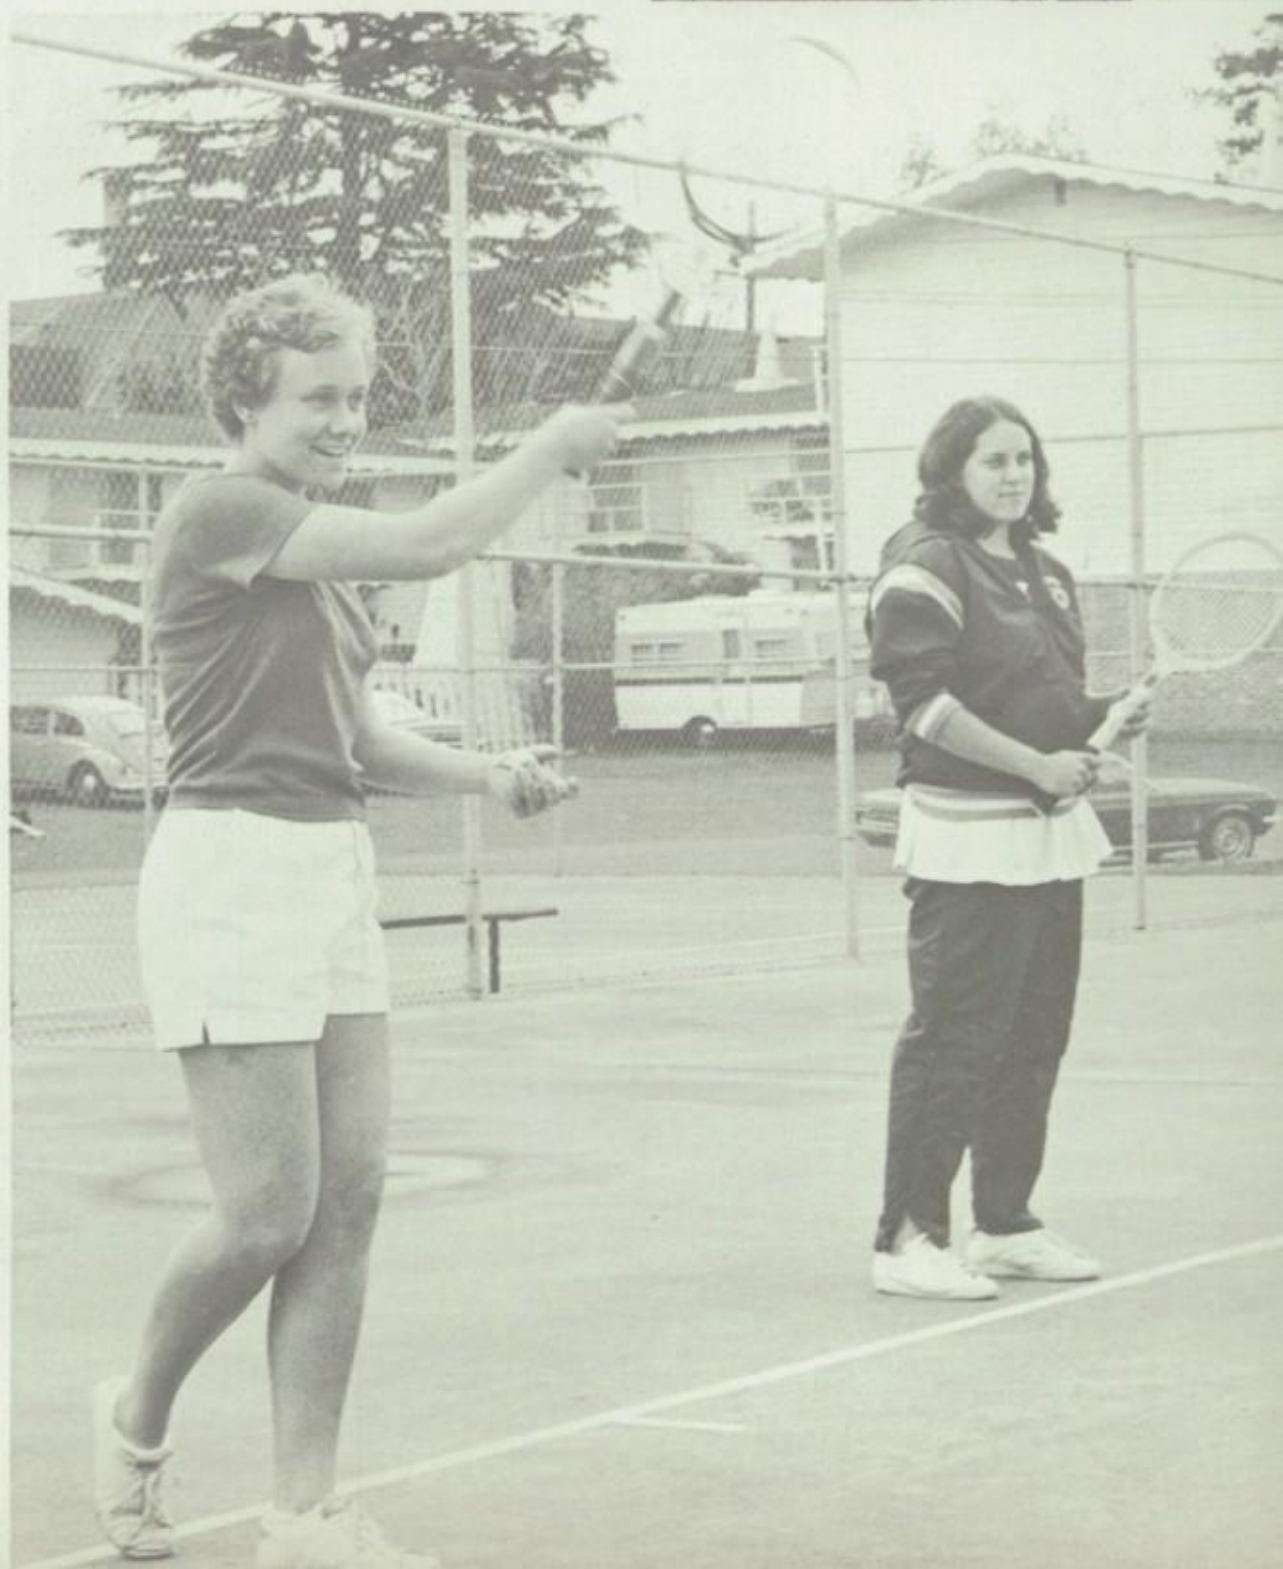

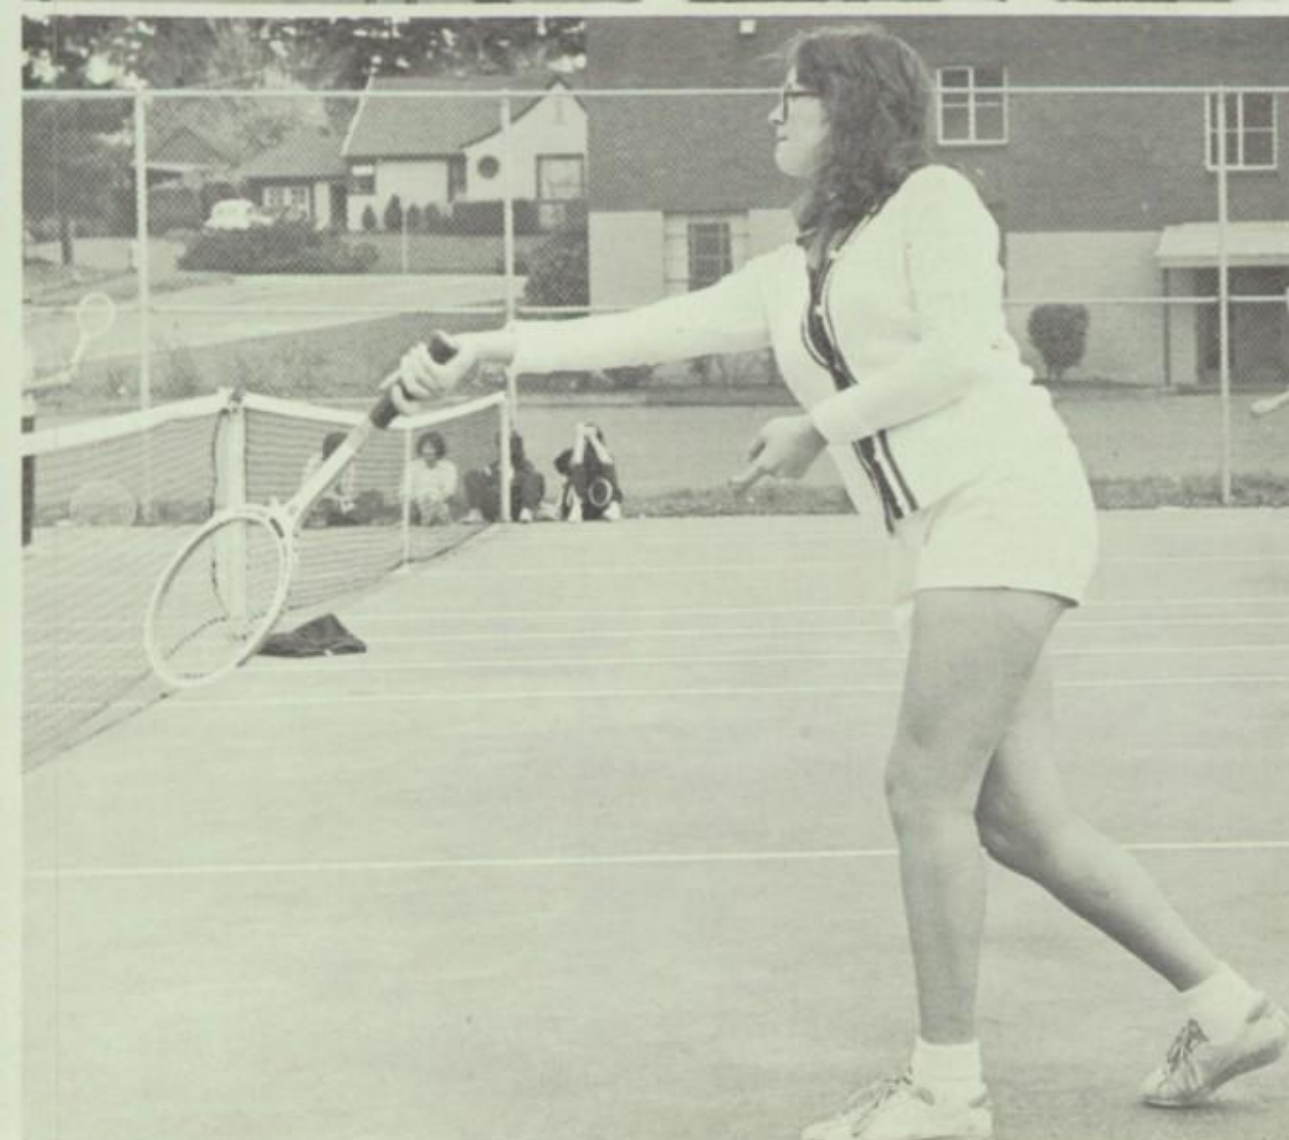

Girls tennis 'smash' opponents

The girls tennis team had six returning varsity players. Those returning letterwomen included Kellie Brown, Sux Fox, Lana Holm, Diane Bennett, Carol Oakley, and Pat Brunelle. The team finished up

their 1974 season by sending Kellie Brown and Sue Fox to the State.

Even though the team had a few problems getting started because of foul weather, the team was victorious in their opening matches.

Cindermen challenge foes

Bettering last season's winning record, the varsity track team proved to be a competitive dual meet team. Filling in gaps left by graduation, sophomores and juniors were the bulk of the team.

Rick Cartasegna and Wayne Bergstrom continually dominated opponents in the shot and discus respectively. Guy McCaslin bettered the school record for a quarter mile and was the fastest at the 220. Dave Straighter ran on the edge of breaking two minutes in the half mile, and Mark Recker was the top challenge in the mile and two mile. Paul Smith and Tim Nott were top point scorers behind McCaslin.

Female spikers successful in dual meet season

The controversial title IX over equal rights for women gained some results as the girls track team, known as the "Fleeting Fillies," received new sweats for practice and new sweats for meet competition. The Maroon sweats added definite class and an incentive to the 'Fillies' as they continued to turn in excellent performances both individually and as a highly

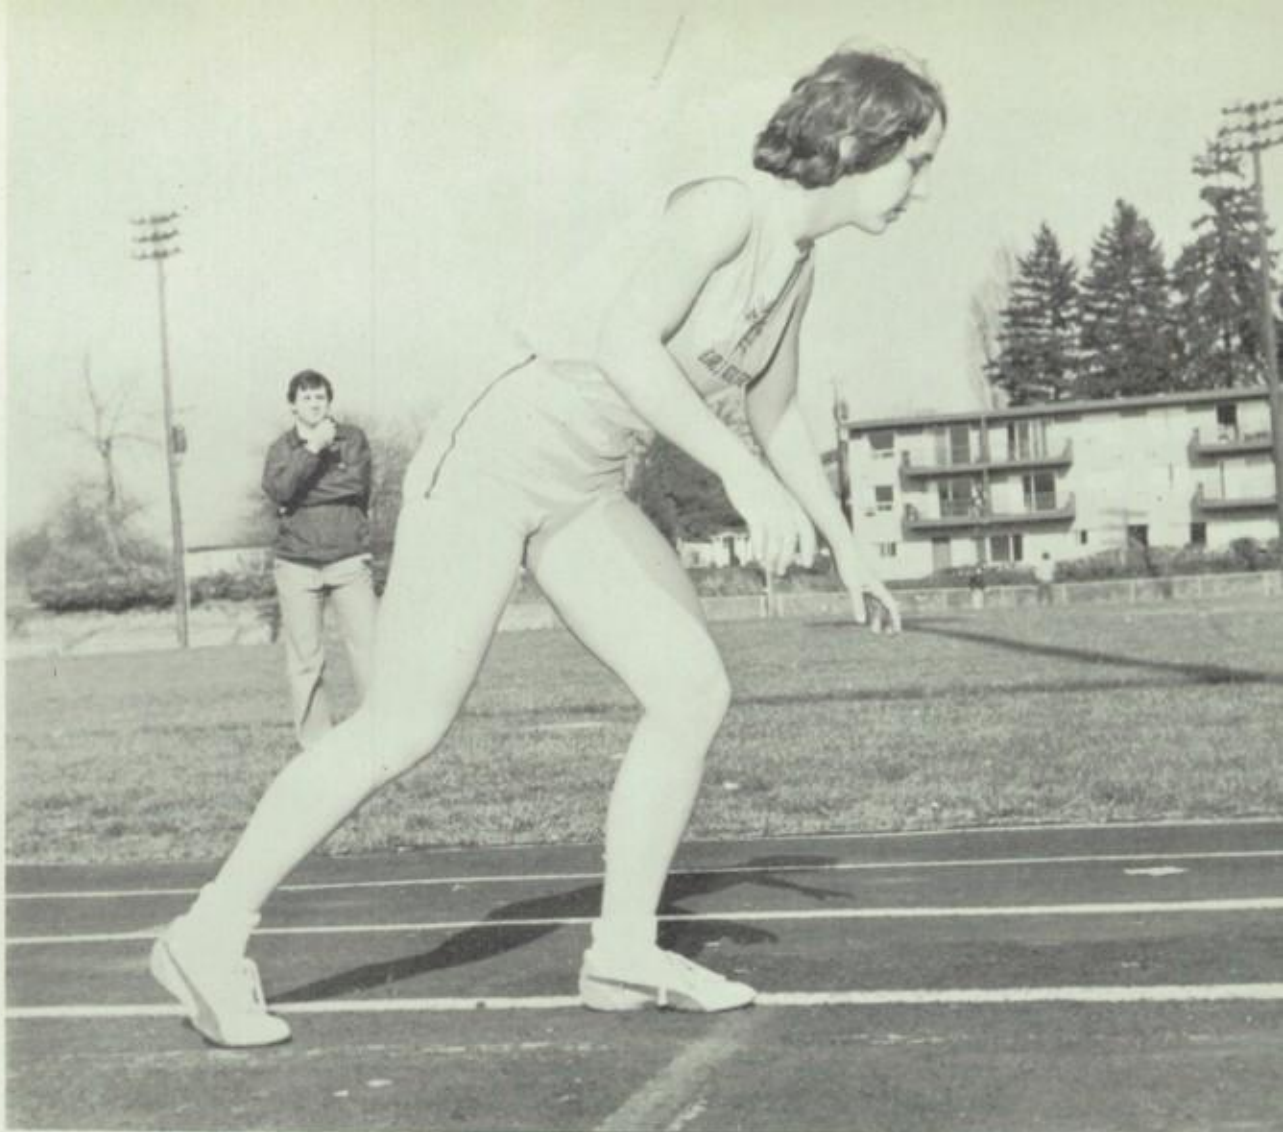

strong and powerful group throughout the season.

Performing their specialty events, Kori in the 110 yard hurdles and Zora in the javelin, both girls ranked among the top competitors in the state. Both the running events and the field events remained strong with six seniors and a lot of young natural talent to assist.

Seniors finish fourth season

Victorious in their first five dual meets, including an important meet with Clackamas, the 'Fillies' were coached by Miss Kathy VanLom and assisted by Mr. Gary Sackley. Poems written especially for each particular meet and pep talks were given weekly by each of the seniors. Freshmen Joni Oakley and Lisa Pierce showed strong potential in the running events for next year's team.

Varsity contends for title

Twelve players competed on the varsity baseball team under the direction of Coach Larry Wilkins. The team was composed mainly of juniors and sophomores with only four returning lettermen.

The squad went through an undefeated exhibition season and through five League games before dropping a contest to highly rated Dalles. The team was challenging Clackamas for the Willamette title

all season.

Playing the games at the upper field most of the players found the left field fence inviting. The batting punch was supplied by Bob Buck, Mike Martin, Doug Duvall, and Steve Gratton. Duvall popped the most balls over the fence for the team and was one of the top in the League. The pitching staff was anchored by Kim McCoy, Martin and Gratton.

JV practices basic skills

Under the coaching of Mr. Ted Bennett, the junior varsity baseball team played close to .500 ball for the start of the season. Mr. Bennett stated that the team played up to their potential and were a fine group of players. Because of crowded practice conditions, the JV nine had to practice late into the afternoon on the upper field to improve their skills of fielding and batting.

'M' award means prowess

The Letterpersons club consists of those students who have excelled in their particular field of endeavor. They excelled in many different sports including gymnastics, foot-

ball, track, golf, baseball, basketball, cross country, tennis, wrestling and volleyball. The students receive their awards at the banquet given the end of each season.

1965-1974

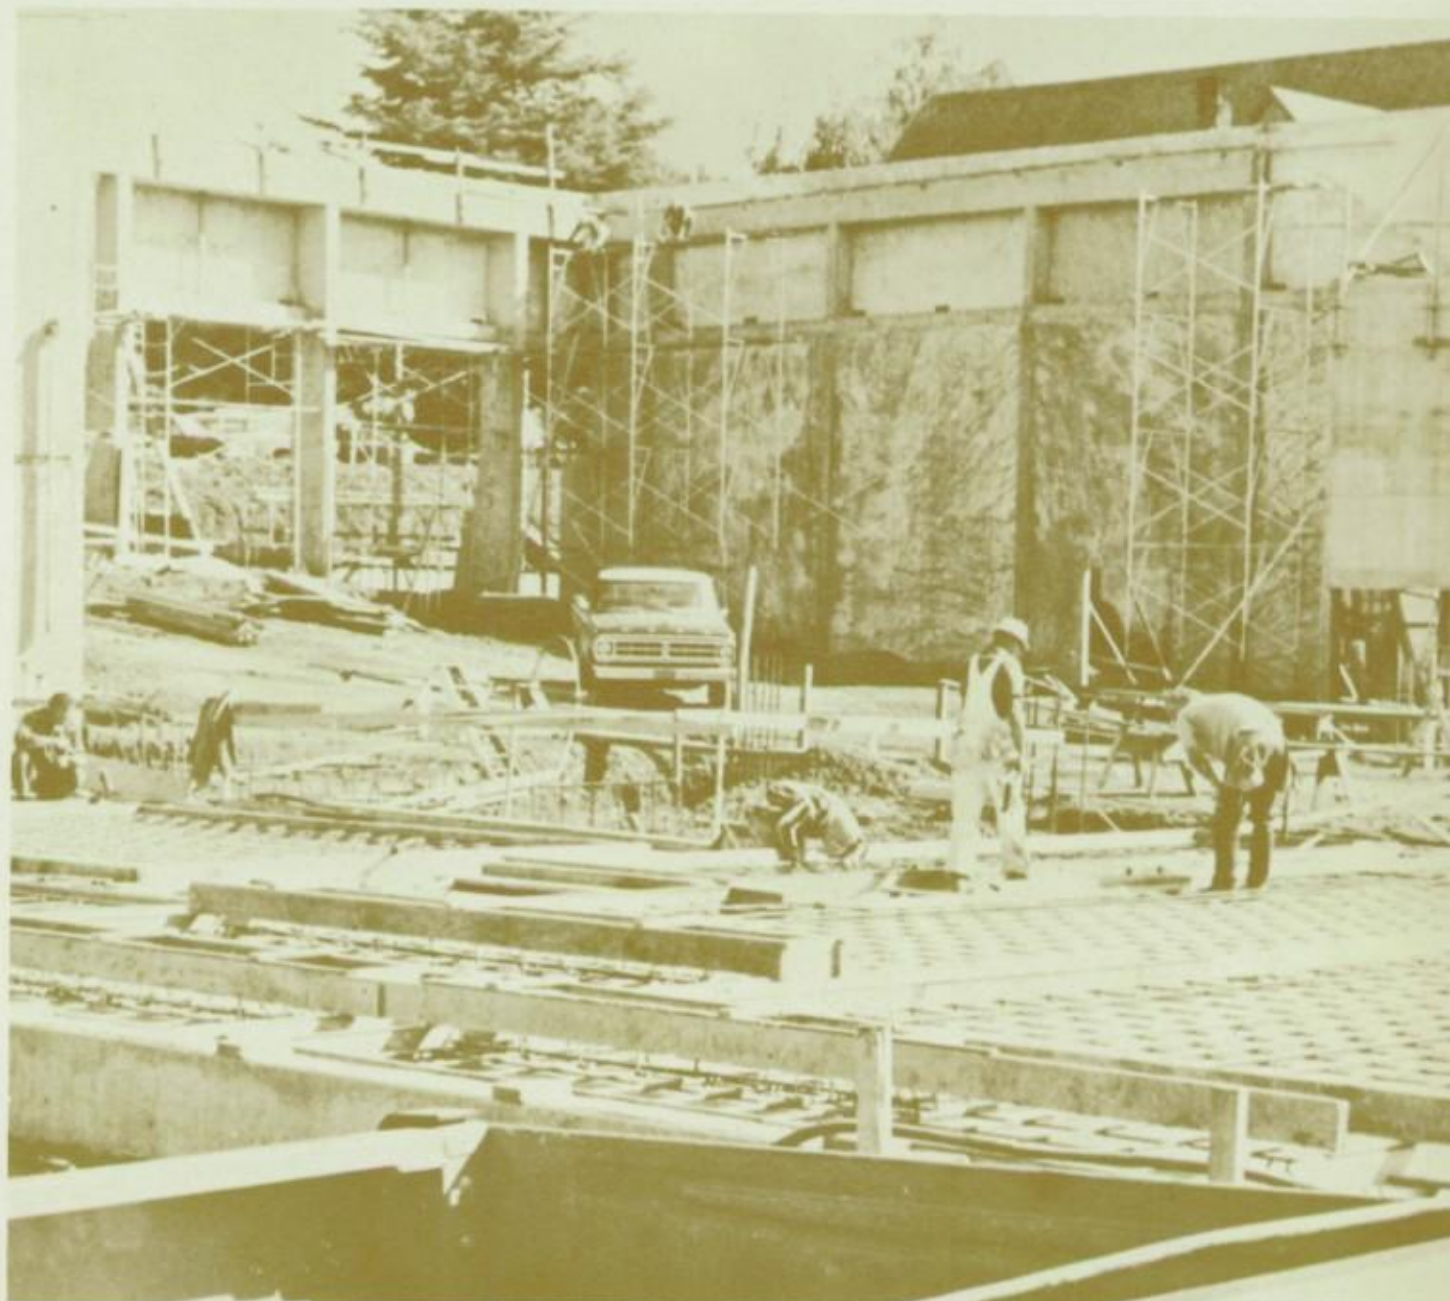

Three superintendents served the district from 1965-1974. Following the retirement of Mr. Owen Sabin in 1971, Dr. Dennis Char-michael took over the duties for two years. During the 1974 year, the district was in the hands of interm superintendent Don Charles who was later officially named superintendent.

Until 1972 the Milwaukie area school district was named Milwaukie Union District No. 5, then districts were consolidated and renamed North Clackamas School District No. 12. When 26 schools consolidated into one district, they became the fifth largest in the state. The administration building was moved from a house across the street to its new location on Lake Road.

Along with new State graduation requirements and competencies came a new principal and vice-principal in 1974. Mr. Jerome C. Lillie retired after 23 years service at the school and was followed by Mr. Gene Owens who was vice-principal at Rex Putnam. Mr. Robert Smith, the vice-principal, went to Clackamas to be their vice-principal. Mr. Robert Tone, who once was a teacher at the school, took his place. Miss Francis Whitehill was named as curriculum director.

The Owen Sabin Occupational Skill Center was built in 1967 to teach vocational skills.

In the summer of 1971 the school underwent many major changes. It was remodeled, to meet fire code standards and the old auditorium was redesigned as a library. The Burke House was used as a

Speech classroom. The houses on the S.E. corner of Willard and 23rd streets were used as administration buildings. The church next to the tennis courts was used by the choir department for practice and the band used the agriculture building.

Since then a new auditorium has been built. Different rooms are provided for the Band and choir departments. Also located in the building is the art department. Completed at this time also was the new practice field located on Lake Road. Used by the football and baseball teams it was well needed for athletics.

Pony Pipers gained international recognition with travels to Europe during the summer of 1970, to Hawaii in 1972, and to Russia in 1974. Giving eighty to one hundred performances locally they sang for many events including President Nixon's arrival at Portland International Airport.

The band themselves were not activities. The stage band took yearly trips to Reno, Nevada and Orange Coast, California to compete in contests. They also played at Trailblazer basketball games. The marching band competed and performed at Boise State.

The High-Q team, coached by Mr. George Bouthilet, retired as undefeated champions in 1974. Members showing their scholastic abilities and quick recall were Dave Barnes, Greg Englund, Paul Shore, and Bill Mills. The speech squad, coached by Mrs. Jean Watson, captured the Wilco League championship in 1973 and 1974. Three mem-

bers placed in State competition.

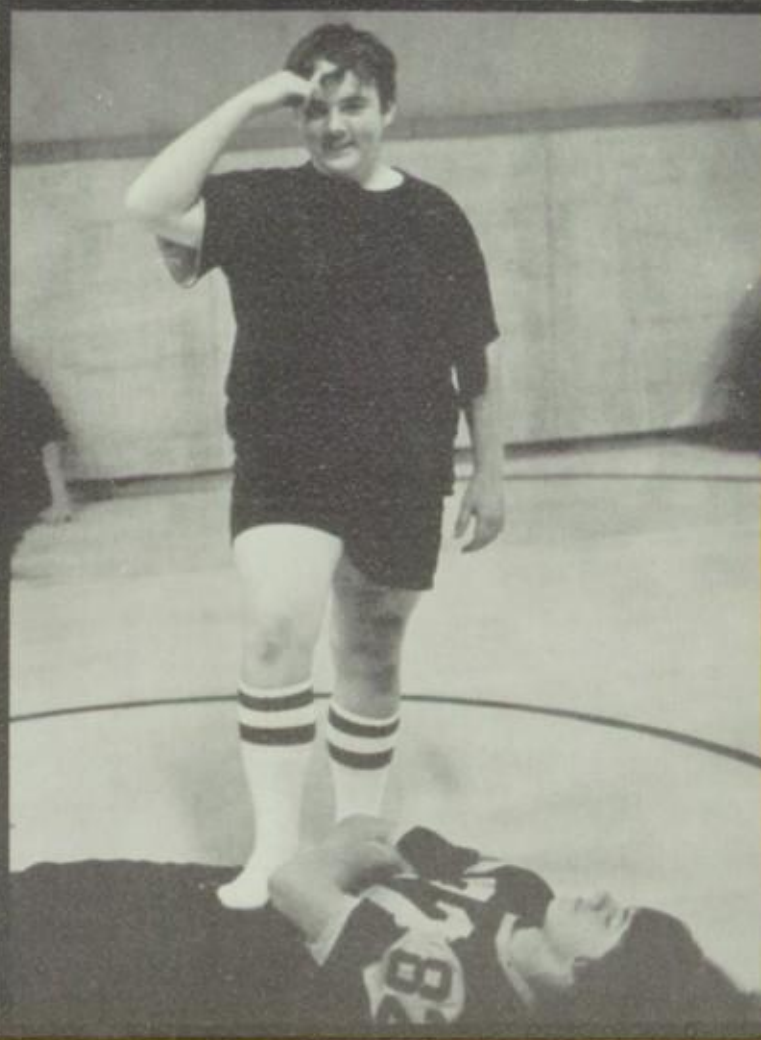

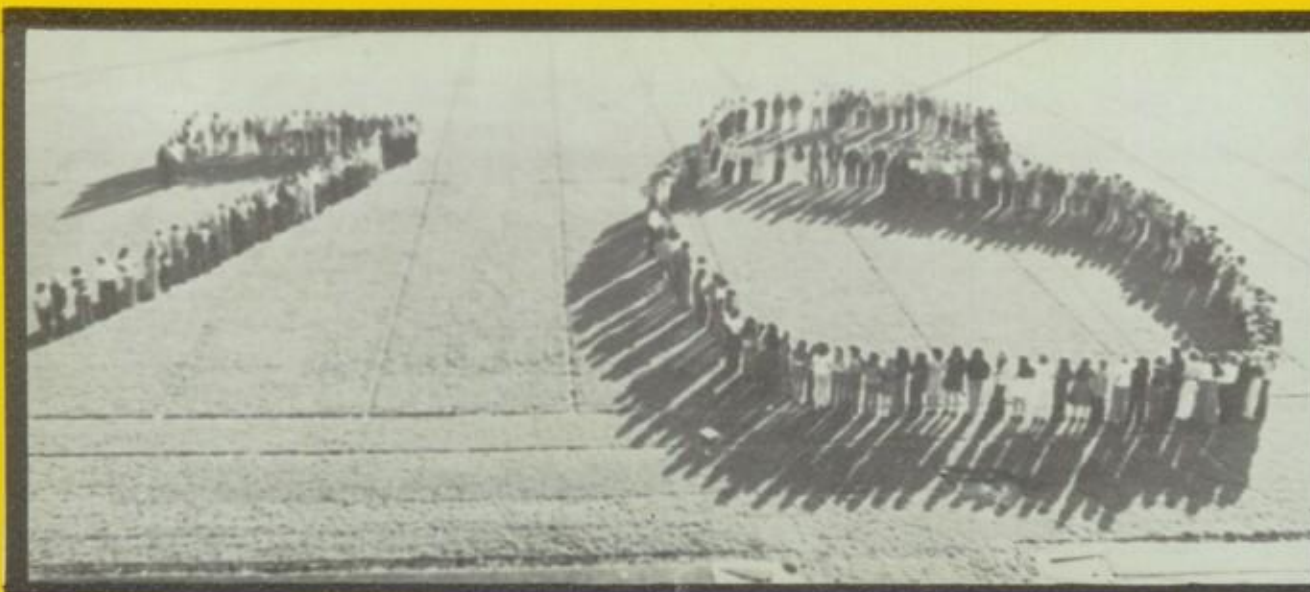

Football and wrestling dominated the sport world from 1956 to 1974. In March 1973 the wrestling team captured the State title. They were 19-0 in dual meets. The grapplers compiled 44 straight dual meet victories during one stretch of the decade. Mark Purkey, Tom Scott and Dennis Jossi were individual State champions during the ten years.

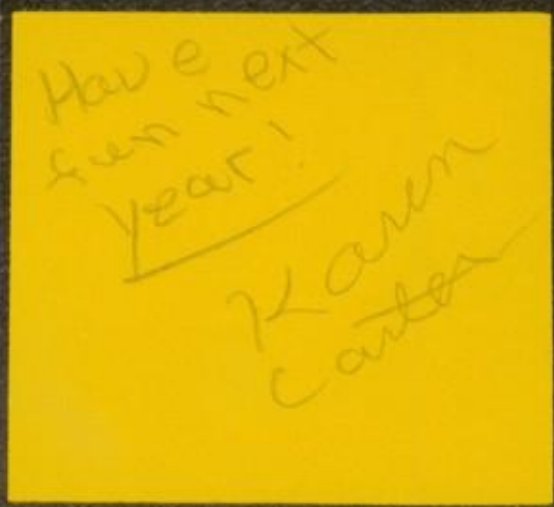

Football was a continuous winner. Four straight years the team was one win away from the League title. With the double wing offense the teams set League offensive records that still stand. In the fall of '70 the football team compiled the best record for years, 8-1. Led by the throwing of Brian Jarmer and the running of Tom Diaz, the team scored over 30 points per game; the only loss was a heartbreaker to Putnam, 14-7.

The Cross Country team had their best seasons in 1967 and 1968 capturing the Metro crown. Mark Hiefield in the fall of '69 placed second in the State meet inches behind Steve Prefontaine.

Roads and new buildings were the main community changes during these years. A new highway, the Milwaukie Expressway, connected McLoughlin Boulevard with Interstate 205. During 1974 the new addition to I-205 was begun. The addition is to connect the Clackamas end of I-205 to a place on I-5 north of Vancouver, Washington. The highway will pass just east of the Portland International Airport. Also built was I-205 connecting 82nd avenue to I-5.
